

House Amendments to Senate Bill No. 3026

TO THE SECRETARY OF THE SENATE:

THIS IS TO INFORM YOU THAT THE HOUSE HAS ADOPTED THE AMENDMENTS SET OUT BELOW:

AMENDMENT NO. 1

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

5 **SECTION 1.** The following sum of money, or so much thereof as
6 may be necessary, is hereby appropriated out of any money in the
7 State Treasury to the credit of the Mississippi State Board of
8 Public Contractors, for the purpose of defraying the expenses of
9 said board, for the fiscal year beginning July 1, 2025, and ending
10 June 30, 2026.....\$ 4,318,811.00.

11 **SECTION 2.** Of the funds appropriated under the provisions of
12 this act, the following positions are authorized:

13 AUTHORIZED HEADCOUNTS:

14 Permanent: 18

15 Time-Limited: 0

16 With the funds herein appropriated, it shall be the agency's
17 responsibility to make certain that funds required for Personal
18 Services for Fiscal Year 2027 do not exceed Fiscal Year 2026 funds
19 appropriated for that purpose unless programs or positions are
20 added to the agency's Fiscal Year 2026 budget by the Mississippi
21 Legislature. The Legislature shall determine the agency's

22 personal services appropriation, which the State Personnel Board
23 shall publish. The agency's personal services appropriation may
24 consist of restricted funds for approved vacancies for Fiscal Year
25 2026 that may be utilized to fill vacant Fiscal Year 2025
26 headcount. It shall be the agency's responsibility to ensure that
27 the funds provided for vacancies are used to increase headcount
28 and not for promotions, title changes, in-range salary adjustments
29 or any other mechanism for increasing salaries for current
30 employees. It is the Legislature's intention that no employee
31 salary falls below the minimum salary established by the
32 Mississippi State Personnel Board.

33 Additionally, the State Personnel Board shall determine and
34 publish the projected annualized payroll costs based on current
35 employees. It shall be the responsibility of the agency head to
36 ensure that actual personnel expenditures for Fiscal Year 2026 do
37 not exceed the data provided by the Legislative Budget Office. If
38 the agency's Fiscal Year 2026 projected cost exceeds the
39 annualized costs, no salary actions shall be processed by the
40 State Personnel Board except for new hires determined to be
41 essential for the agency.

42 Any transfers or escalations shall be made in accordance with
43 the terms, conditions, and procedures established by law or
44 allowable under the terms set forth within this act. The State
45 Personnel Board shall not escalate positions without written
46 approval from the Department of Finance and Administration. The
47 Department of Finance and Administration shall not provide written

approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that the Mississippi Board of Public Contractors shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2025. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2027 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2026 budget request process.

SECTION 4. Of the funds appropriated in this act, it is the intention of the Legislature that the State Board of Contractors may expend funds not to exceed Two Million Three Hundred Thousand Dollars (\$2,300,000.00) for the purpose of defraying the cost of (1) enforcement as set forth in Section 31-3-21, Mississippi Code

of 1972, (2) enlisting of any private collection firm(s) to locate and collect any uncollected fines, and (3) administrative costs associated with collections. Any funds spent for this purpose shall be subject to a performance audit if requested by the Appropriations Chairmen in either the House or Senate.

SECTION 5. The Mississippi Board of Public Contractors is authorized to escalate the appropriate funds not to exceed Sixty-two Thousand Dollars (\$62,000.00) for the purpose of defraying the expenditures of increased lease agreements and licensing costs. Such escalation shall be made under the rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds.

SECTION 6. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 7. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally

99 or upon their official bonds, shall be held responsible for
100 actions contrary to this provision.

101 **SECTION 8.** The money herein appropriated shall be paid by
102 the State Treasurer out of any money in the State Treasury to the
103 credit of the proper fund or funds as set forth in this act, upon
104 warrants issued by the State Fiscal Officer; and the State Fiscal
105 Officer shall issue his warrants upon requisitions signed by the
106 proper person, officer or officers in the manner provided by law.

107 **SECTION 9.** This act shall take effect and be in force from
108 and after July 1, 2025.

HR13\SB3026A.J

Andrew Ketchings
Clerk of the House of Representatives
