751 be necessary for the proper conduct of the hearing. All hearings  
752 shall be conducted by the board, which shall not be bound by  
753 strict rules of procedure or by the laws of evidence in the

776 shall be to the chancery court of the county of the residence of  
777 the licensee or permit holder on the record made, including a  
778 verbatim transcript of the testimony at the hearing. The appeal  
779 shall be taken within thirty (30) days after notice of the action  
780 of the board in denying, revoking, suspending or refusing to renew

781 the license or permit, or fining or otherwise disciplining the  
782 person. The appeal shall be perfected upon filing notice of the  
783 appeal and by the prepayment of all costs, including the cost of  
784 the preparation of the record of the proceedings by the board, and  
785 the filing of a bond in the sum of Two Hundred Dollars (\$200.00),  
786 conditioned that if the action of the board in denying, revoking,  
787 suspending or refusing to renew the license or permit, or fining

790 appeal and the action in the chancery court.

791 (2) If there is an appeal, such appeal shall act as a  
792 supersedeas. The chancery court shall dispose of the appeal and  
793 enter its decision promptly. The hearing on the appeal may, in  
794 the discretion of the chancellor, be tried in vacation. The scope  
795 of review of the chancery court shall be limited to a review of  
796 the record made before the board to determine if the action of the  
797 board is unlawful for the reason that it was (a) not supported by  
798 substantial evidence, (b) arbitrary or capricious, (c) beyond the  
799 power of the board to make, or (d) in violation of some statutory  
800 or constitutional right of the appellant. The decision of the  
801 chancery court may be appealed to the Supreme Court in the manner  
802 provided by law.

803 (3) Actions taken by the board in suspending a license,  
804 registration or permit when required by Section 93-11-157 or  
805 93-11-163 are not actions from which an appeal may be taken under

806 this section. Any appeal of a suspension of a license,  
807 registration or permit that is required by Section 93-11-157 or  
808 93-11-163 shall be taken in accordance with the appeal procedure  
809 specified in Section 93-11-157 or 93-11-163, as the case may be,

852 (\$50,000.00) per violation;

853                   (v) The board may impose a monetary penalty for  
854 any dispenser, pharmacist or practitioner licensed to dispense  
855 controlled substance and specified noncontrolled substance  
856 drugs \* \* \* who knowingly fails to submit drug monitoring  
857 information or knowingly submits incorrect dispensing information  
858 of not more than Ten Thousand Dollars (\$10,000.00) per violation.  
859 Any penalty collected under this subparagraph (v) shall be  
860 deposited into the special fund of the State Pharmacy Board to  
861 support the operations of the Prescription Monitoring Program  
862 (PMP);

863                   (vi) The board may impose a monetary penalty for  
864 any person who obtains prescription information and who knowingly  
865 discloses this information for misuse or purposely alters the  
866 reporting information, or uses the PMP in any manner other than  
867 for which it was intended, of not more than Fifty Thousand Dollars  
868 (\$50,000.00) per violation. Any penalty collected under this  
869 subparagraph (vi) shall be deposited into the special fund of the  
870 State Board of Pharmacy and used to support the operations of the  
871 Prescription Monitoring Program;

872                   (vii) The board may impose a monetary penalty of

875 license, registration or permit required by this chapter \* \* \*;

876                   (e) Refusal to renew offender's license, registration  
877 and/or permit;

878 (f) Placement of the offender on probation and  
879 supervision by the board for a period to be determined by the  
880 board;

881 (g) Public or private reprimand.

882 Whenever the board imposes any penalty under this subsection,  
883 the board may require rehabilitation and/or additional education  
884 as the board may deem proper under the circumstances, in addition  
885 to the penalty imposed.

886 (2) Any person whose license, registration and/or permit has  
887 been suspended, revoked or restricted pursuant to this chapter,  
888 whether voluntarily or by action of the board, shall have the  
889 right to petition the board at reasonable intervals for  
890 reinstatement of such license, registration and/or permit. Such  
891 petition shall be made in writing and in the form prescribed by  
892 the board. Upon investigation and hearing, the board may, in its  
893 discretion, grant or deny such petition, or it may modify its  
894 original finding to reflect any circumstances which have changed  
895 sufficiently to warrant such modifications. The procedure for the  
896 reinstatement of a license, registration or permit that is  
897 suspended for being out of compliance with an order for support,  
898 as defined in Section 93-11-153, shall be governed by Section  
899 93-11-157 or 93-11-163, as the case may be.

900 (3) Nothing herein shall be construed as barring criminal  
901 prosecutions for violations of this chapter where such violations

902 are deemed as criminal offenses in other statutes of this state or  
903 of the United States.

904 (4) A monetary penalty assessed and levied under this  
905 section shall be paid to the board by the licensee, registrant or  
906 permit holder upon the expiration of the period allowed for appeal  
907 of such penalties under Section 73-21-101, or may be paid sooner  
908 if the licensee, registrant or permit holder elects.

909 (5) When payment of a monetary penalty assessed and levied  
910 by the board against a licensee, registrant or permit holder in  
911 accordance with this section is not paid by the licensee,  
912 registrant or permit holder when due under this section, the board  
913 shall have the power to institute and maintain proceedings in its  
914 name for enforcement of payment in the chancery court of the  
915 county and judicial district of residence of the licensee,  
916 registrant or permit holder, or if the licensee, registrant or  
917 permit holder is a nonresident of the State of Mississippi, in the  
918 Chancery Court of the First Judicial District of Hinds County,  
919 Mississippi. When such proceedings are instituted, the board  
920 shall certify the record of its proceedings, together with all  
921 documents and evidence, to the chancery court and the matter shall  
922 thereupon be heard in due course by the court, which shall review  
923 the record and make its determination thereon. The hearing on the  
924 matter may, in the discretion of the chancellor, be tried in  
925 vacation.

926 (6) The board shall develop and implement a uniform penalty  
927 policy which shall set the minimum and maximum penalty for any  
928 given violation of board regulations and laws governing the  
929 practice of pharmacy. The board shall adhere to its uniform  
930 penalty policy except in such cases where the board specifically  
931 finds, by majority vote, that a penalty in excess of, or less  
932 than, the uniform penalty is appropriate. Such vote shall be  
933 reflected in the minutes of the board and shall not be imposed  
934 unless such appears as having been adopted by the board.

935 **SECTION 19.** Section 73-21-105, Mississippi Code of 1972, is  
936 reenacted as follows:

937 73-21-105. (1) Every facility/business that engages in the  
938 wholesale distribution of prescription drugs, to include without  
939 limitation, manufacturing in this state, distribution into this  
940 state, or selling or offering to sell in this state, or  
941 distribution from or within this state, and every reverse  
942 distributor located in or outside of this state that conducts  
943 business with pharmacies in this state, shall register biennially  
944 or annually, to be determined by the board, with the Mississippi  
945 State Board of Pharmacy by applying for a permit on a form  
946 supplied by the board and accompanied by a fee as set by  
947 subsection (4) of this section. The Pharmacy Board shall by  
948 regulation determine the classification of permit(s) that shall be  
949 required.

950           (2) Every business/facility/pharmacy located in this state  
951 that engages in or proposes to engage in the dispensing and  
952 delivery of prescription drugs to consumers shall register with  
953 the Mississippi State Board of Pharmacy by applying for a permit  
954 on a form supplied by the board and accompanied by a fee as set by  
955 subsection (4) of this section. The Pharmacy Board shall by  
956 regulation determine the classification of permit(s) that shall be  
957 required.

958           (3) The board shall establish by rule or regulation the  
959 criteria which each business shall meet to qualify for a permit in  
960 each classification. The board shall issue a permit to any  
961 applicant who meets the criteria as established. The board may  
962 issue various types of permits with varying restrictions to  
963 businesses where the board deems it necessary by reason of the  
964 type of activities conducted by the business requesting a permit.

965           (4) The board shall specify by rule or regulation the  
966 registration procedures to be followed, including, but not limited  
967 to, specification of forms for use in applying for such permits  
968 and times, places and fees for filing such applications. However,  
969 the biennial fee for an original or renewal permit shall not  
970 exceed One Thousand Dollars (\$1,000.00).

971           (5) Applications for permits shall include the following  
972 information about the proposed business:

973                   (a) Ownership;

974                   (b) Location;

975 (c) Identity of the responsible person or pharmacist  
976 licensed to practice in the state, who shall be the pharmacist in  
977 charge of the pharmacy, where one is required by this chapter, and  
978 such further information as the board may deem necessary.

979 (6) Permits issued by the board pursuant to this section  
980 shall not be transferable or assignable.

981 (7) The board shall specify by rule or regulation minimum  
982 standards for the responsibility in the conduct of any  
983 business/facility and/or pharmacy that has been issued a permit.  
984 The board is specifically authorized to require that the portion  
985 of the facility located in this state to which a pharmacy permit  
986 applies be operated only under the direct supervision of no less  
987 than one (1) pharmacist licensed to practice in this state, and to  
988 provide such other special requirements as deemed necessary.  
989 Nothing in this subsection shall be construed to prevent any  
990 person from owning a pharmacy.

991 (8) All businesses permitted by the board shall report to  
992 the board the occurrence of any of the following changes:

993 (a) Permanent closing;

994 (b) Change of ownership, management, location or  
995 pharmacist in charge;

996 (c) Any and all other matters and occurrences as the  
997 board may require by rule or regulation.

998 (9) Disasters, accidents and emergencies which may affect  
999 the strength, purity or labeling of drugs, medications, devices or

1000 other materials used in the diagnosis or the treatment of injury,  
1001 illness and disease shall be immediately reported to the board.

1002 (10) No business that is required to obtain a permit shall  
1003 be operated until a permit has been issued for such business by  
1004 the board. Any person, firm or corporation violating any of the  
1005 provisions of this section shall be guilty of a misdemeanor and,  
1006 upon conviction thereof, shall be punished by a fine of not less  
1007 than One Hundred Dollars (\$100.00) nor more than One Thousand  
1008 Dollars (\$1,000.00), or imprisonment in the county jail for not  
1009 less than thirty (30) days nor more than ninety (90) days, or by  
1010 both such fine and imprisonment. However, the provisions of this  
1011 chapter shall not apply to physicians, dentists, veterinarians,  
1012 osteopaths or other practitioners of the healing arts who are  
1013 licensed under the laws of the State of Mississippi and are  
1014 authorized to dispense and administer prescription drugs in the  
1015 course of their professional practice.

1016 **SECTION 20.** Section 73-21-106, Mississippi Code of 1972, is  
1017 reenacted as follows:

1018 73-21-106. (1) Any pharmacy located outside this state that  
1019 ships, mails or delivers, in any manner, controlled substances or  
1020 prescription or legend drugs or devices into this state shall be  
1021 considered a nonresident pharmacy and shall be permitted by the  
1022 board. The board shall establish by rule or regulation the  
1023 criteria that each nonresident pharmacy must meet to qualify for a  
1024 nonresident permit. After a permit has been issued, it may not be

1025 amended, transferred or reassigned. A pharmacist-in-charge of a  
1026 nonresident pharmacy may not be the pharmacist-in-charge at any  
1027 other location that has been issued a permit by the board.

1028 (2) Each nonresident pharmacy shall:

1029 (a) Comply with all lawful directions and requests for  
1030 information from the regulatory or licensing agency of the state  
1031 in which it is licensed as well as with all requests for  
1032 information made by the board under this section. The nonresident  
1033 pharmacy shall maintain at all times a valid unexpired license,  
1034 permit or registration to conduct the pharmacy in compliance with  
1035 the laws of the state in which it is a resident. As a  
1036 prerequisite to being permitted by the board, the nonresident  
1037 pharmacy shall submit a copy of the most recent inspection report  
1038 resulting from an inspection conducted by the regulatory or  
1039 licensing agency of the state in which it is located;

1040 (b) Maintain its records of controlled substances and  
1041 prescription or legend drugs or devices dispensed to patients in  
1042 this state so that the records are readily retrievable from the  
1043 records of other drugs dispensed; and

1044 (c) Certify that it understands Mississippi pharmacy  
1045 laws and regulations and agrees to comply with those laws and  
1046 regulations and any other state or federal laws that apply to the  
1047 practice of pharmacy. The pharmacist-in-charge must hold a  
1048 Mississippi pharmacist license, be licensed to practice pharmacy  
1049 in the state of residence of the nonresident pharmacy, and be

1050 current and in good standing with the licensing boards of both  
1051 states.

1052 (3) Any pharmacy subject to this section shall provide  
1053 during its regular hours of operation, but not less than six (6)  
1054 days per week and for a minimum of forty (40) hours per week, a  
1055 toll-free telephone service to facilitate communication between  
1056 patients in this state and a pharmacist at the pharmacy who has  
1057 access to the patient's records. This toll-free number shall be  
1058 disclosed on a label affixed to each container of drugs dispensed  
1059 to patients in this state.

1060 (4) The permit fee for nonresident pharmacies shall be the  
1061 same as the fee as set by subsection (4) of Section 73-21-105.

1062 (5) The permit requirements of this section shall apply to  
1063 any nonresident pharmacy that dispenses, distributes, ships, mails  
1064 or delivers controlled substances or prescription or legend drugs  
1065 and devices into this state directly to a consumer.

1066 (6) The board may deny, revoke or suspend a nonresident  
1067 pharmacy permit only for:

1068 (a) Failure to comply with any requirement of this  
1069 section or Section 41-29-125;

1070 (b) Conduct that causes serious bodily or serious  
1071 psychological injury to a resident of this state if the board has  
1072 referred the matter to the regulatory or licensing agency in the  
1073 state in which the pharmacy is located and the regulatory or

1074 licensing agency fails to initiate an investigation within  
1075 forty-five (45) days of the referral; or

1076 (c) Violation of the Uniform Controlled Substances Law.

1077 (7) It is unlawful for any nonresident pharmacy that is not  
1078 permitted under this section to advertise its services in this  
1079 state, or for any person who is a resident of this state to  
1080 advertise the pharmacy services of a nonresident pharmacy that is  
1081 not permitted with the board, with the knowledge that the  
1082 advertisement will or is likely to induce members of the public in  
1083 this state to use the pharmacy to fill prescriptions.

1084 (8) When requested to do so by the board or the Mississippi  
1085 Bureau of Narcotics, each nonresident pharmacy shall supply any  
1086 inspection reports, controlled substances dispensing records,  
1087 warning notices, notice of deficiency reports or any other related  
1088 reports from the state in which it is located concerning the  
1089 operation of a nonresident pharmacy for review of compliance with  
1090 state and federal drug laws.

1094 and inspect, during reasonable hours, a facility which has  
1095 obtained or applied for a permit under Section 73-21-105 relative

1104           (2) Prior to an entry and inspection, the board  
1105 representative shall state his purpose and present appropriate

1114 reasonable manner, a facility's storage, equipment, security,  
1115 records, or prescription drugs or devices; or

1116                   (c) Inventory any stock of any prescription drugs or  
1117 devices in the facility.

1118           (4) Unless the owner, pharmacist, or agent in charge of the

1120 section may not extend to:

1121                   (a) Financial data;

1122                   (b) Sales data other than shipment data; or

1123                   (c) Pricing data.

1377 shall be a signature line in the lower left-hand corner of the  
1378 prescription form beneath which shall be clearly imprinted the  
1379 words "dispense as written." The prescriber's signature on either  
1380 signature line shall validate the prescription and shall designate  
1381 approval or disapproval of product selection.

1382           (2) If a prescription form which does not contain the two  
1383 (2) signature lines required in subsection (1) of this section is  
1384 utilized by the prescriber, he shall write in his own handwriting

1386 selection.

1387           (3) A pharmacist licensed by the Mississippi State Board of  
1388 Pharmacy may dispense a one-time emergency dispensing of a  
1389 prescription of up to a seventy-two-hour supply of a prescribed

1392                   (a) The prescription is not for a controlled substance;

1393                   (b) In the pharmacist's professional judgment, the  
1394 interruption of therapy might reasonably produce undesirable

1396 (c) The dispensing pharmacist notifies the prescriber  
1397 or his agent of the emergency dispensing within seven (7) working  
1398 days after the one-time emergency dispensing;

1399 (d) The pharmacist properly records the dispensing as a

1402 shall be serially numbered and contain all information required of  
1403 other prescriptions. In addition it shall contain the number of  
1404 the prescription from which it was refilled; and

1405 (e) The pharmacist shall record on the new document the  
1406 circumstances which warrant this emergency dispensing.

1407 This emergency dispensing shall be done only in the permitted  
1408 facility which contains the nonrefillable prescription.

1409 **SECTION 27.** Section 73-21-117, Mississippi Code of 1972, is  
1410 reenacted as follows:

1411 73-21-117. (1) A pharmacist may select a generic equivalent  
1412 drug product or an interchangeable biological product only when  
1413 such selection results in lower cost to the purchaser, unless  
1414 product selection is expressly prohibited by the prescriber.

1415 (2) A pharmacist shall select a generic equivalent drug  
1416 product or an interchangeable biological product when:

1417 (a) The purchaser requests the selection of a generic  
1418 equivalent drug product or an interchangeable biological product;  
1419 or

1420 (b) The prescriber has not expressly prohibited product  
1421 selection; and

1422 (c) Product selection will result in lower cost to the  
1423 purchaser.

1424 Before product selection is made, the pharmacist shall advise  
1425 the purchaser of his prerogatives under this subsection.

1426 (3) When requested by the purchaser to dispense the drug  
1427 product or biological product as ordered by the prescriber, a  
1428 pharmacist shall not select a generic equivalent drug product or  
1429 an interchangeable biological product.

1430 (4) Within five (5) business days following the dispensing  
1431 of any biological product, the dispensing pharmacist or the  
1432 pharmacist's designee shall make an entry of the specific product  
1433 provided to the purchaser, including the name of the product and  
1434 the manufacturer, and communicate that information to the  
1435 prescriber. The communication shall be conveyed by making an  
1436 entry that is electronically accessible to the prescriber through:

- 1437 (a) An interoperable electronic medical records system;
- 1438 (b) An electronic prescribing technology;
- 1439 (c) A pharmacist benefit management system; or
- 1440 (d) A pharmacy record.

1441 (5) Entry into an electronic records system as described in  
1442 subsection (4) of this section is presumed to provide notice to  
1443 the prescriber. Otherwise, the pharmacist shall communicate the  
1444 biological product dispensed to the prescriber using facsimile,

1445 telephone, electronic transmission, or other prevailing means,  
1446 provided that communication shall not be required where:

1447 (a) There is no federal Food and Drug  
1448 Administration-approved interchangeable biological product for the  
1449 product prescribed; or

1450 (b) A refill prescription is not changed from the  
1451 product dispensed on the prior filling of the prescription.

1452 (6) The board shall maintain a link on its website to the  
1453 federal Food and Drug Administration's List of Licensed Biological  
1454 Products with Reference Product Exclusivity and Biosimilarity or  
1455 Interchangeability Evaluations.

1456 **SECTION 28.** Section 73-21-119, Mississippi Code of 1972, is  
1457 reenacted as follows:

1458 73-21-119. (1) The label of the container of any drug  
1459 product which is sold within the State of Mississippi for resale  
1460 at retail and which requires a prescription to be dispensed at  
1461 retail shall contain at a minimum the name of the manufacturer of  
1462 the final dosage unit, expiration date if applicable, batch or lot  
1463 number and national drug code. The label of the container of any  
1464 biological product dispensed by a pharmacist shall include its  
1465 nonproprietary name designated by the federal Food and Drug  
1466 Administration for use and the name of the manufacturer of the  
1467 product.

1468 (2) Whenever product selection is made, the pharmacist shall  
1469 indicate on the label of the dispensed container the initials

1470 "G.E." or "I.B.," as appropriate. The label for generic  
1471 equivalent drugs shall include the proprietary name of the product  
1472 dispensed or the generic name of the product dispensed and its  
1473 manufacturer either written in full or appropriately abbreviated,  
1474 unless the prescriber indicates that the name of the drug product  
1475 shall not appear on the label. The label for interchangeable  
1476 biological products shall include its nonproprietary name  
1477 designated by the federal Food and Drug Administration for use and  
1478 the name of the manufacturer of the product.

1479 **SECTION 29.** Section 73-21-121, Mississippi Code of 1972, is  
1480 reenacted as follows:

1481 73-21-121. (1) Product selection as authorized by Sections  
1482 73-21-115 through 73-21-119 shall not constitute evidence of  
1483 negligence by the dispensing pharmacist when such product  
1484 selection is in accordance with reasonable and prudent pharmacy  
1485 practice. No prescriber shall be liable for civil damages or in  
1486 any criminal prosecution arising from the incorrect product  
1487 selection by a pharmacist.

1488 (2) Any person having knowledge relating to a pharmacist or  
1489 to a pharmacy student which might provide grounds for disciplinary  
1490 action by the board may report relevant facts to the board, and  
1491 shall by reason of reporting such facts in good faith be immune  
1492 from civil liability.

1493 (3) Any person furnishing information in the form of data,  
1494 reports or records to the board or to a pharmacist organization

1495 approved by the board to receive such information, where such  
1496 information is furnished for the purpose of aiding a pharmacist or  
1497 a pharmacy student impaired by chemical abuse or by mental or by  
1498 physical illness, shall by reason of furnishing such information  
1499 in good faith be immune from civil liability.

1500 (4) The records of the board or the records of a pharmacist  
1501 organization approved by the board to aid pharmacists or pharmacy  
1502 students impaired by chemical abuse, where such records relate to  
1503 the impairment, shall be confidential and are not considered open  
1504 records; provided, however, the board may disclose this  
1505 confidential information only:

1506 (a) In a disciplinary hearing before the board, or in  
1507 an appeal of an action or order of the board;

1508 (b) To the pharmacist licensing or disciplinary  
1509 authorities of other jurisdictions in the case of a pharmacist who  
1510 is licensed in, or seeking transfer to, another state; or

1511 (c) Pursuant to an order of a court of competent  
1512 jurisdiction.

1513 **SECTION 30.** Section 73-21-123, Mississippi Code of 1972, is  
1514 reenacted as follows:

1515 73-21-123. Nothing in this chapter shall be construed to  
1516 prevent, or in any manner interfere with, or to require a permit  
1517 for the sale of nonnarcotic nonprescription drugs which may be  
1518 lawfully sold under the United States Food, Drug and Cosmetic Act  
1519 (21 USCS 301 et seq. as now or hereafter amended) without a

1520 prescription, nor shall any rule or regulation be adopted by the  
1521 board under the provisions of this chapter which shall require the  
1522 sale of nonprescription drugs by a licensed pharmacist in a  
1523 pharmacy or otherwise apply to or interfere with the sale or  
1524 distribution of such drugs.

1525         **SECTION 31.** Section 73-21-124, Mississippi Code of 1972, is  
1526 reenacted as follows:

1527         73-21-124. (1) (a) It is lawful for a pharmacy registered  
1528 under Section 73-21-105 to sell or distribute to a person, without  
1529 a prescription, products containing not more than three and six  
1530 tenths (3.6) grams per day and not more than seven and two tenths  
1531 (7.2) grams per thirty-day period of pseudoephedrine or ephedrine,  
1532 and it is lawful for a person to purchase products containing  
1533 those ingredients from a registered pharmacy without a  
1534 prescription.

1535         (b) All products authorized under this subsection (1)  
1536 must be stored by a pharmacy by placing the products behind a  
1537 counter in an area within the pharmacy where the public is not  
1538 permitted.

1539         (c) Any products authorized under this subsection (1)  
1540 sold by a pharmacy must be sold by an individual licensed as a  
1541 pharmacist or by an employee of the pharmacy under the direct  
1542 supervision and control of a licensed pharmacist.

1543         (d) No pharmacy may sell or distribute, and no person  
1544 may purchase, more products than allowed under this section unless

1545 by valid prescription. It is not a defense in a prosecution under  
1546 this section that no money was exchanged during a transaction that  
1547 would otherwise be unlawful under this section.

1548 (2) A pharmacy selling products in a manner authorized under  
1549 subsection (1) of this section must:

1550 (a) Use the National Precursor Log Exchange (NPLEx)  
1551 system administered by the National Association of Drug Diversion  
1552 Investigators, provided that the system is available to pharmacies  
1553 or retailers in the state without a charge for accessing the NPLEx  
1554 system, before completing the over-the-counter sale of each  
1555 product authorized under subsection (1) of this section. Before  
1556 completing a sale of an over-the-counter material, compound,  
1557 mixture, or preparation containing any detectable quantity of  
1558 pseudoephedrine or ephedrine, its salts or optical isomers, or  
1559 salts of optical isomers a pharmacy or retailer shall  
1560 electronically submit the information required under subsection  
1561 (b) of this subsection (2) to the NPLEx system. The pharmacy or  
1562 retailer shall not complete the sale if the NPLEx system generates  
1563 a stop-sale alert. The system shall contain an override function  
1564 that may be used by an agent of a retail establishment who is  
1565 dispensing the drug product, and who has a reasonable fear of  
1566 imminent bodily harm if the transaction is not completed. The  
1567 system shall create a record of each use of the override  
1568 mechanism.

1569           (b) Maintain an electronic log of required information  
1570 for each transaction, and require the purchaser of the package to  
1571 be at least eighteen (18) years of age and provide a valid,  
1572 unsuspended driver's license or nondriver identification card  
1573 issued by this state or another state, a United States Uniformed  
1574 Services Privilege and Identification Card, or a United States or  
1575 foreign passport, and to sign a written or electronic log  
1576 attesting to the validity of the information provided for each  
1577 transaction. The record of each transaction must include the  
1578 information from the identification card as well as the type of  
1579 and government entity issuing the identification card used, the  
1580 name, date of birth, and current address of the purchaser, the  
1581 date and time of the sale, the name of the compound, mixture, or  
1582 preparation being sold, and the total amount, in grams or  
1583 milligrams, of pseudoephedrine or ephedrine being sold.

1584           (c) Maintain a written log or an alternative electronic  
1585 recordkeeping mechanism if a pharmacy or retailer experiences  
1586 mechanical or electronic failure of the required electronic  
1587 tracking system until such time as the pharmacy or retailer is  
1588 able to comply with the electronic sales-tracking requirement. No  
1589 person shall purchase, receive or otherwise acquire more than  
1590 three and six-tenths (3.6) grams per day or seven and two-tenths  
1591 (7.2) grams of pseudoephedrine or ephedrine within any thirty-day  
1592 period.

1593           (3) The National Association of Drug Diversion Investigators  
1594 shall provide real-time access to the NPLEx information through  
1595 the NPLEx online portal to law enforcement in the state.

1596           (4) (a) Pseudoephedrine and ephedrine products dispensed  
1597 pursuant to a legitimate prescription are exempt from this  
1598 section.

1599           (b) The amounts of pseudoephedrine and ephedrine  
1600 products dispensed to a person pursuant to a legitimate  
1601 prescription shall not be considered under subsection (1)(a) of  
1602 this section.

1603           (5) A violation of this section is a misdemeanor and is  
1604 punishable as follows:

1605           (a) For a first offense, by a fine not to exceed One  
1606 Thousand Dollars (\$1,000.00).

1607           (b) For a second or subsequent offense, by a fine not  
1608 to exceed Ten Thousand Dollars (\$10,000.00).

1609           (6) A pharmacist who is the general owner or operator of an  
1610 establishment where pseudoephedrine and ephedrine products are  
1611 available for sale shall not be penalized under this section for  
1612 the conduct of an employee if the retailer documents that an  
1613 employee training program approved by the Mississippi Board of  
1614 Pharmacy was conducted by the pharmacist. The Mississippi Board  
1615 of Pharmacy shall develop or approve all training programs for  
1616 pharmacy employees.

1617 (7) A person who resides in a state that requires a  
1618 prescription for the purchase of pseudoephedrine or ephedrine, or  
1619 who presents identification from a state that requires a  
1620 prescription for the purchase of pseudoephedrine or ephedrine, may  
1621 purchase those products only upon presentation of a valid  
1622 prescription for the pseudoephedrine or ephedrine.

1623 **SECTION 32.** Section 73-21-125, Mississippi Code of 1972, is  
1624 reenacted as follows:

1625 73-21-125. (1) Any community pharmacy, including a  
1626 faith-based community pharmacy, or any licensed pharmacist who  
1627 voluntarily provides charitable services in a community pharmacy,  
1628 or any other person who serves as a volunteer in a community  
1629 pharmacy, shall be immune from liability for any civil action  
1630 arising out of supplying pharmaceutical products in the course of  
1631 providing such charitable or gratuitous pharmaceutical products.  
1632 This section shall not extend immunity to acts of gross negligence  
1633 or willful or wanton misconduct or to the manufacturer or designer  
1634 of products provided.

1635 (2) Any community pharmacy seeking immunity under this  
1636 section shall post a notice, in a conspicuous place adjacent to  
1637 the area where prescriptions are picked up by consumers, reading  
1638 substantially as follows: "NOTICE: If you are harmed by  
1639 medication that you receive here, you do not have the same legal  
1640 recourse as you have against other pharmacies." Failure to post  
1641 the notice negates the immunity from liability provided under this

1642 section. The notice shall be no less than eleven (11) by fourteen  
1643 (14) inches in size, and the type used shall be no smaller than  
1644 thirty-six (36) point and surrounded by a one-inch solid black  
1645 border.

1646 (3) For purposes of this section, "community pharmacy" means  
1647 a pharmacy operated solely for charitable purposes, whose only  
1648 function is to supply gratuitous pharmaceutical products, and  
1649 which is operated by a nonprofit organization qualified or  
1650 eligible for qualification as a tax-exempt organization under 26  
1651 USCS 501.

1652 **SECTION 33.** Section 73-21-126, Mississippi Code of 1972, is  
1653 reenacted as follows:

1654 73-21-126. (1) The State Board of Pharmacy shall promulgate  
1655 rules regarding the issuance and renewal of licenses and permits  
1656 for new or renewal application requirements for both in- and  
1657 out-of-state wholesale distributors, chain pharmacy warehouses and  
1658 repackagers shipping into Mississippi. Requirements for new  
1659 and/or renewal applications, if information has not been  
1660 previously provided to the board, will include, but not be limited  
1661 to, the following:

1662 (a) Type of ownership (individual, partnership or  
1663 corporation);

1664 (b) Names of principal owners or officers and social  
1665 security numbers;

1666 (c) Names of designated representatives and social  
1667 security numbers;

1668 (d) Criminal background checks of applicants and  
1669 designated representatives as required by rule;

1670 (e) Copy of license in home state;

1671 (f) Bond requirements.
