119 may continue to holdover and serve with all rights and  
120 responsibilities until the new appointment occurs. No board  
121 member shall serve for more than two (2) consecutive terms. Any  
122 vacancy occurring in the board membership other than by expiration

147 by the chairman or a majority of its members or the Governor.  
148 Reasonable notice of all meetings shall be given in the manner  
149 prescribed by the board. A majority of the board shall constitute  
150 a quorum at any meeting or hearing. Any meeting at which the  
151 chairman is not present shall be chaired by his designee.

152           (2) The board is authorized and empowered to:

153                 (a) Adopt and, from time to time, revise any rules and

167 otherwise discipline applicants and licensed psychologists.

168 (g) Issue an educational letter to a licensee in order  
169 to assist that individual in his or her practice as a  
170 psychologist. Such a letter will not be considered to be  
171 disciplinary action.

172 (h) Cause the prosecution and enjoinder of all persons  
173 violating this article, and incur necessary expenses therefor.

174 (i) Charge a fee of not more than Seven Hundred Dollars  
175 (\$700.00) to a qualified psychologist as determined by the board  
176 who is applying for certification by the board to conduct  
177 examinations in civil commitment proceedings.

178 (j) Purchase general liability insurance coverage,  
179 including errors and omissions insurance, to cover the official  
180 actions of the board members and contract personnel and suits  
181 against them in their individual capacity. That coverage shall be  
182 in an amount determined by the board to be adequate, and the costs  
183 of the insurance shall be paid out of any funds available to the  
184 board.

185 (k) As additional responsibilities, effective July 1,

190           (1) Grant to persons who are licensed in another state  
191 or jurisdiction the authority to practice interjurisdictional  
192 telepsychology or the temporary authorization to practice, and  
193 regulate the practice of those persons in Mississippi, in  
194 accordance with the Psychology Interjurisdictional Compact  
195 provided for in Section 73-31-51 and this article.

196           (3) Within thirty (30) days after the close of each fiscal  
197 year ending June 30, the board shall submit an official report,  
198 reviewed and signed by all board members, to the Governor  
199 concerning the work of the board during the preceding fiscal year.  
200 The report shall include the names of all psychologists to whom  
201 licenses have been granted; any cases heard and decisions rendered  
202 in relation to the work of the board; the names, remuneration and  
203 duties of any employees of the board; and an account of all monies  
204 received and expended by the board.

205           **SECTION 6.** Section 73-31-9, Mississippi Code of 1972, is  
206 reenacted as follows:

207           73-31-9. (1) All fees from applicants seeking licensing  
208 under this article and all license renewal fees received under  
209 this article shall be nonrefundable. The board may charge a late  
210 fee for nonrenewal by June 30 of each year.

211           (2) The board shall charge an application fee to be  
212 determined by the board, but not to exceed Seven Hundred Dollars  
213 (\$700.00), to applicants for licensing, and shall charge the  
214 applicant for the expenses incurred by the board for examination

of the applicant. The board may increase the application fee as necessary, but may not increase the fee by more than Fifty Dollars (\$50.00) above the amount of the previous year's fee.

(3) Except as provided in Section 33-1-39, every licensed psychologist in this state shall annually pay to the board a fee determined by the board, but not to exceed Seven Hundred Dollars (\$700.00); and the credentialing coordinator shall thereupon issue a renewal of the license for a term of one (1) year. The board may increase the license renewal fee as necessary, but may not increase the fee by more than Fifty Dollars (\$50.00) above the amount of the previous year's fee. The license of any psychologist who fails to renew during the month of June in each and every year shall lapse; the failure to renew the license, however, shall not deprive the psychologist of the right of renewal thereafter. The lapsed license may be renewed within a period of two (2) years after the lapse upon payment of all fees in arrears. A psychologist wishing to renew a license that has been lapsed for more than two (2) years shall be required to reapply for licensure.

(4) Every odd-numbered year, no psychologist license shall be renewed unless the psychologist shows evidence of a minimum of twenty (20) clock hours of continuing education activities approved by the board.

(5) All fees and any other monies received by the board shall be deposited in a special fund that is created in the State

Treasury and shall be used for the implementation and administration of this article when appropriated by the Legislature for that purpose. The monies in the special fund shall be subject to all provisions of the state budget laws that are applicable to special fund agencies, and disbursements from the special fund shall be made by the State Treasurer only upon warrants issued by the State Fiscal Officer upon requisitions signed by the chairman or executive secretary of the board. Any interest earned on this special fund shall be credited by the State Treasurer to the fund and shall not be paid into the State General Fund. Any unexpended monies remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund. The State Auditor shall audit the financial affairs of the board and the transactions involving the special fund at least once a year in the same manner as for other special fund agencies.

**SECTION 7.** Section 73-31-11, Mississippi Code of 1972, is reenacted as follows:

73-31-11. The board shall keep a record of its proceedings and a register of all applications for licenses, which shall show:

- (a) The name, age and residence of each applicant;
- (b) The date of the application;
- (c) The place of professional practice of the applicant;
- (d) A summary of the educational and other qualifications of the applicant;

(e) Whether or not an examination was required;  
(f) Whether or not a license was granted;  
(g) The date of the action of the board;  
(h) Any other information as may be deemed necessary or  
advisable by the board in aid of the above requirements.

The records of the board shall be public records and evidence  
of the proceedings of the board set forth in the records; and a  
transcript thereof, duly certified by the executive secretary of  
the board, bearing the seal of the board, shall be admissible in  
evidence with the same force and effect as if the original were  
produced.

**SECTION 8.** Section 73-31-13, Mississippi Code of 1972, is  
reenacted as follows:

73-31-13. The board shall issue a license as a psychologist  
to each applicant who files an application upon a form and in the  
manner as the board prescribes, accompanied by the fee as is  
required by this article; and who furnishes evidence satisfactory  
to the board that he or she:

(a) Is at least twenty-one (21) years of age; and  
(b) Is of good moral character. The applicant must  
have successfully been cleared for licensure through an  
investigation that consists of a determination as to good moral  
character and verification that the prospective licensee is not  
guilty of or in violation of any statutory ground for denial of  
licensure. For the purposes of this article, good moral character

includes an absence of felony convictions or misdemeanor convictions involving moral turpitude as established by a criminal background check. Applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of the applicant's fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Public Safety (department) and the Federal Bureau of Investigation Identification Division for this purpose; and

(c) Is not in violation of any of the provisions of this article and the rules and regulations adopted under this article, and is not currently under investigation by another licensure board; and

(d) Holds a doctoral degree in psychology from an institution of higher education that is: regionally accredited by an accrediting body recognized by the United States Department of Education, or authorized by Provincial statute or Royal Charter to grant doctoral degrees. From a program accredited by the American Psychological Association, or the Canadian Psychological Association, and from a program that requires at least one (1) year of continuous, full-time residence at the educational institution granting the doctoral degree. For graduates from newly established programs seeking accreditation or in areas where no accreditation exists, applicants for licensure shall have

315 completed a doctoral program in psychology that meets recognized  
316 acceptable professional standards as determined by the board. For  
317 applicants graduating from doctoral level psychology training  
318 programs outside of the United States of America or Canada,  
319 applicants for licensure shall have completed a doctoral program  
320 in psychology that meets recognized acceptable professional  
321 standards as determined by the board; and

322 (e) Has completed a supervised internship from a  
323 program accredited by the American Psychological Association or  
324 the Canadian Psychological Association that meet the standards of  
325 training as defined by the board. The internship shall be  
326 comprised of at least one thousand eight hundred (1,800) hours of  
327 actual work, to include direct service, training and supervisory  
328 time; and

329 (f) Demonstrates professional knowledge by passing  
330 written (as used in this paragraph, the term "written" means  
331 either paper and pencil or computer-administered or computerized  
332 testing) and oral examinations in psychology prescribed by the  
333 board; except that upon examination of credentials, the board may,  
334 by unanimous consent, consider these credentials adequate evidence  
335 of professional knowledge.

336 Upon investigation of the application and other evidence  
337 submitted, the board shall, not less than thirty (30) days before  
338 the examination, notify each applicant that the application and  
339 evidence submitted is satisfactory and accepted or unsatisfactory

and rejected; if rejected, the notice shall state the reasons for the rejection.

The place of examination shall be designated in advance by the board, and the examination shall be given at such time and place and under such supervision as the board may determine. The examination used by the board shall consist of written tests and oral tests, and shall fairly test the applicant's knowledge and application thereof in those areas deemed relevant by the board. All examinations serve the purpose of verifying that a candidate for licensure has acquired a basic core of knowledge in the discipline of psychology and can apply that knowledge to the problems confronted in the practice of psychology within the applicant's area of practice.

The board shall evaluate the results from both the written and oral examinations. The passing scores for the written and oral examinations shall be established by the board in its rules and regulations. If an applicant fails to receive a passing score on the entire examination, he or she may reapply and shall be allowed to take a later examination. An applicant who has failed two (2) successive examinations by the board may not reapply until after two (2) years from the date of the last examination failed. The board shall keep the written examination scores, and an accurate transcript of the questions and answers relating to the oral examinations, and the grade assigned to each answer thereof,

as part of its records for at least two (2) years after the date of examination.

Persons licensed in another state or jurisdiction applying for the authority to practice interjurisdictional telepsychology must meet the requirements set out in the Psychology Interjurisdictional Compact provided for in Section 73-31-51.

Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

**SECTION 9.** Section 73-31-14, Mississippi Code of 1972, is reenacted as follows:

73-31-14. (1) Psychologists who are duly licensed in other jurisdictions and not currently under investigation by another licensure board may, upon application for licensure, apply for a temporary license, which shall be valid until the next administration of the oral examination. The temporary license shall be issued upon the applicant's passage of the Examination for Professional Practice of Psychology (EPPP) at the level established by the board in its rules and regulations and equivalent to that required for permanent licensure. Each applicant for a temporary license shall file an application upon a form and in the manner as the board prescribes, accompanied by a fee equal to the amount required for permanent licensure. A temporary license will lapse for any person who has failed the oral examination or has had his or her license suspended or

389 revoked by the board. Procedures for the issuance of temporary  
390 licenses shall be established by the board in its rules and  
391 regulations. The issuance of a temporary license to a  
392 military-trained applicant, military spouse or person who  
393 establishes residence in this state shall be subject to the  
394 provisions of Section 73-50-1 or 73-50-2, as applicable.

395 (2) Psychologists who are duly licensed in other  
396 jurisdictions may apply for a temporary practice certificate that  
397 allows them to practice psychology on a temporary basis in the  
398 State of Mississippi. That practice must be limited in scope and  
399 duration, not exceeding thirty (30) days during a consecutive  
400 twelve-month period. Applicants for a temporary practice  
401 certificate shall provide to the board the nature of the practice  
402 before providing that service, and shall make available to the  
403 board a current copy of his or her license or verification of a  
404 valid license in good standing. Psychologists who receive  
405 temporary practice certificates are subject to a jurisprudence  
406 examination at the request of the board. This authority for a  
407 temporary practice certificate does not apply to a psychologist  
408 who has been denied licensure in Mississippi, is a legal resident  
409 of Mississippi, or intends to practice full-time or a major  
410 portion of their time in Mississippi. Each applicant for a  
411 temporary practice certificate shall file an application upon a  
412 form and in the manner as the board prescribes, accompanied by a

fee in an amount determined by the board, but not to exceed Three Hundred Dollars (\$300.00).

(3) Applicants awaiting licensure in Mississippi are prohibited from the practice of psychology without a temporary license issued by the board. For the purposes of this subsection, the practice of psychology shall be construed without regard to the means of service provision (e.g., face-to-face, telephone, internet, telehealth).

(4) Persons licensed in another state or jurisdiction applying for the temporary authorization to practice must meet the requirements set out in the Psychology Interjurisdictional Compact provided for in Section 73-31-51.

**SECTION 10.** Section 73-31-15, Mississippi Code of 1972, is reenacted as follows:

73-31-15. (1) Upon application accompanied by the proper fee, the board may issue a license to any psychologist who furnishes, upon a form and in the manner as the board prescribes, evidence satisfactory to the board that he or she is a diplomate in good standing of the American Board of Examiners in Professional Psychology; or possesses a valid Certificate of Professional Qualification (CPQ) granted by the Association of State and Provincial Psychology Boards; or has at least twenty (20) years of licensure to practice in another state, territorial possession of the United States, District of Columbia, or

Commonwealth of Puerto Rico or Canadian Province when that license was based on a doctoral degree; and

(a) Has had no disciplinary sanction during the entire period of licensure; and

(b) Is not currently under investigation by another licensure board; and

(c) Has demonstrated current qualification by successfully passing the oral examination and jurisprudence examination.

(2) The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(3) The board may grant the authority to practice interjurisdictional telepsychology to persons who are licensed in another state or jurisdiction who meet the requirements set out in the Psychology Interjurisdictional Compact provided for in Section 73-31-51.

**SECTION 11.** Section 73-31-17, Mississippi Code of 1972, is reenacted as follows:

73-31-17. The status of psychologist emeritus is created. To qualify for status as psychologist emeritus, a psychologist must apply for psychologist emeritus status with the board upon a form and in the manner as the board prescribes, accompanied by a fee equal to one-half (1/2) of the amount of the permanent

licensure renewal fee as determined by the board. The applicant shall be required to make a satisfactory showing to the board, in a manner to be determined by the board, that the applicant (a) is sixty-five (65) years old or older, (b) has held continuous licensure as a psychologist in the State of Mississippi for at least twenty (20) years, and (c) at the time of application is retired from the full-time practice of psychology and is not practicing more than eighty (80) hours per month in any capacity in the State of Mississippi. For the purposes of this section, the practice of psychology shall be construed without regard to the means of service provision (e.g., face-to-face, telephone, Internet, telehealth). The applicant must renew his or her psychologist emeritus status annually on the same renewal schedule as permanent licensure. Renewal shall include confirmation of the psychologist's eligibility and attestation, at the time of renewal, of his or her continued "retired" status.

**SECTION 12.** Section 73-31-19, Mississippi Code of 1972, is reenacted as follows:

73-31-19. The board shall issue a license signed by the chairman and executive secretary of the board whenever an applicant has been successfully qualified as provided in this article. A copy of the license, so certified by the executive secretary as a true copy, shall be filed by the licensee in the office of the clerk of the circuit court in the county in which the licensee resides.

487           **SECTION 13.** Section 73-31-21, Mississippi Code of 1972, is  
488 reenacted as follows:

489           73-31-21. (1) The board, by an affirmative vote of at least  
490 four (4) of its seven (7) members, shall withhold, deny, revoke or  
491 suspend any license issued or applied for in accordance with the  
492 provisions of this article, or otherwise discipline a licensed  
493 psychologist, upon proof that the applicant or licensed  
494 psychologist:

495                   (a) Has violated the current code of ethics of the  
496 American Psychological Association or other codes of ethical  
497 standards adopted by the board; or

498                   (b) Has been convicted of a felony or any offense  
499 involving moral turpitude, the record of conviction being  
500 conclusive evidence thereof; or

501                   (c) Is using any substance or any alcoholic beverage to  
502 an extent or in a manner dangerous to any other person or the  
503 public, or to an extent that the use impairs his or her ability to  
504 perform the work of a professional psychologist with safety to the  
505 public; or

506                   (d) Has impersonated another person holding a  
507 psychologist license or allowed another person to use his or her

516 area of his or her training, experience or competence; or

517 (h) Has allowed his or her name or license issued under  
518 this article to be used in connection with any person or persons  
519 who perform psychological services outside of the area of their  
520 training, experience or competence; or

521 (i) Is legally adjudicated mentally incompetent, the  
522 record of that adjudication being conclusive evidence thereof; or

523 (j) Has willfully or negligently violated any of the  
524 provisions of this article. The board may recover from any person  
525 disciplined under this article, the costs of investigation,  
526 prosecution, and adjudication of the disciplinary action.

527 (2) Notice shall be effected by registered mail or personal  
528 service setting forth the particular reasons for the proposed  
529 action and fixing a date not less than thirty (30) days nor more  
530 than sixty (60) days from the date of the mailing or that service,  
531 at which time the applicant or licensee shall be given an  
532 opportunity for a prompt and fair hearing. For the purpose of the  
533 hearing, the board, acting by and through its executive secretary,  
534 may subpoena persons and papers on its own behalf and on behalf of  
535 the applicant or licensee, may administer oaths and may take  
536 testimony. That testimony, when properly transcribed, together

537 with the papers and exhibits, shall be admissible in evidence for  
538 or against the applicant or licensee. At the hearing, the  
539 applicant or licensee may appear by counsel and personally in his  
540 or her own behalf. Any person sworn and examined by a witness in  
541 the hearing shall not be held to answer criminally, nor shall any  
542 papers or documents produced by the witness be competent evidence  
543 in any criminal proceedings against the witness other than for  
544 perjury in delivering his or her evidence. On the basis of any  
545 such hearing, or upon default of applicant or licensee, the board  
546 shall make a determination specifying its findings of fact and  
547 conclusions of law. A copy of that determination shall be sent by  
548 registered mail or served personally upon the applicant or  
549 licensee. The decision of the board denying, revoking or  
550 suspending the license shall become final thirty (30) days after  
551 so mailed or served, unless within that period the applicant or  
552 licensee appeals the decision to the chancery court, under the  
553 provisions hereof, and the proceedings in chancery shall be  
554 conducted as other matters coming before the court. All  
555 proceedings and evidence, together with exhibits, presented at the  
556 hearing before the board shall be admissible in evidence in court  
557 in the appeal.

558 (3) The board may subpoena persons and papers on its own  
559 behalf and on behalf of the respondent, may administer oaths and  
560 may compel the testimony of witnesses. It may issue commissions  
561 to take testimony, and testimony so taken and sworn to shall be

admissible in evidence for and against the respondent. The board shall be entitled to the assistance of the chancery court or the chancellor in vacation, which, on petition by the board, shall issue ancillary subpoenas and petitions and may punish as for contempt of court in the event of noncompliance therewith.

(4) Every order and judgment of the board shall take effect immediately on its promulgation unless the board in the order or judgment fixes a probationary period for the applicant or licensee. The order and judgment shall continue in effect unless upon appeal the court by proper order or decree terminates it earlier. The board may make public its order and judgments in any manner and form as it deems proper. It shall, in event of the suspension or revocation of a license, direct the clerk of the circuit court of the county in which that license was recorded to cancel that record.

(5) Nothing in this section shall be construed as limiting or revoking the authority of any court or of any licensing or registering officer or board, other than the Mississippi Board of Psychology, to suspend, revoke and reinstate licenses and to cancel registrations under the provisions of Section 41-29-311.

(6) Suspension by the board of the license of a psychologist shall be for a period not exceeding one (1) year. At the end of this period the board shall reevaluate the suspension, and shall either reinstate or revoke the license. A person whose license has been revoked under the provisions of this section may reapply

587 for a license after more than two (2) years have elapsed from the  
588 date that the denial or revocation is legally effective.

589 (7) In addition to the reasons specified in subsection (1)  
590 of this section, the board shall be authorized to suspend the  
591 license of any licensee for being out of compliance with an order  
592 for support, as defined in Section 93-11-153. The procedure for  
593 suspension of a license for being out of compliance with an order  
594 for support, and the procedure for the reissuance or reinstatement  
595 of a license suspended for that purpose, and the payment of any  
596 fees for the reissuance or reinstatement of a license suspended  
597 for that purpose, shall be governed by Section 93-11-157. Actions  
598 taken by the board in suspending a license when required by  
599 Section 93-11-157 or 93-11-163 are not actions from which an  
600 appeal may be taken under this section. Any appeal of a license  
601 suspension that is required by Section 93-11-157 or 93-11-163  
602 shall be taken in accordance with the appeal procedure specified  
603 in Section 93-11-157 or 93-11-163, as the case may be, rather than  
604 the procedure specified in this section. If there is any conflict  
605 between any provision of Section 93-11-157 or 93-11-163 and any  
606 provision of this article, the provisions of Section 93-11-157 or  
607 93-11-163, as the case may be, shall control.

608 (8) The board may issue a nondisciplinary, educational  
609 letter to licensees as provided in Section 73-31-7(2)(g). The  
610 board may also direct a psychologist to obtain a formal assessment  
611 of ability to practice safely if there is reason to believe there

may be impairment due to substance abuse or mental incapacity. Licensees who may be impaired, but who are able to practice safely, may be required by the board to seek appropriate treatment and/or supervision. That action by the board in itself will not be considered disciplinary.

(9) The board may discipline any person who has been granted the authority to practice interjurisdictional telepsychology or the temporary authorization to practice under the Psychology Interjurisdictional Compact provided for under Section 73-31-51, for any of the grounds specified in subsection (1) of this section in the same manner as the board disciplines a licensed psychologist under this section.

**SECTION 14.** Section 73-31-23, Mississippi Code of 1972, is reenacted as follows:

73-31-23. (1) It shall be a misdemeanor:

(a) For any person not licensed under this article to represent himself or herself as a psychologist or practice psychology in the manner described in Section 73-31-3, except as otherwise authorized under the Psychology Interjurisdictional Compact provided for under Section 73-31-51; or

(b) For any person to represent himself or herself as a psychologist or practice psychology in the manner described in Section 73-31-3 during the time that his or her license as a psychologist is suspended or revoked or lapsed; or

636           (c) For any person to otherwise violate the provisions  
637 of this article.

638           That misdemeanor shall be punishable, upon conviction, by  
639 imprisonment for not more than sixty (60) days or by a fine of not  
640 more than Three Hundred Dollars (\$300.00), or by both that fine  
641 and imprisonment. Each violation shall be deemed a separate  
642 offense. The misdemeanor shall be prosecuted by the district  
643 attorney of the judicial district in which the offense was  
644 committed in the name of the people of the State of Mississippi.

645           (2) Any entity, organization or person, including the board,  
646 any member of the board, and its agents or employees, acting in  
647 good faith and without malice, who makes any report or information  
648 available to the board regarding violation of any of the  
649 provisions of this article, or who assists in the organization,  
650 investigation or preparation of any such report or information or  
651 assists the board in carrying out any of its duties or functions  
652 provided by law, shall be immune from civil or criminal liability  
653 for those acts.

654           The immunity granted under the provisions of this subsection  
655 shall not apply to and shall not be available to any psychologist  
656 who is the subject of any report or information relating to a  
657 violation by the psychologist of the provisions of this article.

658           **SECTION 15.** Section 73-31-25, Mississippi Code of 1972, is  
659 reenacted as follows:

660           73-31-25. The board may, in the name of the people of the  
661 State of Mississippi, through the Attorney General, except as  
662 otherwise authorized in Section 7-5-39, apply for an injunction in  
663 any court of competent jurisdiction to enjoin any person from  
664 committing any act declared to be a misdemeanor by this article.

665           If it is established that the defendant has been or is  
666 committing an act declared to be a misdemeanor by this article,  
667 the court, or any judge thereof, shall enter a decree perpetually  
668 enjoining the defendant from further committing that act. In case  
669 of violation of any injunction issued under the provisions of this  
670 section, the court, or any judge thereof, may summarily try and  
671 punish the offender for contempt of court. Those injunctive  
672 proceedings shall be in addition to, and not in lieu of, all  
673 penalties and other remedies provided for in this article.

674           **SECTION 16.** Section 73-31-27, Mississippi Code of 1972, is  
675 reenacted as follows:

676           73-31-27. (1) Nothing in this article shall be construed to  
677 limit:

678                   (a) The activities and services of a student, intern or  
679 trainee in psychology pursuing a course of study in psychology at  
680 an institution of higher education, if these activities and  
681 services constitute a part of his or her supervised course of  
682 study; or

683                   (b) The services and activities of members of other  
684 professional groups licensed or certified by the State of

Mississippi who perform work of a psychological nature consistent with their training, work experience history, and with any code of ethics of their respective professions, provided they do not hold themselves out to be psychologists. Portions of the practice of psychology as defined by this article overlap with the activities of other professional groups and it is not the intent of this article to regulate the activities of those professional groups.

(2) Individuals certified by the Mississippi State Department of Education may use appropriate titles such as "school psychologist," "certified school psychologist," "educational psychologist" or "psychometrist" only when they are employed by or under contract with a school district and practicing in school or educational settings.

(3) A lecturer employed by an institution of higher learning may use an appropriate academic or research title, provided he or she does not represent himself or herself as a psychologist or practice psychology in the manner described in Section 73-31-3.

**SECTION 17.** Section 73-31-29, Mississippi Code of 1972, is reenacted as follows:

73-31-29. A psychologist shall not be examined without the consent of his or her client as to any communication made by the client to the psychologist or the psychologist's advice given thereon in the course of professional employment; nor shall a psychologist's secretary, stenographer or clerk be examined

709 without the consent of his or her employer concerning any fact,  
710 the knowledge of which he or she has acquired in that capacity.

711       **SECTION 18.** This act shall take effect and be in force from  
712 and after July 1, 2025.

**Further, amend by striking the title in its entirety and  
inserting in lieu thereof the following:**

1       AN ACT TO AMEND SECTION 73-31-31, MISSISSIPPI CODE OF 1972,  
2 TO EXTEND THE DATE OF THE REPEALER ON SECTIONS 73-31-1 THROUGH  
3 73-31-29, WHICH PROVIDE FOR THE LICENSURE OF PSYCHOLOGISTS; TO  
4 REENACT SECTIONS 73-31-1 THROUGH 73-31-29, MISSISSIPPI CODE OF  
5 1972, WHICH CREATE THE MISSISSIPPI BOARD OF PSYCHOLOGY AND PROVIDE  
6 FOR THE LICENSURE OF PSYCHOLOGISTS; TO AMEND REENACTED SECTION 73-  
7 31-5, MISSISSIPPI CODE OF 1972, TO ADD TWO MEMBERS TO THE BOARD;  
8 AND FOR RELATED PURPOSES.
