

**Adopted
COMMITTEE AMENDMENT NO 1 PROPOSED TO**

Senate Bill No. 3035

BY: Committee

**Amend by striking all after the enacting clause and inserting
in lieu thereof the following:**

5 **SECTION 1.** The following sum, or so much thereof as may be
6 necessary, is hereby appropriated out of any money in the State
7 General Fund not otherwise appropriated, for the purpose of
8 defraying the expenses of the Mississippi Board of Animal Health
9 for the fiscal year beginning July 1, 2025, and ending
10 June 30, 2026.....\$ 1,897,543.00.

11 **SECTION 2.** The following sum, or so much thereof as may be
12 necessary, is hereby authorized for expenditure out of any special
13 source funds which are collected by or otherwise become available
14 for the purpose of defraying the expenses of the Mississippi Board

of Animal Health, for the fiscal year beginning July 1, 2025, and
ending June 30, 2026.....\$ 1,119,460.00.

SECTION 3. Of the funds appropriated under the provisions of
this act, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent: 23

Time-Limited: 5

With the funds herein appropriated, it shall be the agency's
responsibility to make certain that funds required for Personal
Services for Fiscal Year 2027 do not exceed Fiscal Year 2026 funds
appropriated for that purpose unless programs or positions are
added to the agency's Fiscal Year 2026 budget by the Mississippi
Legislature. The Legislature shall determine the agency's
personal services appropriation, which the State Personnel Board
shall publish. The agency's personal services appropriation may
consist of restricted funds for approved vacancies for Fiscal Year
2026 that may be utilized to fill vacant Fiscal Year 2025
headcount. It shall be the agency's responsibility to ensure that
the funds provided for vacancies are used to increase headcount
and not for promotions, title changes, in-range salary adjustments
or any other mechanism for increasing salaries for current
employees. It is the Legislature's intention that no employee
salary falls below the minimum salary established by the
Mississippi State Personnel Board.

39 Additionally, the State Personnel Board shall determine and
40 publish the projected annualized payroll costs based on current
41 employees. It shall be the responsibility of the agency head to
42 ensure that actual personnel expenditures for Fiscal Year 2026 do
43 not exceed the data provided by the Legislative Budget Office. If
44 the agency's Fiscal Year 2026 projected cost exceeds the
45 annualized costs, no salary actions shall be processed by the
46 State Personnel Board except for new hires determined to be
47 essential for the agency.

48 Any transfers or escalations shall be made in accordance with
49 the terms, conditions, and procedures established by law or
50 allowable under the terms set forth within this act. The State
51 Personnel Board shall not escalate positions without written
52 approval from the Department of Finance and Administration. The
53 Department of Finance and Administration shall not provide written
54 approval to escalate any funds for salaries and/or positions
55 without proof of availability of new or additional funds above the
56 appropriated level.

57 No general funds authorized to be expended herein shall be
58 used to replace federal funds and/or other special funds used for
59 salaries authorized under the provisions of this act and which are
60 withdrawn and no longer available.

61 None of the funds herein appropriated shall be used in
62 violation of the Internal Revenue Service's Publication 15-A

63 relating to the reporting of income paid to contract employees, as
64 interpreted by the Office of the State Auditor.

65 **SECTION 4.** It is the intention of the Legislature that the
66 Mississippi Board of Animal Health shall maintain complete
67 accounting and personnel records related to the expenditure of all
68 funds appropriated under this act and that such records shall be
69 in the same format and level of detail as maintained for Fiscal
70 Year 2025. It is further the intention of the Legislature that
71 the agency's budget request for Fiscal Year 2027 shall be
72 submitted to the Joint Legislative Budget Committee in a format
73 and level of detail comparable to the format and level of detail
74 provided during the Fiscal Year 2026 budget request process.

75 **SECTION 5.** It is the intention of the Legislature that
76 whenever two (2) or more bids are received by this agency for the
77 purchase of commodities or equipment, and whenever all things
78 stated in such received bids are equal with respect to price,
79 quality and service, the Mississippi Industries for the Blind
80 shall be given preference. A similar preference shall be given to
81 the Mississippi Industries for the Blind whenever purchases are
82 made without competitive bids.

83 **SECTION 6.** The Mississippi Board of Animal Health is
84 authorized to accept and expend any grant, donation, or
85 contribution from any individual, public or private organization,
86 or government entity for purposes of defraying the operational
87 costs of the department. Such grants, donations, contributions,

88 and any carryover funds shall be received and expended under the
89 rules and regulations of the Department of Finance and
90 Administration in a manner consistent with the escalation of
91 federal funds not to exceed Six Hundred Fifty Thousand Dollars
92 (\$650,000.00).

93 **SECTION 7.** It is the intention of the Legislature that the
94 funds herein appropriated shall be expended in compliance with
95 Section 27-104-25, Mississippi Code of 1972, that no state agency
96 shall incur obligations or indebtedness in excess of their
97 appropriation and that the responsible officers, either personally
98 or upon their official bonds, shall be held responsible for
99 actions contrary to this provision.

100 **SECTION 8.** Of the funds in Section 2 of this act, Two
101 Hundred Fifty Thousand Dollars (\$250,000.00) is provided from the
102 Animal Health Disaster Response Fund. These funds are provided
103 for expenses incurred by the Board of Animal Health in responding
104 to animal disease outbreaks as outlined in Section 69-15-21,
105 Mississippi Code of 1972.

106 **SECTION 9.** The money herein appropriated shall be paid by
107 the State Treasurer out of any money in the State Treasury to the
108 credit of the proper fund or funds as set forth in this act, upon
109 warrants issued by the State Fiscal Officer; and the State Fiscal
110 Officer shall issue his warrants upon requisitions signed by the
111 proper person, officer or officers in the manner provided by law.

112 **SECTION 10.** This act shall take effect and be in force from
113 and after July 1, 2025.
