Amend by striking all after the enacting clause and inserting in lieu thereof the following:

5 **SECTION 1.** The following sum, or so much thereof as may be
6 necessary, is authorized and approved for expenditure out of any
7 funds which are received by or otherwise become available to the
8 Pat Harrison Waterway District, for the purpose of defraying the
9 expenses of the district for the fiscal year beginning July 1,
10 2025, and ending June 30, 2026.....\$ 7,595,440.00.

11 **SECTION 2.** Of the funds approved for expenditure under the
12 provisions of Section 1, the following positions are authorized:

13 AUTHORIZED HEADCOUNT:

14 Permanent: 42

15 Time-Limited: 0

16 With the funds herein appropriated, it shall be the agency's
17 responsibility to make certain that funds required for Personal
18 Services for Fiscal Year 2027 do not exceed Fiscal Year 2026 funds
19 appropriated for that purpose unless programs or positions are
20 added to the agency's Fiscal Year 2026 budget by the Mississippi
21 Legislature. The Legislature shall determine the agency's

22 personal services appropriation, which the State Personnel Board
23 shall publish. The agency's personal services appropriation may
24 consist of restricted funds for approved vacancies for Fiscal Year

26 headcount. It shall be the agency's responsibility to ensure that
27 the funds provided for vacancies are used to increase headcount
28 and not for promotions, title changes, in-range salary adjustments
29 or any other mechanism for increasing salaries for current

40 State Personnel Board except for new hires determined to be
41 essential for the agency.

42 Any transfers or escalations shall be made in accordance with
43 the terms, conditions, and procedures established by law or
44 allowable under the terms set forth within this act. The State
45 Personnel Board shall not escalate positions without written
46 approval from the Department of Finance and Administration. The
47 Department of Finance and Administration shall not provide written

approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that the Pat Harrison Waterway District shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2025. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2027 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2026 budget request process.

SECTION 4. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind

74 shall be given preference. A similar preference shall be given to
75 the Mississippi Industries for the Blind whenever purchases are
76 made without competitive bids.

77 **SECTION 5.** The funds herein approved for expenditure, except
78 and less an amount approved by the State Fiscal Officer which
79 shall be sufficient to cover disbursements for current operations,
80 shall be deposited at interest with any official depository of the
81 state at a rate of interest numerically not less than one percent
82 (1%) below the bank discount rate on United States Treasury bills
83 of comparable maturity as determined by the State Treasurer.

84 **SECTION 6.** Of the funds appropriated in Section 1, Seven
85 Hundred Thousand Dollars (\$700,000.00) is authorized to be
86 expended to defray the cost of park facilities repairs only.
87 These repairs are to include bath houses and cabins and to exclude

112 Legislative Budget Committee a copy of this report with the

116 Section 27-104-25, Mississippi Code of 1972, that no state agency
117 shall incur obligations or indebtedness in excess of their
118 appropriation and that the responsible officers, either personally
119 or upon their official bonds, shall be held responsible for
120 actions contrary to this provision.

121 **SECTION 12.** The money herein approved for expenditure shall
122 be disbursed upon bank checks signed by the proper person, officer
