The time of such exemption shall be for a period not to exceed a total of ten (10) years which shall begin on the date of completion of the new enterprise for which the exemption is granted; however, boards of supervisors and municipal authorities, in lieu of granting the exemption for one (1) period of ten (10) years, may grant the exemption in a period of less than ten (10) years. When the initial exemption period granted is less than ten (10) years, the boards of supervisors and municipal authorities

157 may grant a subsequent consecutive period or periods to follow the
158 initial period of exemption, provided that the total of all
159 periods of exemption shall not exceed ten (10) years. The date of
160 completion of the new enterprise, from which the initial period of
161 exemption shall begin, shall be the date on which operations of

167 may grant a subsequent request for the exemption and, in such
168 case, the exemption shall begin on the anniversary date of
169 completion of the enterprise in the year in which the request is
170 made and may be for a period of time extending not more than ten
171 (10) years from the date of completion of the new enterprise. Any
172 subsequent request for the exemption must be made in writing by
173 June 1 of the year in which it is granted.

174 (2) Any board of supervisors or municipal authority which
175 has granted an exemption for a period of less than ten (10) years
176 may grant subsequent periods of exemption to run consecutively
177 with the initial exemption period, or a subsequently granted
178 exemption period, but in no case shall the total of the exemption
179 periods granted for a new enterprise exceed ten (10) years. Any
180 consecutive period of exemption shall be granted by entry of an
181 order by the board or the authority granting the consecutive

182 exemption on its minutes, reflecting the granting of the
183 consecutive exemption period and the dates upon which such
184 consecutive exemption period begins and expires. The entry of
185 this order granting the consecutive period of exemption shall be
186 made before the expiration of the exemption period immediately
187 preceding the consecutive exemption period being granted.

188 (3) (a) The new enterprises for which any or all of the

226 manufacture, maintenance or distribution for compensation of
227 devices, products, software or structures used in the above

If an exemption is granted pursuant to this section with respect to any leasehold interest under a lease, sublease or license of tangible property used in connection with, or necessary to, the operation of an enterprise enumerated in paragraph (a) of this subsection (3), the corresponding ownership interest of the owner, lessor and sublessor of such tangible property shall similarly and

255 automatically be exempt without any action being required to be
256 taken by such owner, lessor or sublessor.

257 (4) Any exemption from ad valorem taxes granted under this
258 section before March 28, 2019, and consistent herewith, is hereby
259 ratified, approved and confirmed.

261 **SECTION 8.** Section 27-31-104, Mississippi Code of 1972, is
262 amended as follows:

263 * * *

264 27-31-104. (1) (a) County boards of supervisors and
265 municipal authorities are each hereby authorized and empowered to
266 enter into an agreement with an enterprise granting, and pursuant
267 to such agreement grant a fee-in-lieu of ad valorem taxes,
268 including ad valorem taxes levied for school purposes, for the
269 following:

270 (i) Projects totaling over Sixty Million Dollars
271 (\$60,000,000.00) by any new enterprises enumerated in Section
272 27-31-101;

273 (ii) Projects by a private company (as such term
274 is defined in Section 57-61-5) having a minimum capital investment
275 of Sixty Million Dollars (\$60,000,000.00);

276 (iii) Through June 30, 2026, projects by a
277 qualified business (as such term is defined in Section 57-117-3)
278 meeting minimum criteria established by the Mississippi
279 Development Authority;

(iv) Projects, in addition to those projects referenced in Section 27-31-105, totaling over Sixty Million Dollars (\$60,000,000.00) by an existing enterprise that has been doing business in the county or municipality for twenty-four (24) months. For purposes of this subparagraph (iv), the term "existing enterprise" includes those enterprises enumerated in Section 27-31-101; or

(v) A private company (as such term is defined in Section 57-61-5) or entity defined in Section 77-3-3(d)(i) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00) from any source or combination of sources, provided that a majority of the capital investment is from private sources, when such project is located within a geographic area for which a Presidential Disaster Declaration was issued on or after January 1, 2014.

County boards of supervisors and municipal authorities may not enter into an agreement with an enterprise that is a medical cannabis establishment, as defined in the Mississippi Medical Cannabis Act, granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes.

(b) A fee-in-lieu of ad valorem taxes granted in accordance with this section may include any or all tangible property, real or personal, including any leasehold interests therein but excluding automobiles and trucks operating on and over the highways of the State of Mississippi, used in connection with,

305 or necessary to, the operation of any enterprise, private company
306 or business described in paragraph (a) of this subsection (1), as
307 applicable, whether or not such property is owned, leased,
308 subleased, licensed or otherwise obtained by such enterprise,
309 private company or business, as applicable, irrespective of the
310 taxpayer to which any such leased property is assessed for ad
311 valorem tax purposes. If a fee-in-lieu of ad valorem taxes is
312 granted pursuant to this section with respect to any leasehold
313 interest under a lease, sublease or license of tangible property
314 used in connection with, or necessary to, the operation of an
315 enterprise, private company or business described in paragraph (a)
316 of this subsection (1), as applicable, the corresponding ownership
317 interest of the owner, lessor and sublessor of such tangible
318 property shall similarly and automatically be exempt and subject
319 to the fee-in-lieu granted in accordance herewith without any
320 action being required to be taken by such owner, lessor or
321 sublessor.

322 (2) A county board of supervisors may enter into a
323 fee-in-lieu agreement on behalf of the county and any county
324 school district, and a municipality may enter into such a
325 fee-in-lieu agreement on behalf of the municipality and any
326 municipal school district located in the municipality; however, if
327 the project is located outside the limits of a municipality but
328 within the boundaries of the municipal school district, then the
329 county board of supervisors may enter into such a fee-in-lieu

330 agreement on behalf of the school district granting a fee-in-lieu
331 of ad valorem taxes for school district purposes.

332 (3) Any grant of a fee-in-lieu of ad valorem taxes shall be
333 evidenced by a written agreement negotiated by the enterprise and
334 the county board of supervisors and/or municipal authority, as the
335 case may be, and given final approval by the Mississippi
336 Development Authority as satisfying the requirements of this
337 section.

338 (4) The minimum sum allowable as a fee-in-lieu shall not be
339 less than one-third (1/3), or one-tenth (1/10) if the project is
340 also a project eligible for an ad valorem tax exemption under
341 Section 27-31-46 and a fee-in-lieu agreement is entered into
342 before July 1, 2026, of the ad valorem levy, including ad valorem
343 taxes for school district purposes, and except as otherwise
344 provided, the sum allowed shall be apportioned between the county
345 or municipality, as appropriate, and the school districts in such
346 amounts as may be determined by the county board of supervisors or
347 municipal governing authority, as the case may be, however, except
348 as otherwise provided in this section, from the sum allowed the
349 apportionment to school districts shall not be less than the
350 school districts' pro rata share based upon the proportion that
351 the millage imposed for the school districts by the appropriate
352 levying authority bears to the millage imposed by such levying
353 authority for all other county or municipal purposes. Any
354 fee-in-lieu agreement entered into under this section shall become

a binding obligation of the parties to the agreement, be effective upon its execution by the parties and approval by the Mississippi Development Authority and, except as otherwise provided in Section 17-25-23 or Section 57-75-33, or any other provision of law, continue in effect for a period not to exceed thirty (30) years commencing on the date that the fee-in-lieu granted thereunder begins in accordance with the agreement; however, no particular parcel of land, real property improvement or item of personal property shall be subject to a fee-in-lieu for a duration of more than ten (10) years. Any such agreement shall be binding, according to its terms, on future boards of supervisors of the county and/or governing authorities of a municipality, as the case may be, for the duration of the agreement.

(5) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or assessed value and shall not be less than one-third (1/3) of that amount or one-tenth (1/10) of that amount if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2026. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or (a)

one-third (1/3) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu or (b) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2026, one-tenth (1/10) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(6) Notwithstanding Section 27-31-111, the parties to a fee-in-lieu may agree on terms and conditions providing for the reduction, suspension, termination or reinstatement of a fee-in-lieu agreement or any fee-in-lieu period granted thereunder upon the cessation of operations by project for twelve (12) or more consecutive months or due to other conditions set forth in the agreement.

(7) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

(8) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the

405 project is located and apportion to the school district an amount
406 of the fee-in-lieu that is agreed upon in the negotiations
407 different than the amount provided for in subsection (3) of this
408 section.

409 (9) For a project as defined in Section 57-75-5(f)(xxviii),
410 the annual amount of the fee-in-lieu apportioned to the county
411 shall not be less than the amount necessary to pay the debt
412 service on bonds issued by the county pursuant to Section
413 57-75-37(3)(c).

414 (10) For any county and/or municipality that enters into a
415 fee-in-lieu agreement for a project as defined in Section
416 57-75-5(f)(xxxiii), the minimum sum allowable as a fee-in-lieu for
417 the project shall not be less than one-third (1/3); provided that
418 such allowed sum of each annual fee-in-lieu payment may be first
419 apportioned between the county or municipality, as appropriate,
420 and the school districts in any such amounts as may be determined
421 by the county board of supervisors or municipal governing
422 authority, as the case may be, to either (a) first allocate and
423 remit to the Mississippi Major Economic Impact Authority or the
424 Mississippi Development Authority, as applicable, such portion of
425 each annual fee-in-lieu payment to repay to the Mississippi Major
426 Economic Impact Authority or the Mississippi Development
427 Authority, as applicable, funds advanced thereby to such county
428 and/or municipality or to other public agency, as defined in
429 Section 57-75-37(7)(a)(ii), to fund public improvements and

related costs for the project pursuant to an agreement entered into in accordance with Section 57-75-37(7)(c)(iii); or (b) first allocate and remit to the enterprise owning and/or operating the project such portion of each annual fee-in-lieu payment payable thereto pursuant to an agreement entered into in accordance with Section 57-75-37(7)(d)(iv). The balance of any annual fee-in-lieu amount remaining after such initial allocation and remittance to the Mississippi Major Economic Impact Authority, Mississippi Development Authority or enterprise owning and/or operating the project, as applicable, shall then be apportioned in accordance with subsection (4) of this section or as otherwise authorized by state law.

(11) Any fee-in-lieu of ad valorem taxes granted under this section before March 28, 2019, and consistent herewith, is hereby ratified, approved and confirmed.
