added to the agency's Fiscal Year 2026 budget by the Mississippi
Legislature. The Legislature shall determine the agency's

51 the terms, conditions, and procedures established by law or
52 allowable under the terms set forth within this act. The State
53 Personnel Board shall not escalate positions without written
54 approval from the Department of Finance and Administration. The
55 Department of Finance and Administration shall not provide written
56 approval to escalate any funds for salaries and/or positions
57 without proof of availability of new or additional funds above the
58 appropriated level.

59 No general funds authorized to be expended herein shall be
60 used to replace federal funds and/or other special funds used for
61 salaries authorized under the provisions of this act and which are
62 withdrawn and no longer available.

63 None of the funds herein appropriated shall be used in
64 violation of the Internal Revenue Service's Publication 15-A
65 relating to the reporting of income paid to contract employees, as
66 interpreted by the Office of the State Auditor.

68 Department of Marine Resources shall maintain complete accounting
69 and personnel records related to the expenditure of all funds
70 appropriated under this act and that such records shall be in the
71 same format and level of detail as maintained for Fiscal Year
72 2025. It is further the intention of the Legislature that the
73 agency's budget request for Fiscal Year 2027 shall be submitted to
74 the Joint Legislative Budget Committee in a format and level of

SECTION 7. It is the intention of the Legislature that the department shall place any special trust funds appropriated to the department in a special trust fund and the interest earned on the principal shall be credited to the special trust fund. Monies in the fund at the end of the fiscal year shall be retained in the special trust fund for use in the next succeeding fiscal year. The department may use the interest earned on the fund to pay reasonable costs for administering the fund and related projects.
