5 **SECTION 1.** The following sum, or so much thereof as may be
6 necessary, is appropriated out of any money in the State General
7 Fund not otherwise appropriated, for the purpose of defraying the
8 expenses of the Mississippi Department of Insurance for the fiscal

15 or otherwise available to the department, for the support of the
16 various offices of the department for the fiscal year beginning
17 July 1, 2025, and ending June 30, 2026.....\$ 28,630,000.00.

SECTION 3. Of the funds appropriated under the provisions of this act, not more than the following amount of funds, with the exception of the provisions in this section, shall be expended only for "Personal Services," which includes "Vacancy Funding," for the following authorized number of employment headcount:

Special Funds:	\$ 0.00

Vacancy Funding:	\$ 619,005.00
Total Personal Services:	\$ 11,212,940.00

AUTHORIZED HEADCOUNT:

Permanent:	131
Time-Limited:	0

As used in this section, the term "Personal Services" shall mean funds provided under the major object of expenditure category Personal Services for Salaries, Wages, and Fringe Benefits. Funds in this category shall not be transferred to any other category.

It is the intention of the Legislature to ensure compliance with the Variable Compensation Plan, as outlined in Section 25-9-147, Mississippi Code of 1972. Payment from these funds shall

43 be in accordance with the Variable Compensation Plan promulgated
44 by the Mississippi State Personnel Board. It is the Legislature's
45 intention that no employee's salary falls below the minimum salary
46 established by the Mississippi State Personnel Board.

47 The State Personnel Board shall determine and publish the
48 projected annual cost of "Personal Services" based on monthly and
49 year-to-date payroll expenditures in compliance with the
50 provisions of this act.

51 With the funds herein appropriated, it shall be the agency's
52 responsibility to ensure that no single personnel action or
53 combination of personnel actions, when annualized, exceeds the
54 Fiscal Year 2026 appropriation for "Personal Services" with the
55 exception of escalated funds. Further, it shall be the agency's
56 responsibility to ensure that funds required to be appropriated
57 for "Personal Services" for Fiscal Year 2027 do not exceed Fiscal
58 Year 2026 funds appropriated for that purpose unless programs or
59 positions are added to the agency's Fiscal Year 2026 budget by the
60 Mississippi Legislature.

61 If, at the time the agency takes any action to change
62 "Personal Services," the State Personnel Board determines that the
63 agency has taken or will take an action that would cause the
64 agency to exceed the funds appropriated in this act when
65 annualized for Fiscal Year 2026 or increase the need for "Personal
66 Services" for Fiscal Year 2027, when annualized, the State
67 Personnel Board shall process no salary actions until such time as

68 the requirements of the provisions of this section are met with
69 the exception of new hires determined to be essential for the
70 agency.

71 When used in this section, "Vacancy Funding" shall mean funds
72 included in the Total Personal Services amount listed above and
73 designated for approved vacancies in Fiscal Year 2026. These funds
74 are to be utilized to increase the number of filled headcounts
75 that were authorized but unfilled as of the last day of Fiscal
76 Year 2025. If the agency fills additional headcounts after May 1,
77 2025, until the end of Fiscal Year 2025, the amount of available
78 Vacancy Funding may be proportionally reduced to reflect the
79 updated number of filled headcounts. The agency shall be
80 responsible for ensuring that "Vacancy Funding" is used to
81 increase headcounts and not for promotions, title changes,
82 in-range salary adjustments, or any other mechanism for increasing
83 salaries for current employees.

84 Any transfers or escalations shall be made in accordance with
85 the terms, conditions, and procedures established by law or
86 allowable under the terms set forth within this act. The State
87 Personnel Board shall not escalate positions without written
88 approval from the Department of Finance and Administration. The
89 Department of Finance and Administration shall not provide written
90 approval to escalate any funds for salaries and/or headcounts
91 without proof of availability of new or additional funds above the
92 appropriated level. Unless specifically noted, all Fiscal Year

2025 escalated headcounts have been accounted for and shall be converted to authorized time-limited headcounts.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

If the agency's total authorized headcount decreases from Fiscal Year 2025 to Fiscal Year 2026, it will be the agency's discretion as to what headcounts are removed.

SECTION 4. It is the intention of the Legislature that the Mississippi Department of Insurance shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2025. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2027 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2026 budget request process.

SECTION 5. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of
