HOUSE BILL NO. 1321

1 AN ACT TO AMEND SECTION 43-13-117, MISSISSIPPI CODE OF 1972,  
2 TO PROVIDE THAT THE STATE DEPARTMENT OF HEALTH SHALL ANNUALLY  
3 CERTIFY TO THE DIVISION OF MEDICAID THE AMOUNT OF FUNDS AVAILABLE  
4 FOR EARLY INTERVENTION SERVICES UNDER THE EARLY INTERVENTION ACT  
5 FOR INFANTS AND TODDLERS AND THE FEDERAL INDIVIDUALS WITH  
6 DISABILITIES EDUCATION ACT (IDEA), AND TO PRESCRIBE THE ADDITIONAL  
7 SPECIAL SERVICES AND SERVICE VENUES TO BE PROVIDED  
8 MEDICAID-ELIGIBLE CHILDREN UNDER THE EARLY INTERVENTION SYSTEM  
9 PROGRAM; AND FOR RELATED PURPOSES.

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

11 SECTION 1. Section 43-13-117, Mississippi Code of 1972, is  
12 amended as follows:

13 43-13-117. Medical assistance as authorized by this article  
14 shall include payment of part or all of the costs, at the  
15 discretion of the division or its successor, with approval of the  
16 Governor, of the following types of care and services rendered to  
17 eligible applicants who shall have been determined to be eligible  
18 for such care and services, within the limits of state  
19 appropriations and federal matching funds:

20 (1) Inpatient hospital services.

21 (a) The division shall allow thirty (30) days of  
22 inpatient hospital care annually for all Medicaid recipients;  
23 however, before any recipient will be allowed more than fifteen  
24 (15) days of inpatient hospital care in any one (1) year, he must  
25 obtain prior approval therefor from the division. The division  
26 shall be authorized to allow unlimited days in disproportionate  
27 hospitals as defined by the division for eligible infants under  
28 the age of six (6) years.

29 (b) From and after July 1, 1994, the Executive

30 Director of the Division of Medicaid shall amend the Mississippi  
31 Title XIX Inpatient Hospital Reimbursement Plan to remove the  
32 occupancy rate penalty from the calculation of the Medicaid  
33 Capital Cost Component utilized to determine total hospital costs  
34 allocated to the Medicaid program.

35 (2) Outpatient hospital services. Provided that where  
36 the same services are reimbursed as clinic services, the division  
37 may revise the rate or methodology of outpatient reimbursement to  
38 maintain consistency, efficiency, economy and quality of care.

39 (3) Laboratory and x-ray services.

40 (4) Nursing facility services.

41 (a) The division shall make full payment to  
42 nursing facilities for each day, not exceeding fifty-two (52) days  
43 per year, that a patient is absent from the facility on home  
44 leave. Payment may be made for the following home leave days in  
45 addition to the fifty-two-day limitation: Christmas, the day  
46 before Christmas, the day after Christmas, Thanksgiving, the day  
47 before Thanksgiving and the day after Thanksgiving. However,  
48 before payment may be made for more than eighteen (18) home leave  
49 days in a year for a patient, the patient must have written  
50 authorization from a physician stating that the patient is  
51 physically and mentally able to be away from the facility on home  
52 leave. Such authorization must be filed with the division before  
53 it will be effective and the authorization shall be effective for  
54 three (3) months from the date it is received by the division,  
55 unless it is revoked earlier by the physician because of a change  
56 in the condition of the patient.

57 (b) From and after July 1, 1993, the division  
58 shall implement the integrated case-mix payment and quality  
59 monitoring system developed pursuant to Section 43-13-122, which  
60 includes the fair rental system for property costs and in which  
61 recapture of depreciation is eliminated. The division may revise  
62 the reimbursement methodology for the case-mix payment system by

63 reducing payment for hospital leave and therapeutic home leave  
64 days to the lowest case-mix category for nursing facilities,  
65 modifying the current method of scoring residents so that only  
66 services provided at the nursing facility are considered in  
67 calculating a facility's per diem, and the division may limit  
68 administrative and operating costs, but in no case shall these  
69 costs be less than one hundred nine percent (109%) of the median  
70 administrative and operating costs for each class of facility, not  
71 to exceed the median used to calculate the nursing facility  
72 reimbursement for fiscal year 1996, to be applied uniformly to all  
73 long-term care facilities.

74 (c) From and after July 1, 1997, all state-owned  
75 nursing facilities shall be reimbursed on a full reasonable costs  
76 basis. From and after July 1, 1997, payments by the division to  
77 nursing facilities for return on equity capital shall be made at  
78 the rate paid under Medicare (Title XVIII of the Social Security  
79 Act), but shall be no less than seven and one-half percent (7.5%)  
80 nor greater than ten percent (10%).

81 (d) A Review Board for nursing facilities is  
82 established to conduct reviews of the Division of Medicaid's  
83 decision in the areas set forth below:

84 (i) Review shall be heard in the following  
85 areas:

86 (A) Matters relating to cost reports  
87 including, but not limited to, allowable costs and cost  
88 adjustments resulting from desk reviews and audits.

89 (B) Matters relating to the Minimum Data  
90 Set Plus (MDS +) or successor assessment formats including but not  
91 limited to audits, classifications and submissions.

92 (ii) The Review Board shall be composed of  
93 six (6) members, three (3) having expertise in one (1) of the two  
94 (2) areas set forth above and three (3) having expertise in the  
95 other area set forth above. Each panel of three (3) shall only

96 review appeals arising in its area of expertise. The members  
97 shall be appointed as follows:

98 (A) In each of the areas of expertise  
99 defined under subparagraphs (i)(A) and (i)(B), the Executive  
100 Director of the Division of Medicaid shall appoint one (1) person  
101 chosen from the private sector nursing home industry in the state,  
102 which may include independent accountants and consultants serving  
103 the industry;

104 (B) In each of the areas of expertise  
105 defined under subparagraphs (i)(A) and (i)(B), the Executive  
106 Director of the Division of Medicaid shall appoint one (1) person  
107 who is employed by the state who does not participate directly in  
108 desk reviews or audits of nursing facilities in the two (2) areas  
109 of review;

110 (C) The two (2) members appointed by the  
111 Executive Director of the Division of Medicaid in each area of  
112 expertise shall appoint a third member in the same area of  
113 expertise.

114 In the event of a conflict of interest on the part of any  
115 Review Board members, the Executive Director of the Division of  
116 Medicaid or the other two (2) panel members, as applicable, shall  
117 appoint a substitute member for conducting a specific review.

118 (iii) The Review Board panels shall have the  
119 power to preserve and enforce order during hearings; to issue  
120 subpoenas; to administer oaths; to compel attendance and testimony  
121 of witnesses; or to compel the production of books, papers,  
122 documents and other evidence; or the taking of depositions before  
123 any designated individual competent to administer oaths; to  
124 examine witnesses; and to do all things conformable to law that  
125 may be necessary to enable it effectively to discharge its duties.

126 The Review Board panels may appoint such person or persons as  
127 they shall deem proper to execute and return process in connection  
128 therewith.

129 (iv) The Review Board shall promulgate,  
130 publish and disseminate to nursing facility providers rules of  
131 procedure for the efficient conduct of proceedings, subject to the  
132 approval of the Executive Director of the Division of Medicaid and  
133 in accordance with federal and state administrative hearing laws  
134 and regulations.

135 (v) Proceedings of the Review Board shall be  
136 of record.

137 (vi) Appeals to the Review Board shall be in  
138 writing and shall set out the issues, a statement of alleged facts  
139 and reasons supporting the provider's position. Relevant  
140 documents may also be attached. The appeal shall be filed within  
141 thirty (30) days from the date the provider is notified of the  
142 action being appealed or, if informal review procedures are taken,  
143 as provided by administrative regulations of the Division of  
144 Medicaid, within thirty (30) days after a decision has been  
145 rendered through informal hearing procedures.

146 (vii) The provider shall be notified of the  
147 hearing date by certified mail within thirty (30) days from the  
148 date the Division of Medicaid receives the request for appeal.  
149 Notification of the hearing date shall in no event be less than  
150 thirty (30) days before the scheduled hearing date. The appeal  
151 may be heard on shorter notice by written agreement between the  
152 provider and the Division of Medicaid.

153 (viii) Within thirty (30) days from the date  
154 of the hearing, the Review Board panel shall render a written  
155 recommendation to the Executive Director of the Division of  
156 Medicaid setting forth the issues, findings of fact and applicable  
157 law, regulations or provisions.

158 (ix) The Executive Director of the Division  
159 of Medicaid shall, upon review of the recommendation, the  
160 proceedings and the record, prepare a written decision which shall  
161 be mailed to the nursing facility provider no later than twenty

162 (20) days after the submission of the recommendation by the panel.  
163 The decision of the executive director is final, subject only to  
164 judicial review.

165 (x) Appeals from a final decision shall be  
166 made to the Chancery Court of Hinds County. The appeal shall be  
167 filed with the court within thirty (30) days from the date the  
168 decision of the Executive Director of the Division of Medicaid  
169 becomes final.

170 (xi) The action of the Division of Medicaid  
171 under review shall be stayed until all administrative proceedings  
172 have been exhausted.

173 (xii) Appeals by nursing facility providers  
174 involving any issues other than those two (2) specified in  
175 subparagraphs (i)(A) and (i)(B) shall be taken in accordance with  
176 the administrative hearing procedures established by the Division  
177 of Medicaid.

178 (e) When a facility of a category that does not  
179 require a certificate of need for construction and that could not  
180 be eligible for Medicaid reimbursement is constructed to nursing  
181 facility specifications for licensure and certification, and the  
182 facility is subsequently converted to a nursing facility pursuant  
183 to a certificate of need that authorizes conversion only and the  
184 applicant for the certificate of need was assessed an application  
185 review fee based on capital expenditures incurred in constructing  
186 the facility, the division shall allow reimbursement for capital  
187 expenditures necessary for construction of the facility that were  
188 incurred within the twenty-four (24) consecutive calendar months  
189 immediately preceding the date that the certificate of need  
190 authorizing such conversion was issued, to the same extent that  
191 reimbursement would be allowed for construction of a new nursing  
192 facility pursuant to a certificate of need that authorizes such  
193 construction. The reimbursement authorized in this subparagraph  
194 (e) may be made only to facilities the construction of which was

195 completed after June 30, 1989. Before the division shall be  
196 authorized to make the reimbursement authorized in this  
197 subparagraph (e), the division first must have received approval  
198 from the Health Care Financing Administration of the United States  
199 Department of Health and Human Services of the change in the state  
200 Medicaid plan providing for such reimbursement.

201 (f) The division shall develop and implement a  
202 case-mix payment add-on determined by time studies and other valid  
203 statistical data which will reimburse a nursing facility for the  
204 additional cost of caring for a resident who has a diagnosis of  
205 Alzheimer's or other related dementia and exhibits symptoms that  
206 require special care. Any such case-mix add-on payment shall be  
207 supported by a determination of additional cost. The division  
208 shall also develop and implement as part of the fair rental  
209 reimbursement system for nursing facility beds, an Alzheimer's  
210 resident bed depreciation enhanced reimbursement system which will  
211 provide an incentive to encourage nursing facilities to convert or  
212 construct beds for residents with Alzheimer's or other related  
213 dementia.

214 (g) The Division of Medicaid shall develop and  
215 implement a referral process for long-term care alternatives for  
216 Medicaid beneficiaries and applicants. No Medicaid beneficiary  
217 shall be admitted to a Medicaid-certified nursing facility unless  
218 a licensed physician certifies that nursing facility care is  
219 appropriate for that person on a standardized form to be prepared  
220 and provided to nursing facilities by the Division of Medicaid.  
221 The physician shall forward a copy of that certification to the  
222 Division of Medicaid within twenty-four (24) hours after it is  
223 signed by the physician. Any physician who fails to forward the  
224 certification to the Division of Medicaid within the time period  
225 specified in this paragraph shall be ineligible for Medicaid  
226 reimbursement for any physician's services performed for the  
227 applicant. The Division of Medicaid shall determine, through an

228 assessment of the applicant conducted within two (2) business days  
229 after receipt of the physician's certification, whether the  
230 applicant also could live appropriately and cost-effectively at  
231 home or in some other community-based setting if home- or  
232 community-based services were available to the applicant. The  
233 time limitation prescribed in this paragraph shall be waived in  
234 cases of emergency. If the Division of Medicaid determines that a  
235 home- or other community-based setting is appropriate and  
236 cost-effective, the division shall:

237                   (i) Advise the applicant or the applicant's  
238 legal representative that a home- or other community-based setting  
239 is appropriate;

240                   (ii) Provide a proposed care plan and inform  
241 the applicant or the applicant's legal representative regarding  
242 the degree to which the services in the care plan are available in  
243 a home- or in other community-based setting rather than nursing  
244 facility care; and

245                   (iii) Explain that such plan and services are  
246 available only if the applicant or the applicant's legal  
247 representative chooses a home- or community-based alternative to  
248 nursing facility care, and that the applicant is free to choose  
249 nursing facility care.

250           The Division of Medicaid may provide the services described  
251 in this paragraph (g) directly or through contract with case  
252 managers from the local Area Agencies on Aging, and shall  
253 coordinate long-term care alternatives to avoid duplication with  
254 hospital discharge planning procedures.

255           Placement in a nursing facility may not be denied by the  
256 division if home- or community-based services that would be more  
257 appropriate than nursing facility care are not actually available,  
258 or if the applicant chooses not to receive the appropriate home-  
259 or community-based services.

260           The division shall provide an opportunity for a fair hearing

261 under federal regulations to any applicant who is not given the  
262 choice of home- or community-based services as an alternative to  
263 institutional care.

264 The division shall make full payment for long-term care  
265 alternative services.

266 The division shall apply for necessary federal waivers to  
267 assure that additional services providing alternatives to nursing  
268 facility care are made available to applicants for nursing  
269 facility care.

270 (5) Periodic screening and diagnostic services for  
271 individuals under age twenty-one (21) years as are needed to  
272 identify physical and mental defects and to provide health care  
273 treatment and other measures designed to correct or ameliorate  
274 defects and physical and mental illness and conditions discovered  
275 by the screening services regardless of whether these services are  
276 included in the state plan. The division may include in its  
277 periodic screening and diagnostic program those discretionary  
278 services authorized under the federal regulations adopted to  
279 implement Title XIX of the federal Social Security Act, as  
280 amended. The division, in obtaining physical therapy services,  
281 occupational therapy services, and services for individuals with  
282 speech, hearing and language disorders, may enter into a  
283 cooperative agreement with the State Department of Education for  
284 the provision of such services to handicapped students by public  
285 school districts using state funds which are provided from the  
286 appropriation to the Department of Education to obtain federal  
287 matching funds through the division. The division, in obtaining  
288 medical and psychological evaluations for children in the custody  
289 of the State Department of Human Services may enter into a  
290 cooperative agreement with the State Department of Human Services  
291 for the provision of such services using state funds which are  
292 provided from the appropriation to the Department of Human  
293 Services to obtain federal matching funds through the division.

294           On July 1, 1993, all fees for periodic screening and  
295 diagnostic services under this paragraph (5) shall be increased by  
296 twenty-five percent (25%) of the reimbursement rate in effect on  
297 June 30, 1993.

298           (6) Physician's services. All fees for physicians'  
299 services that are covered only by Medicaid shall be reimbursed at  
300 ninety percent (90%) of the rate established on January 1, 1999,  
301 and as adjusted each January thereafter, under Medicare (Title  
302 XVIII of the Social Security Act), as amended, and which shall in  
303 no event be less than seventy percent (70%) of the rate  
304 established on January 1, 1994. All fees for physicians' services  
305 that are covered by both Medicare and Medicaid shall be reimbursed  
306 at ten percent (10%) of the adjusted Medicare payment established  
307 on January 1, 1999, and as adjusted each January thereafter, under  
308 Medicare (Title XVIII of the Social Security Act), as amended, and  
309 which shall in no event be less than seven percent (7%) of the  
310 adjusted Medicare payment established on January 1, 1994.

311           (7) (a) Home health services for eligible persons, not  
312 to exceed in cost the prevailing cost of nursing facility  
313 services, not to exceed sixty (60) visits per year.

314           (b) Repealed.

315           (8) Emergency medical transportation services. On  
316 January 1, 1994, emergency medical transportation services shall  
317 be reimbursed at seventy percent (70%) of the rate established  
318 under Medicare (Title XVIII of the Social Security Act), as  
319 amended. "Emergency medical transportation services" shall mean,  
320 but shall not be limited to, the following services by a properly  
321 permitted ambulance operated by a properly licensed provider in  
322 accordance with the Emergency Medical Services Act of 1974  
323 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced  
324 life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids,  
325 (vi) disposable supplies, (vii) similar services.

326           (9) Legend and other drugs as may be determined by the

327 division. The division may implement a program of prior approval  
328 for drugs to the extent permitted by law. Payment by the division  
329 for covered multiple source drugs shall be limited to the lower of  
330 the upper limits established and published by the Health Care  
331 Financing Administration (HCFA) plus a dispensing fee of Four  
332 Dollars and Ninety-one Cents (\$4.91), or the estimated acquisition  
333 cost (EAC) as determined by the division plus a dispensing fee of  
334 Four Dollars and Ninety-one Cents (\$4.91), or the providers' usual  
335 and customary charge to the general public. The division shall  
336 allow five (5) prescriptions per month for noninstitutionalized  
337 Medicaid recipients; however, exceptions for up to ten (10)  
338 prescriptions per month shall be allowed, with the approval of the  
339 director.

340 Payment for other covered drugs, other than multiple source  
341 drugs with HCFA upper limits, shall not exceed the lower of the  
342 estimated acquisition cost as determined by the division plus a  
343 dispensing fee of Four Dollars and Ninety-one Cents (\$4.91) or the  
344 providers' usual and customary charge to the general public.

345 Payment for nonlegend or over-the-counter drugs covered on  
346 the division's formulary shall be reimbursed at the lower of the  
347 division's estimated shelf price or the providers' usual and  
348 customary charge to the general public. No dispensing fee shall  
349 be paid.

350 The division shall develop and implement a program of payment  
351 for additional pharmacist services, with payment to be based on  
352 demonstrated savings, but in no case shall the total payment  
353 exceed twice the amount of the dispensing fee.

354 As used in this paragraph (9), "estimated acquisition cost"  
355 means the division's best estimate of what price providers  
356 generally are paying for a drug in the package size that providers  
357 buy most frequently. Product selection shall be made in  
358 compliance with existing state law; however, the division may  
359 reimburse as if the prescription had been filled under the generic

360 name. The division may provide otherwise in the case of specified  
361 drugs when the consensus of competent medical advice is that  
362 trademarked drugs are substantially more effective.

363 (10) Dental care that is an adjunct to treatment of an  
364 acute medical or surgical condition; services of oral surgeons and  
365 dentists in connection with surgery related to the jaw or any  
366 structure contiguous to the jaw or the reduction of any fracture  
367 of the jaw or any facial bone; and emergency dental extractions  
368 and treatment related thereto. On July 1, 1999, all fees for  
369 dental care and surgery under authority of this paragraph (10)  
370 shall be increased to one hundred sixty percent (160%) of the  
371 amount of the reimbursement rate that was in effect on June 30,  
372 1999. It is the intent of the Legislature to encourage more  
373 dentists to participate in the Medicaid program.

374 (11) Eyeglasses necessitated by reason of eye surgery,  
375 and as prescribed by a physician skilled in diseases of the eye or  
376 an optometrist, whichever the patient may select.

377 (12) Intermediate care facility services.

378 (a) The division shall make full payment to all  
379 intermediate care facilities for the mentally retarded for each  
380 day, not exceeding eighty-four (84) days per year, that a patient  
381 is absent from the facility on home leave. Payment may be made  
382 for the following home leave days in addition to the  
383 eighty-four-day limitation: Christmas, the day before Christmas,  
384 the day after Christmas, Thanksgiving, the day before Thanksgiving  
385 and the day after Thanksgiving. However, before payment may be  
386 made for more than eighteen (18) home leave days in a year for a  
387 patient, the patient must have written authorization from a  
388 physician stating that the patient is physically and mentally able  
389 to be away from the facility on home leave. Such authorization  
390 must be filed with the division before it will be effective, and  
391 the authorization shall be effective for three (3) months from the  
392 date it is received by the division, unless it is revoked earlier

393 by the physician because of a change in the condition of the  
394 patient.

395 (b) All state-owned intermediate care facilities  
396 for the mentally retarded shall be reimbursed on a full reasonable  
397 cost basis.

398 (13) Family planning services, including drugs,  
399 supplies and devices, when such services are under the supervision  
400 of a physician.

401 (14) Clinic services. Such diagnostic, preventive,  
402 therapeutic, rehabilitative or palliative services furnished to an  
403 outpatient by or under the supervision of a physician or dentist  
404 in a facility which is not a part of a hospital but which is  
405 organized and operated to provide medical care to outpatients.  
406 Clinic services shall include any services reimbursed as  
407 outpatient hospital services which may be rendered in such a  
408 facility, including those that become so after July 1, 1991. On  
409 July 1, 1999, all fees for physicians' services reimbursed under  
410 authority of this paragraph (14) shall be reimbursed at ninety  
411 percent (90%) of the rate established on January 1, 1999, and as  
412 adjusted each January thereafter, under Medicare (Title XVIII of  
413 the Social Security Act), as amended, and which shall in no event  
414 be less than seventy percent (70%) of the rate established on  
415 January 1, 1994. All fees for physicians' services that are  
416 covered by both Medicare and Medicaid shall be reimbursed at ten  
417 percent (10%) of the adjusted Medicare payment established on  
418 January 1, 1999, and as adjusted each January thereafter, under  
419 Medicare (Title XVIII of the Social Security Act), as amended, and  
420 which shall in no event be less than seven percent (7%) of the  
421 adjusted Medicare payment established on January 1, 1994. On July  
422 1, 1999, all fees for dentists' services reimbursed under  
423 authority of this paragraph (14) shall be increased to one hundred  
424 sixty percent (160%) of the amount of the reimbursement rate that  
425 was in effect on June 30, 1999.

426           (15) Home- and community-based services, as provided  
427 under Title XIX of the federal Social Security Act, as amended,  
428 under waivers, subject to the availability of funds specifically  
429 appropriated therefor by the Legislature. Payment for such  
430 services shall be limited to individuals who would be eligible for  
431 and would otherwise require the level of care provided in a  
432 nursing facility. The home- and community-based services
