SENATE BILL NO. 2796

1 AN ACT TO AMEND SECTION 43-13-117, MISSISSIPPI CODE OF 1972,
2 TO DELETE THE AGE RESTRICTION ON THE ELIGIBILITY FOR MEDICAID
3 REIMBURSEMENT FOR PERIODIC SCREENING AND DIAGNOSTIC SERVICES FOR
4 INDIVIDUALS WITH CERTAIN PHYSICAL AND MENTAL DISORDERS; AND FOR
5 RELATED PURPOSES.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

7 SECTION 1. Section 43-13-117, Mississippi Code of 1972, is
8 amended as follows:[RDD1]

9 43-13-117. Medical assistance as authorized by this article
10 shall include payment of part or all of the costs, at the
11 discretion of the division or its successor, with approval of the
12 Governor, of the following types of care and services rendered to
13 eligible applicants who shall have been determined to be eligible
14 for such care and services, within the limits of state
15 appropriations and federal matching funds:

16 (1) Inpatient hospital services.

17 (a) The division shall allow thirty (30) days of
18 inpatient hospital care annually for all Medicaid recipients;
19 however, before any recipient will be allowed more than fifteen
20 (15) days of inpatient hospital care in any one (1) year, he must
21 obtain prior approval therefor from the division. The division
22 shall be authorized to allow unlimited days in disproportionate
23 hospitals as defined by the division for eligible infants under
24 the age of six (6) years.

25 (b) From and after July 1, 1994, the Executive
26 Director of the Division of Medicaid shall amend the Mississippi
27 Title XIX Inpatient Hospital Reimbursement Plan to remove the

28 occupancy rate penalty from the calculation of the Medicaid
29 Capital Cost Component utilized to determine total hospital costs
30 allocated to the Medicaid Program.

31 (2) Outpatient hospital services. Provided that where
32 the same services are reimbursed as clinic services, the division
33 may revise the rate or methodology of outpatient reimbursement to
34 maintain consistency, efficiency, economy and quality of care.

35 (3) Laboratory and x-ray services.

36 (4) Nursing facility services.

37 (a) The division shall make full payment to
38 nursing facilities for each day, not exceeding fifty-two (52) days
39 per year, that a patient is absent from the facility on home
40 leave. Payment may be made for the following home leave days in
41 addition to the 52-day limitation: Christmas, the day before
42 Christmas, the day after Christmas, Thanksgiving, the day before
43 Thanksgiving and the day after Thanksgiving. However, before
44 payment may be made for more than eighteen (18) home leave days in
45 a year for a patient, the patient must have written authorization
46 from a physician stating that the patient is physically and
47 mentally able to be away from the facility on home leave. Such
48 authorization must be filed with the division before it will be
49 effective and the authorization shall be effective for three (3)
50 months from the date it is received by the division, unless it is
51 revoked earlier by the physician because of a change in the
52 condition of the patient.

53 (b) From and after July 1, 1993, the division
54 shall implement the integrated case-mix payment and quality
55 monitoring system developed pursuant to Section 43-13-122, which
56 includes the fair rental system for property costs and in which
57 recapture of depreciation is eliminated. The division may revise
58 the reimbursement methodology for the case-mix payment system by
59 reducing payment for hospital leave and therapeutic home leave
60 days to the lowest case-mix category for nursing facilities,
61 modifying the current method of scoring residents so that only
62 services provided at the nursing facility are considered in
63 calculating a facility's per diem, and the division may limit
64 administrative and operating costs, but in no case shall these

65 costs be less than one hundred nine percent (109%) of the median
66 administrative and operating costs for each class of facility, not
67 to exceed the median used to calculate the nursing facility
68 reimbursement for fiscal year 1996, to be applied uniformly to all
69 long-term care facilities.

70 (c) From and after July 1, 1997, all state-owned
71 nursing facilities shall be reimbursed on a full reasonable costs
72 basis. From and after July 1, 1997, payments by the division to
73 nursing facilities for return on equity capital shall be made at
74 the rate paid under Medicare (Title XVIII of the Social Security
75 Act), but shall be no less than seven and one-half percent (7.5%)
76 nor greater than ten percent (10%).

77 (d) A Review Board for nursing facilities is
78 established to conduct reviews of the Division of Medicaid's
79 decision in the areas set forth below:

80 (i) Review shall be heard in the following
81 areas:

82 (A) Matters relating to cost reports
83 including, but not limited to, allowable costs and cost
84 adjustments resulting from desk reviews and audits.

85 (B) Matters relating to the Minimum Data
86 Set Plus (MDS +) or successor assessment formats including but not
87 limited to audits, classifications and submissions.

88 (ii) The Review Board shall be composed of
89 six (6) members, three (3) having expertise in one (1) of the two
90 (2) areas set forth above and three (3) having expertise in the
91 other area set forth above. Each panel of three (3) shall only
92 review appeals arising in its area of expertise. The members
93 shall be appointed as follows:

94 (A) In each of the areas of expertise
95 defined under subparagraphs (i)(A) and (i)(B), the Executive
96 Director of the Division of Medicaid shall appoint one (1) person
97 chosen from the private sector nursing home industry in the state,

98 which may include independent accountants and consultants serving
99 the industry;

100 (B) In each of the areas of expertise
101 defined under subparagraphs (i)(A) and (i)(B), the Executive
102 Director of the Division of Medicaid shall appoint one (1) person
103 who is employed by the state who does not participate directly in
104 desk reviews or audits of nursing facilities in the two (2) areas
105 of review;

106 (C) The two (2) members appointed by the
107 Executive Director of the Division of Medicaid in each area of
108 expertise shall appoint a third member in the same area of
109 expertise.

110 In the event of a conflict of interest on the part of any
111 Review Board members, the Executive Director of the Division of
112 Medicaid or the other two (2) panel members, as applicable, shall
113 appoint a substitute member for conducting a specific review.

114 (iii) The Review Board panels shall have the
115 power to preserve and enforce order during hearings; to issue
116 subpoenas; to administer oaths; to compel attendance and testimony
117 of witnesses; or to compel the production of books, papers,
118 documents and other evidence; or the taking of depositions before
119 any designated individual competent to administer oaths; to
120 examine witnesses; and to do all things conformable to law that
121 may be necessary to enable it effectively to discharge its duties.

122 The Review Board panels may appoint such person or persons as
123 they shall deem proper to execute and return process in connection
124 therewith.

125 (iv) The Review Board shall promulgate,
126 publish and disseminate to nursing facility providers rules of
127 procedure for the efficient conduct of proceedings, subject to the
128 approval of the Executive Director of the Division of Medicaid and
129 in accordance with federal and state administrative hearing laws
130 and regulations.

131 (v) Proceedings of the Review Board shall be
132 of record.

133 (vi) Appeals to the Review Board shall be in
134 writing and shall set out the issues, a statement of alleged facts
135 and reasons supporting the provider's position. Relevant
136 documents may also be attached. The appeal shall be filed within
137 thirty (30) days from the date the provider is notified of the
138 action being appealed or, if informal review procedures are taken,
139 as provided by administrative regulations of the Division of
140 Medicaid, within thirty (30) days after a decision has been
141 rendered through informal hearing procedures.

142 (vii) The provider shall be notified of the
143 hearing date by certified mail within thirty (30) days from the
144 date the Division of Medicaid receives the request for appeal.
145 Notification of the hearing date shall in no event be less than
146 thirty (30) days before the scheduled hearing date. The appeal
147 may be heard on shorter notice by written agreement between the
148 provider and the Division of Medicaid.

149 (viii) Within thirty (30) days from the date
150 of the hearing, the Review Board panel shall render a written
151 recommendation to the Executive Director of the Division of
152 Medicaid setting forth the issues, findings of fact and applicable
153 law, regulations or provisions.

154 (ix) The Executive Director of the Division
155 of Medicaid shall, upon review of the recommendation, the
156 proceedings and the record, prepare a written decision which shall
157 be mailed to the nursing facility provider no later than twenty
158 (20) days after the submission of the recommendation by the panel.
159 The decision of the executive director is final, subject only to
160 judicial review.

161 (x) Appeals from a final decision shall be
162 made to the Chancery Court of Hinds County. The appeal shall be
163 filed with the court within thirty (30) days from the date the

164 decision of the Executive Director of the Division of Medicaid
165 becomes final.

166 (xi) The action of the Division of Medicaid
167 under review shall be stayed until all administrative proceedings
168 have been exhausted.

169 (xii) Appeals by nursing facility providers
170 involving any issues other than those two (2) specified in
171 subparagraphs (i)(A) and (ii)(B) shall be taken in accordance with
172 the administrative hearing procedures established by the Division
173 of Medicaid.

174 (e) When a facility of a category that does not
175 require a certificate of need for construction and that could not
176 be eligible for Medicaid reimbursement is constructed to nursing
177 facility specifications for licensure and certification, and the
178 facility is subsequently converted to a nursing facility pursuant
179 to a certificate of need that authorizes conversion only and the
180 applicant for the certificate of need was assessed an application
181 review fee based on capital expenditures incurred in constructing
182 the facility, the division shall allow reimbursement for capital
183 expenditures necessary for construction of the facility that were
184 incurred within the twenty-four (24) consecutive calendar months
185 immediately preceding the date that the certificate of need
186 authorizing such conversion was issued, to the same extent that
187 reimbursement would be allowed for construction of a new nursing
188 facility pursuant to a certificate of need that authorizes such
189 construction. The reimbursement authorized in this subparagraph
190 (e) may be made only to facilities the construction of which was
191 completed after June 30, 1989. Before the division shall be
192 authorized to make the reimbursement authorized in this
193 subparagraph (e), the division first must have received approval
194 from the Health Care Financing Administration of the United States
195 Department of Health and Human Services of the change in the state
196 Medicaid plan providing for such reimbursement.

197 (f) The division shall develop and implement a
198 case-mix payment add-on determined by time studies and other valid
199 statistical data which will reimburse a nursing facility for the
200 additional cost of caring for a resident who has a diagnosis of
201 Alzheimer's or other related dementia and exhibits symptoms that
202 require special care. Any such case-mix add-on payment shall be
203 supported by a determination of additional cost. The division
204 shall also develop and implement as part of the fair rental
205 reimbursement system for nursing facility beds, an Alzheimer's
206 resident bed depreciation enhanced reimbursement system which will
207 provide an incentive to encourage nursing facilities to convert or
208 construct beds for residents with Alzheimer's or other related
209 dementia.

210 (g) The Division of Medicaid shall develop and
211 implement a referral process for long-term care alternatives for
212 Medicaid beneficiaries and applicants. No Medicaid beneficiary
213 shall be admitted to a Medicaid-certified nursing facility unless
214 a licensed physician certifies that nursing facility care is
215 appropriate for that person on a standardized form to be prepared
216 and provided to nursing facilities by the Division of Medicaid.
217 The physician shall forward a copy of that certification to the
218 Division of Medicaid within twenty-four (24) hours after it is
219 signed by the physician. Any physician who fails to forward the
220 certification to the Division of Medicaid within the time period
221 specified in this paragraph shall be ineligible for Medicaid
222 reimbursement for any physician's services performed for the
223 applicant. The Division of Medicaid shall determine, through an
224 assessment of the applicant conducted within two (2) business days
225 after receipt of the physician's certification, whether the
226 applicant also could live appropriately and cost-effectively at
227 home or in some other community-based setting if home- or
228 community-based services were available to the applicant. The
229 time limitation prescribed in this paragraph shall be waived in

230 cases of emergency. If the Division of Medicaid determines that a
231 home- or other community-based setting is appropriate and
232 cost-effective, the division shall:

233 (i) Advise the applicant or the applicant's
234 legal representative that a home- or other community-based setting
235 is appropriate;

236 (ii) Provide a proposed care plan and inform
237 the applicant or the applicant's legal representative regarding
238 the degree to which the services in the care plan are available in
239 a home- or in other community-based setting rather than nursing
240 facility care; and

241 (iii) Explain that such plan and services are
242 available only if the applicant or the applicant's legal
243 representative chooses a home- or community-based alternative to
244 nursing facility care, and that the applicant is free to choose
245 nursing facility care.

246 The Division of Medicaid may provide the services described
247 in this paragraph (g) directly or through contract with case
248 managers from the local Area Agencies on Aging, and shall
249 coordinate long-term care alternatives to avoid duplication with
250 hospital discharge planning procedures.

251 Placement in a nursing facility may not be denied by the
252 division if home- or community-based services that would be more
253 appropriate than nursing facility care are not actually available,
254 or if the applicant chooses not to receive the appropriate home-
255 or community-based services.

256 The division shall provide an opportunity for a fair hearing
257 under federal regulations to any applicant who is not given the
258 choice of home- or community-based services as an alternative to
259 institutional care.

260 The division shall make full payment for long-term care
261 alternative services.

262 The division shall apply for necessary federal waivers to

263 assure that additional services providing alternatives to nursing
264 facility care are made available to applicants for nursing
265 facility care.

266 (5) Periodic screening and diagnostic services for
267 individuals * * * as are needed to identify physical and mental
268 defects and to provide health care treatment and other measures
269 designed to correct or ameliorate defects and physical and mental
270 illness and conditions discovered by the screening services
271 regardless of whether these services are included in the state
272 plan. The division may include in its periodic screening and
273 diagnostic program those discretionary services authorized under
274 the federal regulations adopted to implement Title XIX of the
275 federal Social Security Act, as amended. The division, in
276 obtaining physical therapy services, occupational therapy
277 services, and services for individuals with speech, hearing and
278 language disorders, may enter into a cooperative agreement with
279 the State Department of Education for the provision of such
280 services to handicapped students by public school districts using
281 state funds which are provided from the appropriation to the
282 Department of Education to obtain federal matching funds through
283 the division. The division, in obtaining medical and
284 psychological evaluations for children in the custody of the State
285 Department of Human Services may enter into a cooperative
286 agreement with the State Department of Human Services for the
287 provision of such services using state funds which are provided
288 from the appropriation to the Department of Human Services to
289 obtain federal matching funds through the division.

290 On July 1, 1993, all fees for periodic screening and
291 diagnostic services under this paragraph (5) shall be increased by
292 twenty-five percent (25%) of the reimbursement rate in effect on
293 June 30, 1993.

294 (6) Physician's services. All fees for physicians'
295 services that are covered only by Medicaid shall be reimbursed at

296 ninety percent (90%) of the rate established on January 1, 1999,
297 and as adjusted each January thereafter, under Medicare (Title
298 XVIII of the Social Security Act), as amended, and which shall in
299 no event be less than seventy percent (70%) of the rate
300 established on January 1, 1994. All fees for physicians' services
301 that are covered by both Medicare and Medicaid shall be reimbursed
302 at ten percent (10%) of the adjusted Medicare payment established
303 on January 1, 1999, and as adjusted each January thereafter, under
304 Medicare (Title XVIII of the Social Security Act), as amended, and
305 which shall in no event be less than seven percent (7%) of the
306 adjusted Medicare payment established on January 1, 1994.

307 (7) (a) Home health services for eligible persons, not
308 to exceed in cost the prevailing cost of nursing facility
309 services, not to exceed sixty (60) visits per year.

310 (b) Repealed.

311 (8) Emergency medical transportation services. On
312 January 1, 1994, emergency medical transportation services shall
313 be reimbursed at seventy percent (70%) of the rate established
314 under Medicare (Title XVIII of the Social Security Act), as
315 amended. "Emergency medical transportation services" shall mean,
316 but shall not be limited to, the following services by a properly
317 permitted ambulance operated by a properly licensed provider in
318 accordance with the Emergency Medical Services Act of 1974
319 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced
320 life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids,
321 (vi) disposable supplies, (vii) similar services.

322 (9) Legend and other drugs as may be determined by the
323 division. The division may implement a program of prior approval
324 for drugs to the extent permitted by law. Payment by the division
325 for covered multiple source drugs shall be limited to the lower of
326 the upper limits established and published by the Health Care
327 Financing Administration (HCFA) plus a dispensing fee of Four
328 Dollars and Ninety-one Cents (\$4.91), or the estimated acquisition

329 cost (EAC) as determined by the division plus a dispensing fee of
330 Four Dollars and Ninety-one Cents (\$4.91), or the providers' usual
331 and customary charge to the general public. The division shall
332 allow five (5) prescriptions per month for noninstitutionalized
333 Medicaid recipients; however, exceptions for up to ten (10)
334 prescriptions per month shall be allowed, with the approval of the
335 director.

336 Payment for other covered drugs, other than multiple source
337 drugs with HCFA upper limits, shall not exceed the lower of the
338 estimated acquisition cost as determined by the division plus a
339 dispensing fee of Four Dollars and Ninety-one Cents (\$4.91) or the
340 providers' usual and customary charge to the general public.

341 Payment for nonlegend or over-the-counter drugs covered on
342 the division's formulary shall be reimbursed at the lower of the
343 division's estimated shelf price or the providers' usual and
344 customary charge to the general public. No dispensing fee shall
345 be paid.

346 The division shall develop and implement a program of payment
347 for additional pharmacist services, with payment to be based on
348 demonstrated savings, but in no case shall the total payment
349 exceed twice the amount of the dispensing fee.

350 As used in this paragraph (9), "estimated acquisition cost"
351 means the division's best estimate of what price providers
352 generally are paying for a drug in the package size that providers
353 buy most frequently. Product selection shall be made in
354 compliance with existing state law; however, the division may
355 reimburse as if the prescription had been filled under the generic
356 name. The division may provide otherwise in the case of specified
357 drugs when the consensus of competent medical advice is that
358 trademarked drugs are substantially more effective.

359 (10) Dental care that is an adjunct to treatment of an
360 acute medical or surgical condition; services of oral surgeons and
361 dentists in connection with surgery related to the jaw or any

362 structure contiguous to the jaw or the reduction of any fracture
363 of the jaw or any facial bone; and emergency dental extractions
364 and treatment related thereto. On July 1, 1999, all fees for
365 dental care and surgery under authority of this paragraph (10)
366 shall be increased to one hundred sixty percent (160%) of the
367 amount of the reimbursement rate that was in effect on June 30,
368 1999. It is the intent of the Legislature to encourage more
369 dentists to participate in the Medicaid program.

370 (11) Eyeglasses necessitated by reason of eye surgery,
371 and as prescribed by a physician skilled in diseases of the eye or
372 an optometrist, whichever the patient may select.

373 (12) Intermediate care facility services.

374 (a) The division shall make full payment to all
375 intermediate care facilities for the mentally retarded for each
376 day, not exceeding eighty-four (84) days per year, that a patient
377 is absent from the facility on home leave. Payment may be made
378 for the following home leave days in addition to the 84-day
379 limitation: Christmas, the day before Christmas, the day after
380 Christmas, Thanksgiving, the day before Thanksgiving and the day
381 after Thanksgiving. However, before payment may be made for more
382 than eighteen (18) home leave days in a year for a patient, the
383 patient must have written authorization from a physician stating
384 that the patient is physically and mentally able to be away from
385 the facility on home leave. Such authorization must be filed with
386 the division before it will be effective, and the authorization
387 shall be effective for three (3) months from the date it is
388 received by the division, unless it is revoked earlier by the
389 physician because of a change in the condition of the patient.

390 (b) All state-owned intermediate care facilities
391 for the mentally retarded shall be reimbursed on a full reasonable
392 cost basis.

393 (13) Family planning services, including drugs,
394 supplies and devices, when such services are under the supervision

395 of a physician.

396 (14) Clinic services. Such diagnostic, preventive,
397 therapeutic, rehabilitative or palliative services furnished to an
398 outpatient by or under the supervision of a physician or dentist
399 in a facility which is not a part of a hospital but which is
400 organized and operated to provide medical care to outpatients.
401 Clinic services shall include any services reimbursed as
402 outpatient hospital services which may be rendered in such a
403 facility, including those that become so after July 1, 1991. On
404 July 1, 1999, all fees for physicians' services reimbursed under
405 authority of this paragraph (14) shall be reimbursed at ninety
406 percent (90%) of the rate established on January 1, 1999, and as
407 adjusted each January thereafter, under Medicare (Title XVIII of
408 the Social Security Act), as amended, and which shall in no event
409 be less than seventy percent (70%) of the rate established on
410 January 1, 1994. All fees for physicians' services that are
411 covered by both Medicare and Medicaid shall be reimbursed at ten
412 percent (10%) of the adjusted Medicare payment established on
413 January 1, 1999, and as adjusted each January thereafter, under
414 Medicare (Title XVIII of the Social Security Act), as amended, and
415 which shall in no event be less than seven percent (7%) of the
416 adjusted Medicare payment established on January 1, 1994. On July
417 1, 1999, all fees for dentists' services reimbursed under
418 authority of this paragraph (14) shall be increased to one hundred
419 sixty percent (160%) of the amount of the reimbursement rate that
420 was in effect on June 30, 1999.

421 (15) Home- and community-based services, as provided
422 under Title XIX of the federal Social Security Act, as amended,
423 under waivers, subject to the availability of funds specifically
424 appropriated therefor by the Legislature. Payment for such
425 services shall be limited to individuals who would be eligible for
426 and would otherwise require the level of care provided in a
427 nursing facility. The home- and community-based services

428 authorized under this paragraph shall be expanded over a five-year
429 period beginning July 1, 1999. The division shall certify case
430 management agencies to provide case management services and
431 provide for home- and community-based services for eligible
432 individuals under this paragraph. The home- and community-based
433 services under this paragraph and the activities performed by
434 certified case management agencies under this paragraph shall be
435 funded using state funds that are provided from the appropriation
436 to the Division of Medicaid and used to match federal funds.

437 (16) Mental health services. Approved therapeutic and
438 case management services provided by (a) an approved regional
439 mental health/retardation center established under Sections
440 41-19-31 through 41-19-39, or by another community mental health
441 service provider meeting the requirements of the Department of
442 Mental Health to be an approved mental health/retardation center
443 if determined necessary by the Department of Mental Health, using
444 state funds which are provided from the appropriation to the State
445 Department of Mental Health and used to match federal funds under
446 a cooperative agreement between the division and the department,
447 or (b) a facility which is certified by the State Department of
448 Mental Health to provide therapeutic and case management services,
449 to be reimbursed on a fee for service basis. Any such services
450 provided by a facility described in paragraph (b) must have the
451 prior approval of the division to be reimbursable under this
452 section. After June 30, 1997, mental health services provided by
453 regional mental health/retardation centers established under
454 Sections 41-19-31 through 41-19-39, or by hospitals as defined in
455 Section 41-9-3(a) and/or their subsidiaries and divisions, or by
456 psychiatric residential treatment facilities as defined in Section
457 43-11-1, or by another community mental health service provider
458 meeting the requirements of the Department of Mental Health to be
459 an approved mental health/retardation center if determined
460 necessary by the Department of Mental Health, shall not be

461 included in or provided under any capitated managed care pilot
462 program provided for under paragraph (24) of this section.

463 (17) Durable medical equipment services and medical
464 supplies restricted to patients receiving home health services
465 unless waived on an individual basis by the division. The
466 division shall not expend more than Three Hundred Thousand Dollars
467 (\$300,000.00) of state funds annually to pay for medical supplies
468 authorized under this paragraph.

469 (18) Notwithstanding any other provision of this
470 section to the contrary, the division shall make additional
471 reimbursement to hospitals which serve a disproportionate share of
472 low-income patients and which meet the federal requirements for
473 such payments as provided in Section 1923 of the federal Social
474 Security Act and any applicable regulations.

475 (19) (a) Perinatal risk management services. The
