SENATE BILL NO. 2865
(As Passed the Senate)

1 AN ACT TO AMEND SECTION 41-3-15, MISSISSIPPI CODE OF 1972, TO
2 AUTHORIZE THE STATE BOARD OF HEALTH TO ESTABLISH STANDARDS
3 RELATING TO ADVERTISING BY HEALTH CARE PROFESSIONALS; AND FOR
4 RELATED PURPOSES.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

6 SECTION 1. Section 41-3-15, Mississippi Code of 1972, is
7 amended as follows:[RDD1]

8 41-3-15. (1) There shall be a State Department of Health
9 which shall be organized into such bureaus and divisions as are
10 considered necessary by the executive officer, and shall be
11 assigned appropriate functions as are required of the State Board
12 of Health by law, subject to the approval of the board.

13 (2) The State Board of Health shall have the authority to
14 establish an Office of Rural Health within the department. The
15 duties and responsibilities of this office shall include the
16 following:

17 (a) To collect and evaluate data on rural health
18 conditions and needs;

19 (b) To engage in policy analysis, policy development
20 and economic impact studies with regard to rural health issues;

21 (c) To develop and implement plans and provide
22 technical assistance to enable community health systems to respond
23 to various changes in their circumstances;

24 (d) To plan and assist in professional recruitment and
25 retention of medical professionals and assistants; and

26 (e) To establish information clearinghouses to improve
27 access to and sharing of rural health care information.

28 (3) The State Board of Health shall have general supervision
29 of the health interests of the people of the state and to exercise
30 the rights, powers and duties of those acts which it is authorized
31 by law to enforce.

32 (4) The State Board of Health shall have authority:

33 (a) To make investigations and inquiries with respect
34 to the causes of disease and death, and to investigate the effect
35 of environment, including conditions of employment and other
36 conditions which may affect health, and to make such other
37 investigations as it may deem necessary for the preservation and
38 improvement of health.

39 (b) To make such sanitary investigations as it may,
40 from time to time, deem necessary for the protection and
41 improvement of health and to investigate nuisance questions which
42 affect the security of life and health within the state.

43 (c) To direct and control sanitary and quarantine
44 measures for dealing with all diseases within the state possible
45 to suppress same and prevent their spread.

46 (d) To obtain, collect and preserve such information
47 relative to mortality, morbidity, disease and health as may be
48 useful in the discharge of its duties or may contribute to the
49 prevention of disease or the promotion of health in this state.

50 (e) To enter into contracts or agreements with any
51 other state or federal agency, or with any private person,
52 organization or group capable of contracting, if it finds such
53 action to be in the public interest.

54 (f) To charge and collect reasonable fees for health
55 services, including immunizations, inspections and related
56 activities, and the board shall charge fees for such services;
57 provided, however, if it is determined that a person receiving
58 services is unable to pay the total fee, the board shall collect
59 any amount such person is able to pay.

60 (g) To accept gifts, trusts, bequests, grants,

61 endowments or transfers of property of any kind.

62 (h) To receive monies coming to it by way of fees for
63 services or by appropriations.

64 (i) (i) To establish standards for, issue permits and
65 exercise control over, any cafes, restaurants, food or drink
66 stands, sandwich manufacturing establishments, and all other
67 establishments, other than churches, church-related and private
68 schools, and other nonprofit or charitable organizations, where
69 food or drink is regularly prepared, handled and served for pay;
70 and

71 (ii) To require that a permit be obtained from the
72 Department of Health before such persons begin operation.

73 (j) To promulgate rules and regulations and exercise
74 control over the production and sale of milk pursuant to the
75 provisions of Sections 75-31-41 through 75-31-49.

76 (k) On presentation of proper authority, to enter into
77 and inspect any public place or building where the State Health
78 Officer or his representative deems it necessary and proper to
79 enter for the discovery and suppression of disease and for the
80 enforcement of any health or sanitary laws and regulations in the
81 state.

82 (l) To conduct investigations, inquiries and hearings,
83 and to issue subpoenas for the attendance of witnesses and the
84 production of books and records at any hearing when authorized and
85 required by statute to be conducted by the State Health Officer or
86 the State Board of Health.

87 (m) To employ, subject to the regulations of the State
88 Personnel Board, qualified professional personnel in the subject
89 matter or fields of each bureau, and such other technical and
90 clerical staff as may be required for the operation of the
91 department. The executive officer shall be the appointing
92 authority for the department, and shall have the power to delegate
93 the authority to appoint or dismiss employees to appropriate

subordinates, subject to the rules and regulations of the State Personnel Board.

(n) To promulgate rules and regulations, and to collect data and information, on (i) the delivery of services through the practice of telemedicine; and (ii) the use of electronic records for the delivery of telemedicine services.

(o) To establish standards for advertising by and on behalf of any licensed or regulated health care professional to ensure that the advertising specifically describes the license or qualifications of the licensed or regulated health care professional.

(5) (a) The State Board of Health shall have the authority, in its discretion, to establish programs to promote the public health, to be administered by the State Department of Health. Specifically, such programs may include, but shall not be limited to, programs in the following areas:

- (i) Maternal and child health;
- (ii) Family planning;
- (iii) Pediatric services;
- (iv) Services to crippled and disabled children;
- (v) Control of communicable and noncommunicable disease;
- (vi) Child care licensure;
- (vii) Radiological health;
- (viii) Dental health;
- (ix) Milk sanitation;
- (x) Occupational safety and health;
- (xi) Food, vector control and general sanitation;
- (xii) Protection of drinking water;
- (xiii) Sanitation in food handling establishments open to the public;
- (xiv) Registration of births and deaths and other vital events;

(xv) Such public health programs and services as may be assigned to the State Board of Health by the Legislature or by executive order.

(b) The State Board of Health and State Department of Health shall not be authorized to sell, transfer, alienate or otherwise dispose of any of the home health agencies owned and operated by the department on January 1, 1995, and shall not be authorized to sell, transfer, assign, alienate or otherwise dispose of the license of any of those home health agencies, except upon the specific authorization of the Legislature by an amendment to this section. However, this paragraph (b) shall not prevent the board or the department from closing or terminating the operation of any home health agency owned and operated by the department, or closing or terminating any office, branch office or clinic of any such home health agency, or otherwise discontinuing the providing of home health services through any such home health agency, office, branch office or clinic, if the board first demonstrates that there are other providers of home health services in the area being served by the department's home health agency, office, branch office or clinic that will be able to provide adequate home health services to the residents of the area if the department's home health agency, office, branch office or clinic is closed or otherwise discontinues the providing of home health services. This demonstration by the board that there are other providers of adequate home health services in the area shall be spread at length upon the minutes of the board at a regular or special meeting of the board at least thirty (30) days before a home health agency, office, branch office or clinic is proposed to be closed or otherwise discontinue the providing of home health services.

(c) The State Department of Health may undertake such technical programs and activities as may be required for the support and operation of such programs, including maintaining

160 physical, chemical, bacteriological and radiological laboratories,
161 and may make such diagnostic tests for diseases and tests for the
162 evaluation of health hazards as may be deemed necessary for the
163 protection of the people of the state.

164 (6) (a) The State Board of Health shall administer the
165 local governments and rural water systems improvements loan
166 program in accordance with the provisions of Section 41-3-16.

167 (b) The State Board of Health shall have authority:

168 (i) To enter into capitalization grant agreements
169 with the United States Environmental Protection Agency, or any
170 successor agency thereto;

171 (ii) To accept capitalization grant awards made
172 under the federal Safe Drinking Water Act, as amended;

173 (iii) To provide annual reports and audits to the
174 United States Environmental Protection Agency, as may be required
175 by federal capitalization grant agreements; and

176 (iv) To establish and collect fees to defray the
177 reasonable costs of administering the revolving fund or emergency
178 fund if the State Board of Health determines that such costs will
179 exceed the limitations established in the federal Safe Drinking
180 Water Act, as amended. The administration fees may be included in
181 loan amounts to loan recipients for the purpose of facilitating
182 payment to the board; however, such fees may not exceed five
183 percent (5%) of the loan amount.

184 SECTION 2. This act shall take effect and be in force from
185 and after July 1, 2000.
