254 Funds are provided herein to adjust the Variable Compensation
 255 Plan to ensure that all full-time employees receive a pay increase
 256 equal to fifty percent (50%) of the realignment component of the

257 Variable Compensation Plan or Six Hundred Dollars (\$600.00),
258 whichever is greater, beginning on January 1, 2003.

259 With the funds herein appropriated, it is the intention of
260 the Legislature that it shall be the agency's responsibility to
261 make certain that funds required to be appropriated for "Personal
262 Services" for Fiscal Year 2004 do not exceed Fiscal Year 2003
263 funds appropriated for that purpose, unless programs, positions or
264 pay increases are added to the agency's budget by the Mississippi
265 Legislature. Based on data provided by the Legislative Budget
266 Office, the State Personnel Board shall, on July 1, 2002, publish
267 separate annual projection reports, based on July 1, 2002 data,
268 for the period of July 1, 2002 through December 31, 2002, and
269 January 1, 2003 through June 30, 2003, that project the annual
270 cost to fully fund all appropriated positions in compliance with
271 the provisions of this act. It shall be the responsibility of the
272 agency head to ensure that no single personnel action increases
273 this projected cost and/or the Fiscal Year 2003 appropriation for
274 "Personal Services," as annualized on a semi-annual basis in
275 accordance with the provisions of this act. If, at the end of any
276 calendar month, the State Personnel Board determines that the
277 agency has taken action(s) which would cause the agency to exceed
278 this projected annual cost or the Fiscal Year 2003 "Personal
279 Services" appropriated level, when annualized in compliance with
280 the provisions of this act, then only those actions which reduce
281 the projected annual cost and/or the appropriation requirement
282 will be processed by the State Personnel Board until such time as
283 the requirements of this provision are met.

284 It is the intention of the Legislature that the Executive
285 Director of the Department of Human Services may transfer between
286 the various divisions authorized herein both funds and positions
287 not to exceed ten percent (10%) of the receiving division
288 consistent with the provisions of Section 1 of this act.
289 Provided, however, that no county office positions shall be

290 transferred to any regional office or to the state office. The
291 Executive Director of the Department of Human Services shall
292 submit written justification for the transfer to the Legislative
293 Budget Office and the Department of Finance and Administration on
294 or before the fifteenth of the month prior to the effective date
295 of the transfer. It is further the intention of the Legislature
296 that any transfers made under the provisions of this paragraph
297 shall be of an emergency nature and that in no case shall the
298 transfers be made which substantially alter the legislative intent
299 for the various divisions or offices as set forth in the original
300 appropriations made under this act.

301 Any transfers within major object of expenditure within each
302 specific budget or escalations shall be made in accordance with
303 the terms, conditions and procedures established by law.

304 No general funds authorized to be expended herein shall be
305 used to replace federal funds and/or other special funds which are
306 being used for salaries authorized under the provisions of this
307 act and which are withdrawn and no longer available.

308 Unless expressly authorized herein by the Legislature, no
309 funds appropriated to be expended for travel and subsistence shall
310 be expended to pay expenses incurred by more than six (6)
311 employees or other representatives of the agency for attending the
312 same out-of-state conference, seminar or workshop; however, such
313 funds may be expended for expenses incurred by more than six (6)
314 employees or other representatives for attendance at the same
315 conference, seminar or workshop (a) if attendance is required in
316 order to maintain professional certification or licensure, which
317 certification or licensure is required by the employees' job
318 descriptions or by law, or (b) if such expenditure has received
319 the prior written approval of the Department of Finance and
320 Administration.

328 expended in accordance with Sections 37-31-103 through 37-31-111,
329 Mississippi Code of 1972. Training will be conducted in the areas
330 outlined in Section 37-31-103(2) for TANF recipients. The terms
331 and provisions for program operation will be established through a
332 nonfinancial agreement between the Mississippi Department of
333 Education and the Mississippi Department of Human Services. This
334 nonfinancial agreement will be initiated by the Mississippi
335 Department of Education, Office of Vocational and Technical
336 Education in accordance with current laws, rules and regulations
