31           Nothing in this chapter shall be construed as prohibiting a  
32 joint enterprise, partnership, professional corporation,  
33 professional limited liability company or association between one  
34 (1) or several registered professional engineers and/or duly  
35 registered architects; and it shall be lawful for such  
36 partnership, joint enterprise, professional corporation,  
37 professional limited liability company or association to use in  
38 its title the words "architects and engineers" or "engineers and
