70 qualifications or successfully complete any law enforcement
71 qualification examinations as the director deems necessary. The
72 enforcement officers shall, on a periodic basis, be required to
73 attend additional advanced courses in law enforcement in order
74 that they will be properly improved and trained in the modern,
75 technical advances of law enforcement.

(d) The executive director may * * * require members of the Enforcement Officers' Reserve Unit to attend officer reserve training programs conducted by county or municipal agencies.

(e) The executive director may issue uniforms to such reserve officers and may authorize the issuance of any state equipment necessary for the reserve officers to adequately assist law enforcement officers. The executive director may develop a reserve officer identification system to accomplish the issuance of such items in accordance with the State Auditor guidelines.

(f) If the executive director determines that a member of the Enforcement Officers' Reserve Unit may attend a training program as authorized under this section, it shall require that reserve officer to sign an agreement, prior to attending a training program, which shall stipulate that if the reserve officer accepts employment from any other public or private law enforcement agency within three (3) years after completion of his training program, the reserve officer or the respective hiring law enforcement agency shall reimburse the department for the total cost of his training program. By October 1 of each year, the department shall provide the Conservation and Water Resources Committee of the Mississippi House of Representatives and the Ports and Marine Resources Committee of the Mississippi Senate a listing which contains each name and the respective cost of training each reserve officer received during the previous year.

SECTION 2. The following shall be codified as Section 49-15-22, Mississippi Code of 1972:

49-15-22. Each person employed as a marine patrol officer by the Mississippi Department of Marine Resources who retires for superannuation or for reason of disability under the Public Employees' Retirement System may, upon his request, be allowed to retain, as his personal property, one (1) side arm which was

162 issued to him during his service, if funds are available for this
163 purpose.

164 **SECTION 3.** This act shall take effect and be in force from
165 and after its passage.
