With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2004 do not exceed Fiscal Year 2003 funds appropriated for that purpose, unless programs, positions or pay increases are added to the agency's budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall, on July 1, 2002, publish separate annual projection reports, based on July 1, 2002 data,

for the period of July 1, 2002 through December 31, 2002, and January 1, 2003 through June 30, 2003, that project the annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected cost and/or the Fiscal Year 2003 appropriation for "Personal Services," as annualized on a semi-annual basis in accordance with the provisions of this act. If, at the end of any calendar month, the State Personnel Board determines that the agency has taken action(s) which would cause the agency to exceed this projected annual cost or the Fiscal Year 2003 "Personal Services" appropriated level, when annualized in compliance with the provisions of this act, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

SECTION 4. It shall be the duty of the Chairman of the State Tax Commission, and he is hereby empowered to select in the manner provided by Section 27-3-13, Mississippi Code of 1972, such employees as may be necessary to the administration of all acts relating to the exemption of homesteads and the reimbursement of tax losses to the several taxing units of the state, and to assign them to the use of the State Tax Commission.

In the event of any such payment, then the official or person approving and making such payment shall be liable to return to the State of Mississippi and to pay into the State Treasury to the credit of the General Fund three (3) times any such amount so paid to be recovered at suit by the Attorney General.

SECTION 7. Each county, road district, school district and municipal separate school district which has incurred a tax loss that is reimbursable under Section 6 shall be reimbursed a sum which is equivalent to the amount of tax loss produced by the application of tax rates annually fixed for maintenance and current expenses to the assessed value of homes, or so much thereof as has been lawfully authorized under the provisions of Section 27-33-1 et seq., Mississippi Code of 1972.

The disbursements from the funds appropriated under the provisions of Section 6 shall be based upon the certificates required of the clerks of the county boards of supervisors and of the clerks of the municipalities, which certificates shall conform strictly in every respect to the requirements of the provisions of Section 27-33-1 et seq., Mississippi Code of 1972.
