227 advance any cost containment or managed care efforts implemented  
228 at the hospital;

229 (iv) To recruit and financially assist at the  
230 request of the hospital, physicians and other health care  
231 practitioners in locating in the service area of the hospital  
232 whenever such assistance would directly benefit the hospital and  
233 the health and welfare of the citizens of Lowndes County;

234 (v) To expend funds to promote, develop and  
235 institute any other services at the hospital that will serve to  
236 enhance, complement and expand complete community health care;

237 (vi) To pay for the provision of uncompensated  
238 care to residents of Lowndes County at the hospital;

250 rendered at the hospital to inmates of the Lowndes County jail;  
251 and

252 (xi) To pay any contingent liabilities of Golden  
253 Triangle Regional Medical Center arising before the commencement  
254 date of the lease and that are not barred by limitations or  
255 sovereign immunity or that have not been assumed by the lessee.

256 (3) If the trustees are requested by the lessee to pay or  
257 reimburse the hospital for payment of the items provided in  
258 (2)(a), (2)(b) or (2)(c) of this Section 5, the trustees shall pay  
259 to the lessee within thirty (30) days for the items requested  
260 provided that the trustees shall have no obligation to pay in any  
261 one (1) calendar year an aggregate amount in excess of eighty-five  
262 percent (85%) of the earnings component of the fund. As of  
263 December 31 of each year, the trustees shall transfer from the  
264 earnings component of the fund to the corpus component of the fund  
265 an amount equal to fifteen percent (15%) of the amount deposited  
266 into the earnings component during the calendar year, exclusive of  
267 any portion carried forward from any preceding year. Any funds  
268 not expended from the earnings component of the fund for the above  
269 purposes shall be carried forward into the next year and be  
270 available for payments in the subsequent years. Any amounts  
271 deposited into the earnings component of the fund shall be  
272 immediately available for payment to the hospital by the trustees.  
273 The trustees' obligations to make payments for the indicated  
274 purposes shall be mandatory and shall not be subject to the  
275 discretion of the trustees.

276 (4) Notwithstanding any provisions of this act to the  
277 contrary, the trustees shall have the discretion in their sole  
278 judgment to pay for health care services rendered at the hospital  
279 to nonindigent residents of Lowndes County or the service area in  
280 cases where there has been a determination of hardship by the  
281 trustees.

282 Section 6. The fund at the end of the term of the lease  
283 agreement and after payment to the lessee of all amounts due from  
284 the fund through the date of termination of the lease, unless the  
285 lease is otherwise extended by the hospital and the board of  
286 supervisors, shall be disbursed in termination of the fund by the  
287 trustees to the county for the county's unrestricted use. All  
288 other transactions described in the agreement to lease among

289 Lowndes County, the Board of Trustees of the Golden Triangle  
290 Regional Medical Center and Baptist Memorial Health Care  
291 Development Corporation, dated January 29, 1993, and the lease  
292 agreement are approved and authorized in all respects.

293         **SECTION 2.** This act shall take effect and be in force from  
294 and after its passage.
