22 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF

24 That:

- 25 1. The State of Mississippi declares that the family exists
26 prior to the state and is the very foundation of our communities
27 and the bedrock of our nation, continuing to be the most
28 fundamental unit of society, the basis and bastion of civilization

29 and progress since time immemorial, and the continuing hope of
30 mankind.

31 2. The State of Mississippi declares that the family,
32 ideally founded on marriage between husband and wife is the cradle
33 of life and love for each new generation, the primary source of
34 identity, self-esteem and support, and the first and foremost
35 school of life, being uniquely suited to teach children integrity,
36 character, morals, responsibility, service and wisdom and thereby
37 transmitting timeless values to future generations.

38 3. The State of Mississippi recognizes the urgent need for
39 measures designed to promote family happiness and stability by
40 promoting loving and faithful marriages, and by encouraging
41 greater love and loyalty among all family members, increased
42 connection and communication between parents and children, and
43 more involvement of both fathers and mothers in raising children
44 in a positive and healthy environment and in teaching them values
45 and morals essential to personal fulfillment and the success of
46 society.

48 communities, and all organizations and institutions in all sectors
49 of society, to proactively promote those measures designed to
50 protect, defend and strengthen the family as the fundamental unit
51 of society.
