495 shall be determined by the board but shall not exceed One Hundred
496 Fifty Dollars (\$150.00), which fee shall accompany the
497 application.

498 The application fee for enrollment as an engineer intern
499 shall be determined by the board but shall not exceed Fifty
500 Dollars (\$50.00), which fee shall accompany the application.
501 Whenever an applicant is cited to an examination or reexamination,
502 an additional fee equal to the actual cost of the examination
503 shall be paid by the applicant.

504 Each application or filing made under this section shall
505 include the social security number(s) of the applicant in
506 accordance with Section 93-11-64, Mississippi Code of 1972.

507 **SECTION 14.** Section 73-13-27, Mississippi Code of 1972, is
508 reenacted and amended as follows:

509 73-13-27. Examinations shall be required for enrollment as
510 an engineer intern and for licensure as a professional engineer.
511 The examinations shall be held at such time and place as the board
512 may determine.

513 The scope of the examinations and the methods and procedure
514 shall be prescribed by the board with special reference to the
515 applicant's ability to design and supervise engineering works so
516 as to insure the safety of life, health and property.

517 **SECTION 15.** Section 73-13-29, Mississippi Code of 1972, is
518 reenacted and amended as follows:

519 73-13-29. The board shall issue a certificate of licensure
520 upon payment of licensure fee as provided for in Sections 73-13-1
521 through 73-13-45, to any applicant who, in the opinion of the
522 board, has satisfactorily met all the requirements of said
523 sections. In the case of a licensed engineer, the certificate
524 shall authorize the "practice of engineering." In the case of an
525 engineer intern, the certificate shall state that the applicant
526 has successfully passed the examination in fundamental engineering
527 subjects required by the board and has been enrolled as an
528 "engineer intern." Certificates shall show the full name, shall
529 have a serial number, and shall be signed by the president and the
530 secretary of the board under seal of the board.

531 The issuance of a certificate of licensure by this board
532 shall be prima facie evidence that the person named therein is
533 entitled to all the rights and privileges of a registered
534 professional engineer while the said certificate remains unrevoked
535 or unexpired.

536 Before engaging in the practice of the profession, each
537 licensee hereunder shall upon licensure obtain a seal of the
538 design authorized by the board, bearing the licensee's name and
539 the legend "licensed professional engineer." Plans,
540 specifications and reports prepared by a licensee shall be stamped
541 with the seal by the licensee during the life of the licensee's
542 certificate, but it shall be unlawful for anyone to stamp or seal
543 any documents with the seal after the certificate of the licensee
544 named thereon is expired or revoked, or while the certificate is
545 suspended. It shall be unlawful for anyone other than the
546 licensee to whom the seal has been issued to stamp or seal any
547 document utilizing such seal.

548 **SECTION 16.** Section 73-13-31, Mississippi Code of 1972, is
549 reenacted and amended as follows:

550 73-13-31. Certificates of licensure shall expire on the last
551 day of the month of December following their issuance or renewal
552 and shall become invalid on that date unless renewed. It shall be
553 the duty of the board to notify every person licensed under this
554 chapter of the date of the expiration of his certificate and the
555 amount of the fee that shall be required for its renewal for one
556 (1) year. Such notice shall be sent by first class mail to the
557 last known address of the licensee at least one (1) month in
558 advance of the date of the expiration of said certificate.
559 Renewal may be effected at any time during the month of December
560 by the payment of a fee, as determined by the board, not to exceed
561 One Hundred Dollars (\$100.00). A person who is licensed as a
562 professional engineer and as a professional * * * surveyor may
563 effect both renewals by the payment of a fee not to exceed Two
564 Hundred Dollars (\$200.00). The failure on the part of any
565 licensee to renew his certificate annually in the month of
566 December as required above, shall not deprive such person of the
567 right of renewal, but the fee to be paid for the renewal of a
568 certificate after the month of December shall be increased ten
569 percent (10%) for each month, or fraction of a month that payment
570 of renewal is delayed; provided, however, that the maximum fee for
571 delayed renewal shall not exceed five (5) times the normal renewal
572 fee. A state agency or any of the state's political subdivisions,
573 such as a county or municipality, may pay the renewal fee of any
574 licensee who is a full-time employee; provided, however, that any
575 licensee who permits his/her renewal fee to be paid from any
576 public funds shall not perform engineering or * * * surveying
577 services for a fee or other emoluments for the public or for any
578 other public entity. If a certificate has expired for six (6)
579 months or more, the licensee shall be required to submit a new
580 application, paying back fees and submitting proof of continuing
581 professional competency compliance. If the certificate has

582 expired for five (5) years or more, in addition to submitting a
583 new application and proof of continuing professional competency
584 compliance, reexamination in the principles and practice may be
585 required. The reexamination requirement may be waived by the
586 board provided the applicant has continued to practice in another
587 jurisdiction from the date of expiration of his certificate.

588 **SECTION 17.** Section 73-13-33, Mississippi Code of 1972, is
589 reenacted and amended as follows:

590 73-13-33. All professional engineers, licensed in accordance
591 with the provisions of Chapter 56 of the Laws of Mississippi of
592 1928, Extraordinary Session, and as amended under Senate Bill No.
593 383, Chapter 131, Laws of 1940, and whose certificates of
594 licensure are in effect at the time of passage of Sections 73-13-1
595 through 73-13-45, shall be entitled to all the rights and
596 privileges of a licensed professional engineer as provided for in
597 those sections, while the said certificate remains unrevoked or
598 unexpired.

599 **SECTION 18.** Section 73-13-35, Mississippi Code of 1972, is
600 reenacted and amended as follows:

601 73-13-35. The board may, upon application therefor and the
602 payment of a fee in accordance with Section 73-13-25, issue a
603 certificate of licensure as a professional engineer to any person
604 who holds a certificate of qualification or licensure issued to
605 him by proper authority of any state or territory or possession of
606 the United States, or of any country, provided that the
607 applicant's qualifications meet the requirements of Sections
608 73-13-1 through 73-13-45 and the rules established by the board.

609 **SECTION 19.** Section 73-13-37, Mississippi Code of 1972, is
610 reenacted and amended as follows:

611 73-13-37. (1) The board, upon satisfactory proof and in
612 accordance with the provisions of this chapter and the
613 implementing regulations of the board pertaining thereto, is

614 authorized to take the disciplinary actions provided for
615 hereinafter against any person or firm practicing engineering or
616 surveying, including nonregistrants, for any of the following
617 reasons:

618 (a) Violating any of the provisions of Sections 73-13-1
619 through 73-13-45 or the implementing bylaws, rules, regulations,
620 or standards of ethics or conduct duly adopted and promulgated by
621 the board pertaining to the practice of engineering;

622 (b) Fraud, deceit or misrepresentation in obtaining a
623 certificate of licensure;

624 (c) Gross negligence, malpractice or incompetency;

625 (d) Any professional misconduct, as defined by the
626 board through bylaws, rules and regulations, and standards of
627 conduct and ethics;

628 (e) Practicing or offering to practice engineering on
629 an expired certificate or while under suspension or revocation of
630 certificate unless said suspension or revocation be abated through
631 probation, as provided for hereinafter; or

632 (f) Addiction to or dependence on alcohol or other
633 habit-forming drugs or being an habitual user of alcohol,
634 narcotics, barbiturates, amphetamines, hallucinogens, or other
635 drugs having similar effect.

636 (2) Any person may prefer charges against any other person
637 practicing engineering or surveying, including nonlicensees, for
638 committing any of the acts set forth in subsection (1). Such
639 charges shall be sworn to, either upon actual knowledge or upon
640 information and belief, and shall be filed with the board. In the
641 event any person certified under Sections 73-13-1 through 73-13-45
642 is expelled from membership in any Mississippi professional
643 engineering society or association, the board shall thereafter
644 cite said person to appear at a hearing before the board and to

645 show cause why disciplinary action should not be taken against
646 him.

647 The board shall investigate all charges filed with it and,
648 upon finding reasonable cause to believe that the charges are not
649 frivolous, unfounded or filed in bad faith, may, in its
650 discretion, cause a hearing to be held, at a time and place fixed
651 by the board, regarding the charges and may compel the accused by
652 subpoena to appear before the board to respond to said charges.

653 No disciplinary action taken hereunder may be taken until the
654 accused has been furnished both a statement of the charges against
655 him and notice of the time and place of the hearing thereof, which
656 shall be personally served on or mailed by registered or certified
657 mail, return receipt requested, to the last-known business or
658 residence address of the accused not less than thirty (30) days
659 prior to the date fixed for the hearing.

660 Notice on a firm shall be had by notice on the principal or
661 officer designated by the firm as having management or supervision
662 of the engineering/surveying practice, or on the registered agent
663 in the case of a corporation not domiciled in Mississippi.

664 (3) At any hearing held hereunder, the board shall have the
665 power to subpoena witnesses and compel their attendance and may
666 also require the production of books, papers, documents, etc., as
667 provided elsewhere in this chapter. The board is authorized to
668 designate or secure a hearing officer to conduct the hearing. All
669 evidence shall be presented under oath, which may be administered
670 by any member of the board, and thereafter the proceedings may, if
671 necessary, be transcribed in full by the court reporter and filed
672 as part of the record in the case. Copies of such transcriptions
673 may be provided to any party to the proceedings at a cost to be
674 fixed by the board.

675 All witnesses who shall be subpoenaed and who shall appear in
676 any proceedings before the board shall receive the same fees and

677 mileage as allowed by law in judicial civil proceedings, and all
678 such fees shall be taxed as part of the costs in the case.

679 Where in any proceeding before the board any witness shall
680 fail or refuse to attend upon subpoena issued by the board, shall
681 refuse to testify or shall refuse to produce any books and papers,
682 the production of which is called for by the subpoena, the
683 attendance of such witness and the giving of his testimony and the
684 production of the books and papers shall be enforced by any court
685 of competent jurisdiction of this state in the manner provided for
686 the enforcement of attendance and testimony of witnesses in civil
687 cases in the courts of this state.

688 The accused shall have the right to be present at the hearing
689 in person, by counsel or other representative, or both. The board
690 is authorized to continue or recess the hearing as may be
691 necessary.

692 (4) At the conclusion of the hearing, the board may either
693 decide the issue at that time or take the case under advisement
694 for further deliberation. The board shall render its decision not
695 more than ninety (90) days after the close of the hearing, and
696 shall forward to the last-known business or residence address of
697 the accused, by certified or registered mail, return receipt
698 requested, a written statement of the decision of the board.

699 If a majority of the board finds the accused guilty of the
700 charges filed, the board may: (a) issue a public or private
701 reprimand; (b) require the guilty party to complete a course or
702 courses, approved by the board, in ethics or other appropriate
703 subjects; (c) suspend or revoke the certificate of the accused, if
704 the accused is a licensee; and/or (d) in lieu of or in addition to
705 such reprimand, course completion, suspension or revocation,
706 assess and levy upon the guilty party a monetary penalty of not
707 less than One Hundred Dollars (\$100.00) nor more than Five
708 Thousand Dollars (\$5,000.00) for each violation.

709 (5) A monetary penalty assessed and levied under this
710 section shall be paid to the board upon the expiration of the
711 period allowed for appeal of such penalties under this section, or
712 may be paid sooner if the guilty party elects. Money collected by
713 the board under this section shall be deposited to the credit of
714 the board's special fund in the State Treasury.

715 When payment of a monetary penalty assessed and levied by the
716 board in accordance with this section is not paid when due, the
717 board shall have the power to institute and maintain proceedings
718 in its name for enforcement of payment in the chancery court of
719 the county and judicial district of residence of the guilty party
720 and if the guilty party be a nonresident of the State of
721 Mississippi, such proceedings shall be in the Chancery Court of
722 the First Judicial District of Hinds County, Mississippi.

723 (6) When the board has taken a disciplinary action under
724 this section, the board may, in its discretion, stay such action
725 and place the guilty party on probation for a period not to exceed
726 one (1) year upon the condition that the guilty party shall not
727 further violate either the laws of the State of Mississippi
728 pertaining to the practice of engineering or the bylaws, rules and
729 regulations, or standards of conduct and ethics promulgated by the
730 board.

731 (7) The board, in its discretion, may assess and tax any
732 part or all of the costs of any disciplinary proceedings conducted
733 under this section against either the accused, the charging party,
734 or both, as it may elect.

735 (8) The power and authority of the board to assess and levy
736 the monetary penalties provided for in this section shall not be
737 affected or diminished by any other proceeding, civil or criminal,
738 concerning the same violation or violations except as provided in
739 this section.

740 (9) The board, for sufficient cause, may reissue a revoked
741 certificate of licensure or authority whenever a majority of the
742 board members vote to do so.

743 (10) Any person or firm aggrieved by an action of the board
744 denying or revoking his certificate of licensure or authority or
745 relicensure as a professional engineer or his certificate of
746 enrollment as an engineer intern, or who is aggrieved by the
747 action of the board as a result of disciplinary proceedings
748 conducted under this section may appeal therefrom to the chancery
749 court of either the county wherein the appellant resides or the
750 Chancery Court of the First Judicial District of Hinds County, at
751 the election of the appellant. If the appellant is a nonresident
752 of this state, the appeal shall be made to the Chancery Court of
753 the First Judicial District of Hinds County. Such appeal shall be
754 perfected before the board by the filing with the board of a
755 notice of appeal to the chancery court. The court shall require a
756 bond in an amount not to exceed One Thousand Dollars (\$1,000.00)
757 conditioned to pay all costs which may be adjudged against the
758 appellant. The notice of appeal shall be filed not later than
759 thirty (30) days after the decision of the board is forwarded to
760 the guilty party, as provided hereinabove.

761 All appeals perfected hereunder shall not act as a
762 supersedeas, and shall be made to the chancery court solely upon
763 the record made before the board during the disciplinary hearing.
764 When the appeal shall have been properly perfected as provided
765 herein, the board shall cause the record of the proceedings
766 conducted before it to be compiled, certified and filed with the
767 chancery court. The briefing schedule shall be the same as for
768 appeals to the Supreme Court. The chancery court shall be
769 required to rule on the case within sixty (60) days of the close
770 of briefing. All procedures and penalties provided for in this
771 section shall apply to nonlicensees as well as licensees.

772 (11) In addition to the reasons specified in subsection (1)
773 of this section, the board shall be authorized to suspend the
774 certificate of licensure of any person for being out of compliance
775 with an order for support, as defined in Section 93-11-153. The
776 procedure for suspension of a certificate for being out of
777 compliance with an order for support, and the procedure for the
778 reissuance or reinstatement of a certificate suspended for that
779 purpose, and the payment of any fees for the reissuance or
780 reinstatement of a certificate suspended for that purpose, shall
781 be governed by Section 93-11-157 or 93-11-163, as the case may be.
782 Actions taken by the board in suspending a certificate when
783 required by Section 93-11-157 or 93-11-163 are not actions from
784 which an appeal may be taken under this section. Any appeal of a
785 suspension of a certificate that is required by Section 93-11-157
786 or 93-11-163 shall be taken in accordance with the appeal
787 procedure specified in Section 93-11-157 or 93-11-163, as the case
788 may be, rather than the procedure specified in this section. If
789 there is any conflict between any provision of Section 93-11-157
790 or 93-11-163 and any provision of this chapter, the provisions of
791 Section 93-11-157 or 93-11-163, as the case may be, shall control.

792 (12) Any board member whose objectivity in a disciplinary
793 proceeding is impaired shall either recuse himself from sitting as
794 a member of the board in a formal disciplinary hearing in that
795 proceeding or be disqualified therefrom. In the event a
796 disciplinary proceeding is brought against a member or former
797 member of the board, no member of the board who has served
798 concurrently with the respondent in the disciplinary proceeding
799 shall sit as a member of the board in a formal disciplinary
800 hearing in that proceeding. If, after recusal or disqualification
801 of board members as provided herein, there does not remain a
802 quorum of the board to sit for a disciplinary hearing, the board
803 shall have the power to select, in accordance with duly

804 promulgated regulations of the board, substitute panel members
805 from slates of candidates established by the Mississippi
806 Engineering Society and the Mississippi Association of
807 Professional Surveyors to the extent necessary to achieve the
808 number of panel members equivalent to a quorum of the board.
809 Substitute panel members must meet the qualifications of board
810 members as provided in Section 73-13-7 and shall receive
811 compensation as provided for board members in Section 73-13-9.

812 **SECTION 20.** Section 73-13-39, Mississippi Code of 1972, is
813 reenacted and amended as follows:

814 73-13-39. Any person or firm who shall practice, or offer to
815 practice, engineering in this state without being licensed in
816 accordance with the provisions of Sections 73-13-1 through
817 73-13-45, or any person presenting or attempting to use as his own
818 the certificate of licensure or seal of another, or any person who
819 shall give any false or forged evidence of any kind to the board
820 or to any member thereof in obtaining a certificate of licensure,
821 or any person who shall falsely impersonate any other licensee of
822 like or different name, or any person or firm who shall attempt to
823 use an expired or revoked certificate of licensure, or any person
824 or firm who shall violate any of the provisions of Sections
825 73-13-1 through 73-13-45, shall be guilty of a misdemeanor, and
826 shall, upon conviction, be sentenced to pay a fine of not less
827 than One Hundred Dollars (\$100.00), nor more than Five Thousand
828 Dollars (\$5,000.00) in addition to reimbursement of investigative
829 expenses and court costs, or suffer imprisonment for a period not
830 exceeding three (3) months, or both. The criminal penalties
831 provided for in this section may be assessed in addition to those
832 civil penalties provided for in Section 73-13-37.

833 Unless licensed in accordance with the provisions of Sections
834 73-13-1 through 73-13-45, no person shall:

835 (a) Directly or indirectly employ, use, cause to be
836 used or make use of any of the following terms or any
837 combinations, variations or abbreviations thereof as a
838 professional, business or commercial identification, title, name,
839 representation, claim, asset or means of advantage or benefit:
840 "engineer," "professional engineer," "licensed engineer,"
841 "registered engineer," "registered professional engineer,"
842 "licensed professional engineer," "engineered," "engineering"; or

843 (b) Directly or indirectly employ, use, cause to be
844 used or make use of any letter, abbreviation, word, symbol,
845 slogan, sign or any combinations or variations thereof which in
846 any manner whatsoever tends or is likely to create any impression
847 with the public or any member thereof that any person is qualified
848 or authorized to practice engineering; or

849 (c) Receive any fee or compensation or the promise of
850 any fee or compensation for performing, offering or attempting to
851 perform any service, work, act or thing which is any part of the
852 practice of engineering.

853 Any person, firm, partnership, association or corporation
854 which shall do, offer or attempt to do any one or more of the acts
855 or things set forth in items (a) through (c) of the preceding
856 paragraph shall be conclusively presumed and regarded as engaged
857 in the practice of engineering.

858 It shall be the duty of all duly constituted officers of the
859 law of this state, or any political subdivision thereof, to
860 enforce the provisions of Sections 73-13-1 through 73-13-45 and to
861 prosecute any persons violating same. The Attorney General of the
862 state or his assistant shall act as legal advisor of the board in
863 carrying out the provisions of Sections 73-13-1 through 73-13-45.

864 **SECTION 21.** Section 73-13-41, Mississippi Code of 1972, is
865 reenacted and amended as follows:

866 73-13-41. (1) Sections 73-13-1 through 73-13-45 shall not
867 be construed to prevent or to affect:

868 (a) The practice of any other legally recognized
869 profession or trade, such as: (i) engineers employed by
870 contractors to supervise work on which a licensed engineer is
871 engaged; * * * (ii) architects who are registered under the
872 provisions of Chapter 1 of this title; and (iii) the practice of
873 geology as regulated pursuant to Title 73, Chapter 63;

874 (b) The work of an employee or a subordinate of a
875 person holding a certificate of licensure under this act, provided
876 such work does not include final designs or decisions and is done
877 under the responsibility, checking and supervision of a person
878 holding a certificate of licensure under Sections 73-13-1 through
879 73-13-45;

880 (c) The practice of officers and employees of the
881 government of the United States while engaged within this state in
882 the practice of engineering for said government; * * *

883 (d) The performance of engineering services by any
884 regular full-time employee of a manufacturing, research and
885 development, railroad or other industrial corporation, provided:

886 (i) Such services are rendered on or in connection
887 with existing fixed works, equipment, systems, processes or
888 facilities owned, operated, or leased by such corporation and/or
889 its affiliates;

890 (ii) Such services are not rendered to third
891 parties;

892 (iii) Such services do not consist of original
893 plant design, original system design, or original process design,
894 other than routine system extensions that do not compromise the
895 integrity of the original design;

896 (iv) Such services comply with all requirements
897 specified by the employee's company or corporation;

898 (v) All fixed works, equipment, systems, processes
899 or facilities modified by such services undergo a safety review
900 that confirms: (A) the construction and equipment is in
901 accordance with design specifications; and (B) safety, operating,
902 maintenance and emergency procedures are in place to safeguard
903 life, health and property;

904 (vi) Such services are not required to be
905 performed, approved or certified by a professional engineer
906 pursuant to law or regulation, whether federal, state or local,
907 other than Section 73-13-1 through 73-13-45 hereof or any
908 applicable rules or regulations promulgated by the
909 Mississippi * * * Board of Licensure for Professional Engineers
910 and * * * Surveyors;

911 It is further stated that this subsection (d) is intended to
912 codify the policy and practices of the board at the time of
913 enactment of this Senate Bill No. 2380, 1999 Regular Session
914 [Laws, 1999, Chapter 534], and that any ambiguities in this
915 subsection should be construed in accordance with this intent;

916 (e) The performance of engineering services with
917 respect to utility facilities by any public utility subject to
918 regulation by the Mississippi Public Service Commission, the
919 Federal Communications Commission, the Federal Energy Regulatory
920 Commission, or the Nuclear Regulatory Commission, including its
921 parents, affiliates, subsidiaries; or by the officers and regular
922 full-time employees of any such public utility, including its
923 parents, affiliates or subsidiaries, provided that they are
924 engaged solely and exclusively in performing service for such
925 public utility and/or its parents, affiliates or subsidiaries, and
926 as long as such services comply with all standard operating
927 procedures and requirements specified by the employee's company or
928 corporation. This exemption shall not extend to: (i) the
929 practice of engineering performed by public utilities or their

930 officers or employees when such services are rendered to
931 nonaffiliated third parties in exchange for compensation other
932 than that received from their employer, or the use of any name,
933 title or words which tend to convey the impression that a
934 nonregistrant is offering engineering services to the public; and
935 (ii) services which are required to be performed, approved or
936 certified by a professional engineer pursuant to law or regulation
937 whether federal, state or local, other than Sections 73-13-1
938 through 73-13-45 hereof or any applicable rules or regulations
939 promulgated by the Mississippi * * * Board of Licensure for
940 Professional Engineers and * * * Surveyors;

941 It is further stated that this subsection (e) is intended to
942 codify the policy and practices of the board at the time of
943 enactment of * * * Senate Bill No. 2380, 1999 Regular Session
944 [Laws, 1999, Chapter 534], and that any ambiguities in this
945 subsection should be construed in accordance with this intent; or

946 (f) The practice of engineering shall not include the
947 work ordinarily performed by persons who operate or maintain
948 machinery, equipment, water plants, power generation, utility
949 transmission, utility distribution facilities, sewage plants and
950 solid waste disposal facilities.

951 (2) In addition to the exemptions provided in subsection
952 (1), there is hereby granted and reserved to the board the
953 authority to exempt from Sections 73-13-1 through 73-13-45 by
954 regulation specific engineering tasks or functions performed by
955 regular full-time employees of manufacturing, public utility,
956 research and development, railroad or other industrial
957 corporations rendered in the course and scope of their employment,
958 on a case by case basis, if, in the opinion of the board, the
959 public health and welfare is not endangered nor the engineering
960 profession diminished.

961 **SECTION 22.** Section 73-13-43, Mississippi Code of 1972, is
962 reenacted and amended as follows:

963 73-13-43. As of January 1, 2005, no corporation, firm or
964 partnership may engage in the practice of professional engineering
965 in this state unless it has been issued a certificate of authority
966 by the board. In order to qualify for a certificate of authority,
967 a corporation, firm or partnership must have at least one (1)
968 Mississippi-licensed professional engineer as a principal officer,
969 partner or designated principal engineer of the firm who has
970 management responsibility for such practice and who makes
971 significant technical and/or contractual judgments on behalf of
972 the firm which would affect the firm's professional reputation and
973 liability.

974 The board shall have the authority to promulgate rules and
975 regulations setting procedures, standards and other requirements
976 for issuing and maintaining a certificate of authority for
977 corporations, firms or partnerships practicing engineering in the
978 State of Mississippi.

979 Applications for a certificate of authority shall be on the
980 forms prescribed and furnished by the board, and provide all the
981 information required by said board. The board shall establish a
982 fee for the certificate of authority application, not to exceed
983 Two Hundred Fifty Dollars (\$250.00). Any corporation, firm or
984 partnership having the necessary qualifications as prescribed
985 herein and the rules and regulations of the board shall be issued
986 a certificate of authority for said corporation, firm or
987 partnership to practice engineering and to contract and collect
988 fees for furnishing this service.

989 Each certificate of authorization will expire on December 31
990 of each year. It shall be the duty of the board to notify every
991 corporation, firm or partnership holding a certificate of
992 authority under Sections 73-13-1 through 73-13-45 of the date of

993 the expiration of the certificate and the amount of the fee that
994 shall be required for its renewal for one (1) year. The renewal
995 fee shall not exceed One Hundred Fifty Dollars (\$150.00);
996 penalties for late renewal shall be ten percent (10%) per month
997 that payment is delayed. Additionally, if any of the information
998 on the initial or any subsequent renewal application changes for
999 the corporation, firm or partnership, said corporation, firm or
1000 partnership shall notify the board in the form and manner
1001 prescribed by the board within thirty (30) days of the change.

1002 Effective January 1, 2005, the Secretary of State shall not
1003 issue a certificate of incorporation, licensure or authorization
1004 to an applicant or licensure as a foreign firm to a corporation,
1005 firm or partnership which includes in its name, or among the
1006 objectives for which it is established, any of the words,
1007 "engineer," "engineering," or any modification or derivation
1008 thereof, unless the board has issued for said applicant a
1009 certificate of authority or a letter indicating the eligibility of
1010 such applicant to receive such a certificate. The corporation,
1011 firm or partnership applying shall supply such certificate or
1012 letter from the board with its application for incorporation,
1013 licensure or authorization to the Secretary of State.

1014 An engineer who renders occasional, part-time or consulting
1015 engineering services to or for a corporation, firm or partnership
1016 may not, for the purposes of this section, be designated as being
1017 responsible for the professional activities of the firm.

1018 No such corporation, firm or partnership shall be relieved of
1019 responsibility for the conduct or acts of its agents, employees,
1020 officers, partners, members or managers by reason of its
1021 compliance with the provisions of this section. No individual
1022 practicing engineering under this chapter shall be relieved of
1023 responsibility for engineering services performed by reason of

1024 employment or other relationship with a firm holding an
1025 authorization certificate.

1026 **SECTION 23.** Section 73-13-45, Mississippi Code of 1972, is
1027 reenacted and amended as follows:

1028 73-13-45. (1) (a) Neither the state, nor any of its
1029 political subdivisions, such as a county, city or town, shall
1030 award construction contracts of any public work involving the
1031 practice of engineering or architecture unless the plans,
1032 specifications and estimates have been prepared and such work
1033 supervised by a registered professional engineer or architect;
1034 provided, that nothing in this subsection shall be held to apply
1035 to such public work wherein the expenditure does not exceed Fifty
1036 Thousand Dollars (\$50,000.00); and provided further, that nothing
1037 in this subsection shall apply to any municipality wherein such
1038 public work is not financed in whole or in part through the
1039 issuance of bonds and let to public contract.

1040 (b) The state and any of its political subdivisions,
1041 such as a county, city or town, may engage in construction of
1042 public buildings involving the practice of engineering or
1043 architecture and using political subdivision work forces without
1044 the supervision of a licensed professional engineer or architect,
1045 provided that the total cost of the public building does not
1046 exceed One Hundred Thousand Dollars (\$100,000.00). This paragraph
1047 (1)(b) shall not supersede any rules and regulations promulgated
1048 by the State Department of Health and the Department of
1049 Environmental Quality.

1050 (2) (a) In the awarding of public contracts for
1051 professional engineering services, preference shall be given to
1052 resident professional engineers over those nonresident
1053 professional engineers domiciled in a state having laws which
1054 grant a preference to the professional engineers who are residents
1055 of that state. Nonresident professional engineers shall be

1056 awarded Mississippi public contracts only on the same basis as the
1057 nonresident professional's state awards contracts to Mississippi
1058 professional engineers under similar circumstances. When a
1059 nonresident professional engineer submits a proposal for a public
1060 project, he shall attach thereto a copy of his resident state's
1061 current statute, resolution, policy, procedure or executive order
1062 pertaining to such state's treatment of nonresident professional
1063 engineers. Resident professional engineers actually domiciled in
1064 Mississippi, be they corporate, individuals or partnerships, shall
1065 be granted preference over nonresidents in the awarding of
1066 contracts in the same manner and to the same extent as provided by
1067 the laws of the state of domicile of the nonresident. As used in
1068 this section, the term "resident professional engineer" includes a
1069 nonresident person, firm or corporation that has been qualified to
1070 do business in this state and has maintained a permanent full-time
1071 office in the State of Mississippi for not less than two (2) years
1072 prior to submitting a proposal for a public project, and the
1073 subsidiaries and affiliates of such a person, firm or corporation.

1074 (b) The provisions of this subsection shall not apply
1075 to any contract for any project upon which federal funds would be
1076 withheld because of the preference requirements of this
1077 subsection.

1078 (c) Any contract, agreement or arrangement for
1079 professional engineering services negotiated, made or entered
1080 into, directly or indirectly, by the state, counties,
1081 municipalities or any political subdivision thereof, or by any
1082 special districts, which is in any way in violation of the
1083 provisions of this subsection is hereby declared to be void as
1084 contrary to the public policy of this state and shall not be given
1085 effect or enforced by any court of this state or by any of its
1086 officers or employees.

1087 (d) Nothing in this subsection shall affect the
1088 validity of any contract in existence prior to July 1, 1989.

1089 (e) For purposes of this section, the term
1090 "professional engineering services" means those within the scope
1091 of the practice of professional engineering as defined by Sections
1092 73-13-1 through 73-13-45, or those performed by any registered
1093 professional engineer in connection with professional employment
1094 or practice.

1098 73-13-71 through 73-13-105, shall mean the * * * Board of
1099 Licensure for Professional Engineers and * * * Surveyors as
1100 provided for in Section 73-13-5 of this chapter.

1101 (2) The term "professional * * * surveyor," as used in
1102 Sections 73-13-71 through 73-13-105, shall mean a person who
1103 engages in the practice of * * * surveying as hereinafter defined,
1104 whether in an individual capacity, or in behalf of or as an

1108 73-13-71 through 73-13-105, shall mean a candidate for licensure
1109 as a professional * * * surveyor who has successfully passed the
1110 fundamentals of land surveying examination, has met the
1111 requirements of the board for enrollment, has received from the
1112 board a certificate stating that he has successfully passed this
1113 portion of the professional land surveying examinations and has
1114 been enrolled as a * * * surveyor intern.

1115 (4) The practice of "* * * surveying," within the meaning
1116 and intent of Sections 73-13-71 through 73-13-105, shall mean
1117 providing professional services such as consultation,
1118 investigation, testimony evaluation, expert technical testimony,

1119 planning, mapping, assembling and interpreting reliable scientific
1120 measurement and information relative to the location, size, shape
1121 or physical features of the earth, improvements on the earth, the
1122 space above the earth, or any part of the earth, utilization and
1123 development of these facts and interpretation into an orderly
1124 survey map, plan or report and in particular, the retracement of
1125 or the creating of land boundaries and descriptions of real

1159 practice of engineering, which must be performed by or under the
1160 direct supervision of a professional * * * surveyor or a
1161 professional engineer and each map, drawing or report of which
1162 must be stamped with the seal of said licensee as provided in

1167 known as topographical surveys and as-built surveys (excluding the
1168 location of property boundaries);

1169 (b) Performing geodetic surveying which includes
1170 surveying for determination of the size and shape of the earth
1171 utilizing angular and linear measurements through spatially
1172 oriented spherical geometry;

1173 (c) Determining, by the use of principles of surveying,

1288 as a land surveyor or as both a professional engineer and a land
1289 surveyor may continue to use the seal or seals that he obtained

1304 be unlawful for anyone other than the licensee to whom the seal
1305 has been issued to stamp or seal any documents utilizing such
1306 seal.

1307 **SECTION 31.** Section 73-13-85, Mississippi Code of 1972, is
1308 reenacted and amended as follows:

1309 73-13-85. Certificates of licensure shall expire on the last

1311 and shall become invalid on that date unless renewed. It shall be
1312 the duty of the board to notify every person licensed under
1313 Sections 73-13-71 through 73-13-105 of the date of the expiration
1314 of his certificate and the amount of the fee that shall be
1315 required for its renewal for one (1) year; such notice shall be
1316 sent by first class mail to the last known address of the licensee
1317 at least one (1) month in advance of the date of the expiration of
1318 said certificate. Renewal may be effected at any time during the
1319 month of December by the payment of a fee not to exceed One
1320 Hundred Dollars (\$100.00). A person who is licensed as a
1321 professional * * * surveyor and as a professional engineer may
1322 effect both renewals by the payment of a single fee not to exceed
1323 Two Hundred Dollars (\$200.00). The failure on the part of any
1324 licensee to renew his certificate annually in the month of
1325 December as required above shall not deprive such person of the
1326 right of renewal, but the fee to be paid for the renewal of a
1327 certificate after the month of December shall be increased ten
1328 percent (10%) for each month that payment of renewal is delayed;
1329 however, the maximum fee for delayed renewal shall not exceed five
1330 (5) times the normal renewal fee.

1331 If a certificate has expired for six (6) months or more, the
1332 licensee shall be required to submit a new application, paying
1333 back fees and submitting proof of continuing professional
1334 competency compliance. If the certificate has expired for five
1335 (5) years or more, in addition to submitting a new application and
1336 proof of continuing professional competency compliance,
1337 reexamination in the principles and practice may be required. The
1338 reexamination may be waived by the board provided the applicant
1339 has continued to practice under another jurisdiction from the date
1340 of expiration of his certificate.

1341 **SECTION 32.** Section 73-13-87, Mississippi Code of 1972, is
1342 reenacted and amended as follows:

1343 73-13-87. The board may, upon application therefor and the
1344 payment of a fee to be determined by the board, * * * issue a
1345 certificate of licensure as a professional * * * surveyor to any
1346 person who holds a certificate of licensure issued to him by the
1347 proper authority of any state or territory or possession of the
1348 United States, or of any country, provided that the applicant's
1349 qualifications meet the requirements of Sections 73-13-71 through
1350 73-13-105 and the rules established by the board.

1351 **SECTION 33.** Section 73-13-89, Mississippi Code of 1972, is
1352 reenacted and amended as follows:

1353 73-13-89. The powers and duties of the board regarding
1354 disciplinary actions against any person, including nonlicensees
1355 accused of violating any of the laws of the State of Mississippi
1356 regarding the practice of * * * surveying or the rules,
1357 regulations, bylaws, or standards of conduct and ethics pertaining
1358 thereto as duly promulgated by the board, as well as the
1359 procedures for conducting said disciplinary proceedings, the penal
1360 sanctions available to the board in the event the charges are
1361 established, and the procedures for appeal from such actions of

1374 However, in case of a nonresident licensee or applicant, such

1377 Actions taken by the board in suspending a certificate of

1399 shall, upon conviction, be sentenced to pay a fine of not less
1400 than One Hundred Dollars (\$100.00), nor more than Five Thousand
1401 Dollars (\$5,000.00), in addition to reimbursement of investigative
1402 expenses and court costs, or suffer imprisonment for a period of

1404 provided for in this section may be assessed in addition to those
1405 civil penalties provided for in Section 73-13-37.

1406 Unless licensed in accordance with the provisions of Sections
1407 73-13-71 through 73-13-105, no person shall:

1421 with the public or any member thereof that any person is qualified
1422 or authorized to practice * * * surveying; or

1423 (c) Receive any fee or compensation or the promise of
1424 any fee or compensation for performing, offering or attempting to
1425 perform any service, work, act or thing which is any part of the
1426 practice of * * * surveying.

1427 Any person, firm, partnership, association or corporation
1428 which shall do, offer or attempt to do any one or more of the acts
1429 or things set forth in items (a) through (c) of the preceding
1430 paragraph shall be conclusively presumed and regarded as engaged
1431 in the practice of * * * surveying.

1432 It shall be the duty of all duly constituted officers of the
1433 law of this state, or any political subdivision thereof, to
1434 enforce the provisions of Sections 73-13-71 through 73-13-105 and
1435 to prosecute any persons violating same. The Attorney General of

1436 the state or his assistant shall act as legal adviser of the board
1437 and render such legal assistance as may be necessary in carrying
1438 out the provisions of Sections 73-13-71 through 73-13-105.

1439 **SECTION 36.** Section 73-13-97, Mississippi Code of 1972, is
1440 reenacted and amended as follows:

1441 73-13-97. Sections 73-13-71 through 73-13-105 shall not be
1442 construed to prevent or to affect:

1444 other legally recognized profession or trade, including the
1445 practice of geology as regulated pursuant to Title 73, Chapter 63;
1446 or

1447 (b) Employees and subordinates. The work of an
1448 employee or a subordinate of a person holding a certificate of
1449 registration under Sections 73-13-71 through 73-13-105; providing
1450 such work does not include final decisions and is done under the
1451 direct responsibility, checking and supervision of a person
1452 holding a certificate of licensure under Sections 73-13-71 through
1453 73-13-105; or

1454 (c) Government officers and employees. The practice of
1455 officers and employees of the government of the United States
1456 while engaged within this state in the practice of * * * surveying

1460 Constitution, and Sections 19-27-1 through 19-27-35 implementing
1461 the constitutional provision, who holds the office of county
1462 surveyor by either election or appointment, shall be exempt,
1463 through December 31, 1983, from the provisions of Sections
1464 73-13-71 through 73-13-105 insofar as his statutory duties within
1465 the boundaries of the county in which he is duly elected or
1466 appointed are concerned. From and after January 1, 1984, such
1467 surveyor shall not be exempt from the provisions of Sections

1468 73-13-71 through 73-13-105 unless he held the office of county
1469 surveyor by either election or appointment on December 31, 1983;
1470 or

1471 (e) Employees of railroad, public service and/or
1472 utility companies. The work or practice of a regular employee of
1473 a railroad, or a public service company or public utility, by
1474 rendering to such company * * * surveying service in connection
1475 with its facilities which are subject to regulation, supervision
1476 and control in order to safeguard life, health and property by the
1477 Public Service Commission or the Mississippi Department of
1478 Transportation of this state, shall be exempt so long as such
1479 person is thus actually and exclusively employed and no longer; or

1480 (f) The work of a regular employee of a railroad,
1481 rendering to the railroad * * * surveying services in connection
1482 with its facilities within the exclusive scope of his employment
1483 provided that:

1485 construction of rail lines by class one railroads shall be
1486 surveyed and platted in compliance with the Mississippi Minimum
1487 Standards for Land Surveying by a Mississippi professional * * *
1488 surveyor; and

1489 (ii) Upon the removal of track and disposition of
1490 an abandoned rail line the railroad shall retain and make

1493 rail line.

1494 (g) The practice of geologists performing geologic
1495 mapping insofar as such practice does not encompass tasks or
1496 projects included by statute in the scope of work comprising the
1497 practice of professional surveying as defined in Title 73, Chapter
1498 13.

1499 (h) Nothing in this chapter prohibits any municipality
1500 or county from creating maps for use in planning, zoning, taxing,
1501 elections, police or fire, E-911, public works, transportation or
1502 related activities. However, if any such document does not bear
1503 the seal and signature of a professional surveyor, the document
1504 shall not be considered to be certifiably accurate as to position
1505 or location, nor shall the document be considered to be an
1506 official survey.

1507 **SECTION 37.** Section 73-13-99, Mississippi Code of 1972, is
1508 reenacted and amended as follows:

1509 73-13-99. Sections 73-13-1 through 73-13-45 and 73-13-71
1510 through 73-13-103, Mississippi Code of 1972, which create
1511 the * * * Board of Licensure for Professional Engineers and * * *
1512 Surveyors and prescribe its duties and powers, shall stand
1513 repealed as of July 1, 2009.

1514 **SECTION 38.** Section 73-13-103, Mississippi Code of 1972, is
1515 reenacted and amended as follows:

1516 73-13-103. (1) For the purposes of this section, the term
1517 "surveyor" means a licensed professional * * * surveyor as defined
1518 in Section 73-13-71, and any person who is employed by or under
1519 the direct supervision of a professional * * * surveyor licensed
1520 under Sections 73-13-71 through 73-13-97.

1521 (2) A surveyor may enter in or upon public or private lands
1522 or waters, except buildings, while in the lawful performance of
1523 surveying duties without criminal liability for trespass; however,
1524 a surveyor shall make a good faith attempt to announce and
1525 identify himself and his intentions before entering upon private
1526 property and must present documentation sufficient to identify him
1527 as a surveyor to anyone requesting such identification.

1528 (3) The provisions of this section do not relieve a surveyor
1529 from any civil liability that otherwise is actionable at law or in
1530 equity, and do not relieve a surveyor from criminal liability for

1531 trespass if the entry in or upon the property extends beyond the
1532 property or area that is necessary to actually perform the
1533 surveying duties.

1534 (4) Surveyors shall be personally liable for any damage
1535 caused to private property when exercising entry under this
1536 section. No cause of action shall lie against a landowner for
1537 damages to a surveyor while on such lands unless the damage is
1538 caused by the intentional tortious conduct of landowner or his
1539 agent.

1540 **SECTION 39.** Section 73-13-105, Mississippi Code of 1972, is
1541 amended as follows:

1542 73-13-105. As of January 1, 2005, no corporation, firm or
1543 partnership may engage in the practice of professional surveying
1544 in this state unless it has been issued a certificate of authority
1545 by the board. In order to qualify for a certificate of authority,
1546 a corporation, firm or partnership must have at least one (1)
1547 Mississippi-licensed professional surveyor as a principal officer
1548 or partner of the firm who has management responsibility for such
1549 practice.

1550 The board shall have the authority to promulgate rules and
1551 regulations setting procedures, standards and other requirements
1552 for issuing and maintaining a certificate of authority for
1553 corporations, firms or partnerships practicing surveying in the
1554 State of Mississippi.

1555 Applications for a certificate of authority shall be on the
1556 forms prescribed and furnished by the board, and provide all the
1557 information required by said board. The board shall establish a
1558 fee for the certificate of authority application, not to exceed
1559 Two Hundred Fifty Dollars (\$250.00). Any corporation, firm or
1560 partnership having the necessary qualifications as prescribed
1561 herein and the rules and regulations of the board shall be issued
1562 a certificate of authority for said corporation, firm or

1563 partnership to practice surveying and to contract and collect fees
1564 for furnishing this service.

1565 Each certificate of authorization will expire on December 31
1566 of each year. It shall be the duty of the board to notify every
1567 corporation, firm or partnership holding a certificate of
1568 authority under Sections 73-13-71 through 73-13-105 of the date of
1569 the expiration of the certificate and the amount of the fee that
1570 shall be required for its renewal for one (1) year. The renewal
1571 fee shall not exceed One Hundred Fifty Dollars (\$150.00);
1572 penalties for late renewal shall be ten percent (10%) per month
1573 that payment is delayed. Additionally, if any of the information
1574 on the initial or any subsequent renewal application changes for
1575 the corporation, firm or partnership, said corporation, firm or
1576 partnership shall notify the board in the form and manner
1577 prescribed by the board within thirty (30) days of the change.

1578 Effective January 1, 2005, the Secretary of State shall not
1579 issue a certificate of incorporation, licensure or authorization
1580 to an applicant or licensure as a foreign firm to a corporation,
1581 firm or partnership which includes in its name, or among the
1582 objectives for which it is established, any of the words,
1583 "surveyor," "surveying" or any modification or derivation thereof,
1584 unless the board has issued for said applicant a certificate of
1585 authority or a letter indicating the eligibility of such applicant
1586 to receive such a certificate. The corporation, firm or
1587 partnership applying shall supply such certificate or letter from
1588 the board with its application for incorporation, licensure or
1589 authorization to the Secretary of State.

1590 A surveyor who renders occasional, part-time or consulting
1591 surveying services to or for a corporation, firm or partnership
1592 may not, for the purposes of this section, be designated as being
1593 responsible for the professional activities of the firm.

1594 No such corporation, firm or partnership shall be relieved of
1595 responsibility for the conduct or acts of its agents, employees,
1596 officers, partners, members or managers by reason of its
1597 compliance with the provisions of this section. No individual
1598 practicing surveying under this chapter shall be relieved of
1599 responsibility for surveying services performed by reason of
1600 employment or other relationship with a firm holding an
1601 authorization certificate.

1602 **SECTION 40.** This act shall take effect and be in force from
1603 and after July 1, 2004.
