

**REPORT OF CONFERENCE COMMITTEE**

**# 2**

**MADAM PRESIDENT AND MR. SPEAKER:**

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 3082: Appropriation; Bd. of Architecture.

We, therefore, respectfully submit the following report and recommendation:

- 1. That the House recede from its Amendment No. 1.
- 2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

5       **SECTION 1.** The following sum, or so much thereof as may be  
6 necessary, is hereby appropriated out of any money in the State  
7 Treasury to the credit of the State Board of Architecture and  
8 Landscape Architecture Advisory Committee, for the purpose of  
9 defraying the expenses incurred by said board for the fiscal year  
10 beginning July 1, 2005, and ending June 30, 2006 .....

.....	\$	278,248.00.
-------	----	-------------

12       **SECTION 2.** With the funds appropriated under the provisions  
13 of Section 1, the following positions are authorized:

14       **AUTHORIZED POSITIONS:**

Permanent:	Full Time .....	2
	Part Time .....	0
Time-Limited:	Full Time .....	0
	Part Time .....	0

19       With the funds herein appropriated, it is the intention of  
20 the Legislature that it shall be the agency's responsibility to  
21 make certain that funds required to be appropriated for "Personal  
22 Services" for Fiscal Year 2007 do not exceed Fiscal Year 2006  
23 funds appropriated for that purpose, unless programs or positions  
24 are added to the agency's Fiscal Year 2007 budget by the  
25 Mississippi Legislature. Based on data provided by the  
26 Legislative Budget Office, the State Personnel Board shall

27 determine and publish the projected annual cost to fully fund all  
28 appropriated positions in compliance with the provisions of this  
29 act. It shall be the responsibility of the agency head to insure  
30 that no single personnel action increases this projected annual  
31 cost and/or the Fiscal Year 2006 appropriation for "Personal  
32 Services" when annualized, with the exception of escalated funds.  
33 If, at the time the agency takes any action to change "Personal  
34 Services," the State Personnel Board determines that the agency  
35 has taken an action which would cause the agency to exceed this  
36 projected annual cost or the Fiscal Year 2006 "Personal Services"  
37 appropriated level, when annualized, then only those actions which  
38 reduce the projected annual cost and/or the appropriation  
39 requirement will be processed by the State Personnel Board until  
40 such time as the requirements of this provision are met.

41 Any transfers or escalations shall be made in accordance with  
42 the terms, conditions and procedures established by law or  
43 allowable under the terms set forth within this act. The State  
44 Personnel Board shall not escalate positions without written  
45 approval from the Department of Finance and Administration. The  
46 Department of Finance and Administration shall not provide written  
47 approval to escalate any funds for salaries and/or positions  
48 without proof of availability of new or additional funds above the  
49 appropriated level.

50 No general funds authorized to be expended herein shall be  
51 used to replace federal funds and/or other special funds which are  
52 being used for salaries authorized under the provisions of this  
53 act and which are withdrawn and no longer available.

54 The agency shall not take any action to promote or otherwise  
55 award salary increases through reallocation, reclassification,  
56 realignment, education benchmark, career ladder, or any other  
57 means to increase salaries of employees or positions, except for  
58 the award of teacher pay increases.

59           **SECTION 3.** It is the intention of the Legislature that the  
60 Board of Architecture shall maintain complete accounting and  
61 personnel records related to the expenditure of all funds  
62 appropriated under this act and that such records shall be in the  
63 same format and level of detail as maintained for Fiscal Year  
64 2005. It is further the intention of the Legislature that the  
65 agency's budget request for Fiscal Year 2007 shall be submitted to  
66 the Joint Legislative Budget Committee in a format and level of  
67 detail comparable to the format and level of detail provided  
68 during the Fiscal Year 2006 budget request process.

69           **SECTION 4.** The money herein appropriated shall be paid by  
70 the State Treasurer out of any money in the State Treasury to the  
71 credit of the proper fund or funds as set forth in this act, upon  
72 warrants issued by the State Fiscal Officer; and the State Fiscal  
73 Officer shall issue his warrants upon requisitions signed by the  
74 proper person, officer or officers in the manner provided by law.

75           **SECTION 5.** This act shall take effect and be in force from  
76 and after July 1, 2005.
