42 With the funds herein appropriated, it is the intention of
43 the Legislature that it shall be the agency's responsibility to
44 make certain that funds required to be appropriated for "Personal
45 Services" for Fiscal Year 2007 do not exceed Fiscal Year 2006
46 funds appropriated for that purpose, unless programs or positions
47 are added to the agency's Fiscal Year 2007 budget by the
48 Mississippi Legislature. Based on data provided by the
49 Legislative Budget Office, the State Personnel Board shall
50 determine and publish the projected annual cost to fully fund all
51 appropriated positions in compliance with the provisions of this
52 act. It shall be the responsibility of the agency head to insure
53 that no single personnel action increases this projected annual
54 cost and/or the Fiscal Year 2006 appropriation for "Personal
55 Services" when annualized, with the exception of escalated funds.
56 If, at the time the agency takes any action to change "Personal
57 Services," the State Personnel Board determines that the agency
58 has taken an action which would cause the agency to exceed this
59 projected annual cost or the Fiscal Year 2006 "Personal Services"
60 appropriated level, when annualized, then only those actions which
61 reduce the projected annual cost and/or the appropriation
62 requirement will be processed by the State Personnel Board until
63 such time as the requirements of this provision are met.

64 Any transfers or escalations shall be made in accordance with
65 the terms, conditions and procedures established by law or
66 allowable under the terms set forth within this act. The State
67 Personnel Board shall not escalate positions without written
68 approval from the Department of Finance and Administration. The
69 Department of Finance and Administration shall not provide written
70 approval to escalate any funds for salaries and/or positions
71 without proof of availability of new or additional funds above the
72 appropriated level.

73 No general funds authorized to be expended herein shall be
74 used to replace federal funds and/or other special funds which are
75 being used for salaries authorized under the provisions of this
76 act and which are withdrawn and no longer available.

77 **SECTION 4.** In addition to all other sums herein
78 appropriated, the following sum, or so much thereof as may be
79 necessary, is hereby appropriated out of any money in the State
