117 **SECTION 6.** With the funds herein appropriated, it is the  
 118 intention of the Legislature that it shall be the agency's

119 responsibility to make certain that funds required to be  
120 appropriated for "Personal Services" for Fiscal Year 2007 do not  
121 exceed Fiscal Year 2006 funds appropriated for that purpose,  
122 unless programs or positions are added to the agency's Fiscal Year  
123 2007 budget by the Mississippi Legislature. Based on data  
124 provided by the Legislative Budget Office, the State Personnel  
125 Board shall determine and publish the projected annual cost to  
126 fully fund all appropriated positions in compliance with the  
127 provisions of this act. It shall be the responsibility of the  
128 agency head to insure that no single personnel action increases  
129 this projected annual cost and/or the Fiscal Year 2006  
130 appropriation for "Personal Services" when annualized, with the  
131 exception of escalated funds. If, at the time the agency takes  
132 any action to change "Personal Services," the State Personnel  
133 Board determines that the agency has taken an action which would  
134 cause the agency to exceed this projected annual cost or the  
135 Fiscal Year 2006 "Personal Services" appropriated level, when  
136 annualized, then only those actions which reduce the projected  
137 annual cost and/or the appropriation requirement will be processed  
138 by the State Personnel Board until such time as the requirements  
139 of this provision are met.

140 Any transfers or escalations shall be made in accordance with  
141 the terms, conditions and procedures established by law or  
142 allowable under the terms set forth within this act. The State  
143 Personnel Board shall not escalate positions without written  
144 approval from the Department of Finance and Administration. The  
145 Department of Finance and Administration shall not provide written  
146 approval to escalate any funds for salaries and/or positions  
147 without proof of availability of new or additional funds above the  
148 appropriated level.

149 No general funds authorized to be expended herein shall be  
150 used to replace federal funds and/or other special funds which are

151 being used for salaries authorized under the provisions of this  
152 act and which are withdrawn and no longer available.

153         **SECTION 7.** The Bureau of Building, Grounds and Real Property  
154 Management of the Office of General Services is hereby expressly  
155 authorized and empowered to receive, budget and expend any state,  
156 local or other source funds designated for supplemental funding of  
157 construction and/or repairs and renovation projects.

158         **SECTION 8.** Of the funds appropriated under the provisions of  
159 Section 2, the following amounts are authorized to be spent out of  
160 the Statewide Cost Allocation Fund No. 3143 by the Department of  
161 Finance and Administration:

162           (a) Three Hundred Two Thousand Fifty Dollars (\$302,050.00)  
163                 for the purpose of defraying computer expenses.

164           (b) One Million Eighty-seven Thousand One Hundred Twenty-  
165                 eight Dollars (\$1,087,128.00) for the purpose of  
166                 defraying the cost of the acquisition, development and  
167                 implementation of the Statewide Automated Accounting  
168                 System, which includes implementation and operation of  
169                 an imaging/electronic processing system and records  
170                 management.

171           (c) One Million One Hundred Ninety-eight Thousand Two  
172                 Hundred Thirty-six Dollars (\$1,198,236.00) for the  
173                 purpose of defraying the expenses of administration of  
174                 the Statewide Cost Allocation Plan, utilities for the  
175                 Capitol Complex, and Air Transport Services.

176         **SECTION 9.** It is the intention of the Legislature that the  
177 Department of Finance and Administration shall maintain complete  
178 accounting and personnel records related to the expenditure of all  
179 funds appropriated under this act and that such records shall be  
180 in the same format and level of detail as maintained for Fiscal  
181 Year 2005. It is further the intention of the Legislature that  
182 the agency's budget request for Fiscal Year 2007 shall be

183 submitted to the Joint Legislative Budget Committee in a format  
184 and level of detail comparable to the format and level of detail  
185 provided during the Fiscal Year 2006 budget request process.

186       **SECTION 10.** The Department of Finance and Administration  
187 shall have the authority to enter into leases with vendors at the  
188 property located in the northwest quadrant of the intersection of  
189 Woodrow Wilson Avenue and West Street in Jackson, Mississippi,  
190 commonly known as the Farmer's Market, for a lease period not to  
191 exceed three (3) years. Only those vendors which are current  
192 vendors of the Farmer's Market located in the northwest quadrant  
193 of the intersection of Woodrow Wilson Avenue and West Street in  
194 Jackson, Mississippi, at the time of passage may enter into leases  
195 with the Department of Finance and Administration. The funds  
196 derived from the rent proceeds of said property shall be deposited  
197 in the Capital Facilities Rent Fund (Fund 3131) in the State  
198 Treasury. The Department of Finance and Administration shall not  
199 increase the rent charged to the vendors unless the annual costs  
200 associated with maintaining, repairing, providing security, paying  
201 utilities, and related expenses for said property exceed the  
202 annual rental income. It is the intention of the Legislature that  
203 the Department of Finance and Administration is hereby authorized  
204 to escalate, budget, and expend funds in an amount not to exceed  
205 Two Hundred Fifty Thousand Dollars (\$250,000.00) for costs  
206 associated with maintaining, repairing, providing security, paying  
207 utilities, and related expenses for said property. The escalation  
208 authority granted in this section shall only be permitted with  
209 funds derived from rent revenues received from leases on said  
210 properties.

211       **SECTION 11.** The money herein appropriated shall be paid by  
212 the State Treasurer out of any money in the State Treasury to the  
213 credit of the proper fund or funds as set forth in this act, upon  
214 warrants issued by the State Fiscal Officer; and the State Fiscal

215 Officer shall issue his warrants upon requisitions signed by the  
216 proper person, officer or officers, in the manner provided by law.

217         **SECTION 12.** This act shall take effect and be in force from  
218 and after July 1, 2005.
