157 service as a state employee. Unused major medical leave in excess
158 of thirty (30) days shall be counted as creditable service for the
159 purposes of the retirement system as provided in Sections
160 25-11-103 and 25-13-5.

161 (6) Any officer of the Mississippi Highway Safety Patrol who
162 is injured by wound or accident in the line of duty shall not be
163 required to use earned major medical leave during the period of
164 recovery from such injury.

166 earned major medical leave of each employee shall be credited
167 monthly after the completion of each calendar month, and the
168 appointing authority shall not increase the amount of major
169 medical leave to an employee's credit. It shall be unlawful for
170 an appointing authority to grant major medical leave in an amount
171 greater than was earned and accumulated by the officer or

172 employee.

173 (8) Any employee may donate a portion of his or her earned
174 personal leave or major medical leave to another employee who is
175 suffering from a catastrophic injury or illness, as defined in
176 Section 25-3-91, or to another employee who has a member of his or
177 her immediate family who is suffering from a catastrophic injury
178 or illness, in accordance with the following:

179 (a) The employee donating the leave (the "donor
180 employee") shall designate the employee who is to receive the
181 leave (the "recipient employee") and the amount of earned personal
182 leave and major medical leave that is to be donated, and shall
183 notify the donor employee's appointing authority or supervisor of
184 his or her designation. The donor employee's appointing authority
185 or supervisor then shall notify the recipient employee's
186 appointing authority or supervisor of the amount of leave that has
187 been donated by the donor employee to the recipient employee.

188 (b) The maximum amount of earned personal leave that an
189 employee may donate to any other employee may not exceed a number
190 of days that would leave the donor employee with fewer than seven
191 (7) days of personal leave left, and the maximum amount of earned
192 major medical leave that an employee may donate to any other
193 employee may not exceed fifty percent (50%) of the earned major
194 medical leave of the donor employee. All donated leave shall be
195 in increments of not less than twenty-four (24) hours.

196 (c) An employee must have exhausted all of his or her
197 earned personal leave and major medical leave before he or she
198 will be eligible to receive any leave donated by another employee.

199 (d) Before an employee may receive donated leave, he or
200 she must provide his or her appointing authority or supervisor
201 with a physician's statement that states the beginning date of the
202 catastrophic injury or illness, a description of the injury or
203 illness, and a prognosis for recovery and the anticipated date
204 that the recipient employee will be able to return to work.

205 (e) If an employee is aggrieved by the decision of his
206 or her appointing authority that the employee is not eligible to

207 receive donated leave because the injury or illness of the
208 employee or member of the employee's immediate family is not, in
209 the appointing authority's determination, a catastrophic injury or
210 illness, the employee may appeal the decision to the employee
211 appeals board.

212 (f) Beginning on March 25, 2003, the maximum period of
213 time that an employee may use donated leave without resuming work
214 at his or her place of employment is ninety (90) days, which
215 commences on the first day that the recipient employee uses
216 donated leave. Donated leave that is not used because a recipient
217 employee has used the maximum amount of donated leave authorized
218 under this paragraph shall be returned to the donor employees in
219 the manner provided under paragraph (g) of this subsection.

220 (g) If the total amount of leave that is donated to any
221 employee is not used by the recipient employee, the donated leave
222 shall be returned to the donor employees on a pro rata basis,
223 based on the ratio of the number of days of leave donated by each
224 donor employee to the total number of days of leave donated by all
225 donor employees.

226 (h) The failure of any appointing authority or
227 supervisor of any employee to properly deduct an employee's
228 donation of leave to another employee from the donor employee's
229 earned personal leave or major medical leave shall constitute just
230 cause for the dismissal of the appointing authority or supervisor.

231 (i) No person through the use of coercion, threats or
232 intimidation shall require or attempt to require any employee to
233 donate his or her leave to another employee. Any person who
234 alleges a violation of this paragraph shall report the violation
235 to the executive head of the agency by whom he or she is employed
236 or, if the alleged violator is the executive head of the agency,
237 then the employee shall report the violation to the State
238 Personnel Board. Any person found to have violated this paragraph
239 shall be subject to removal from office or termination of
240 employment.

241 (j) No employee can donate leave after tendering notice
242 of separation for any reason or after termination.

243 (k) Recipient employees of agencies with more than five
244 hundred (500) employees as of March 25, 2003, may receive donated
245 leave only from donor employees within the same agency. A
246 recipient employee in an agency with five hundred (500) or fewer
247 employees as of March 25, 2003, may receive donated leave from any
248 donor employee.

249 (l) In order for an employee to be eligible to receive
250 donated leave, the employee must:

251 (i) Have been employed for a total of at least
252 twelve (12) months by the employer on the date on which the leave
253 is donated; and

254 (ii) Have been employed for at least one thousand
255 two hundred fifty (1,250) hours of service with such employer
256 during the previous twelve-month period from the date on which the
257 leave is donated.

258 (m) Donated leave shall not be used in lieu of
259 disability retirement.

260 (n) For the purposes of this subsection, "immediate
261 family" means spouse, parent, stepparent, sibling, child or
262 stepchild.
