46 For the fiscal year beginning on July 1, 2006, funds are

48 who has been employed for twelve (12) months or longer by an

51 With the funds herein appropriated, it is the intention of
52 the Legislature that it shall be the agency's responsibility to
53 make certain that funds required to be appropriated for "Personal
54 Services" for Fiscal Year 2008 do not exceed Fiscal Year 2007
55 funds appropriated for that purpose, unless programs or positions
56 are added to the agency's Fiscal Year 2008 budget by the
57 Mississippi Legislature. Based on data provided by the
58 Legislative Budget Office, the State Personnel Board shall
59 determine and publish the projected annual cost to fully fund all

66 Services," the State Personnel Board determines that the agency
67 has taken an action which would cause the agency to exceed this
68 projected annual cost or the Fiscal Year 2007 "Personal Services"
69 appropriated level, when annualized, then only those actions which
70 reduce the projected annual cost and/or the appropriation
71 requirement will be processed by the State Personnel Board until
72 such time as the requirements of this provision are met.

73 Any transfers or escalations shall be made in accordance with
74 the terms, conditions and procedures established by law or
75 allowable under the terms set forth within this act. The State
76 Personnel Board shall not escalate positions without written
77 approval from the Department of Finance and Administration. The
78 Department of Finance and Administration shall not provide written
79 approval to escalate any funds for salaries and/or positions
80 without proof of availability of new or additional funds above the
81 appropriated level.

82 No general funds authorized to be expended herein shall be
83 used to replace federal funds and/or other special funds which are
84 being used for salaries authorized under the provisions of this
85 act and which are withdrawn and no longer available.

86 **SECTION 4.** It is the intention of the Legislature that the
87 Department of Marine Resources shall maintain complete accounting
88 and personnel records related to the expenditure of all funds
89 appropriated under this act and that such records shall be in the
90 same format and level of detail as maintained for Fiscal Year
91 2006. It is further the intention of the Legislature that the
92 agency's budget request for Fiscal Year 2008 shall be submitted to
93 the Joint Legislative Budget Committee in a format and level of

95 during the Fiscal Year 2007 budget request process.

103 appropriated, the following sum, or so much thereof as may be
104 necessary, is hereby appropriated out of any money in the State
105 Treasury to the credit of the Tidelands Fund No. 3452 to the

114 only be used at the discretion of the Department of Marine
115 Resources to draw down federal monies.

120 beginning June 30, and every six (6) months thereafter for the
121 duration of the project to the Department of Marine Resources on
122 how funds authorized in this section were expended.

123 It is the intention of the Legislature that any political
124 subdivision seeking to qualify for tidelands funds for the

127 submitted will be reviewed and evaluated by the Department of
128 Marine Resources in accordance to department plans and procedures.

130 high dollar value and projects that have a record of stacking
131 funds shall be considered as low priority projects when evaluated.

133 necessary, is hereby reappropriated out of any money in the State
134 Treasury to the credit of the Department of Marine Resources,

136 available to the department, for expenditures pursuant to House

138 year beginning July 1, 2006, and ending June 30, 2007.....
139 \$8,125,781.00

140 **SECTION 8.** It is the intention of the Legislature that the
141 commission shall place any special trust funds appropriated to the
142 department in a special trust fund and the interest earned on the
143 principal shall be credited to the special trust fund. Monies in
144 the fund at the end of the fiscal year shall be retained in the
145 special trust fund for use in the next succeeding fiscal year.
146 The department may use the interest earned on the fund to pay
147 reasonable costs for administering the fund and related projects.

167 **SECTION 11.** It is the intention of the Legislature that
168 whenever two (2) or more bids are received by this agency for the
169 purchase of commodities or equipment, and whenever all things
170 stated in such received bids are equal with respect to price,
171 quality and service, the Mississippi Industries for the Blind

173 the Mississippi Industries for the Blind whenever purchases are
174 made without competitive bids.
