143 may have ceased to be such officers before the sale and delivery  
144 of such bonds, or who may not have been in office on the date such  
145 bonds may bear, the signatures of such officers upon such bonds  
146 and coupons shall nevertheless be valid and sufficient for all  
147 purposes and have the same effect as if the person so officially  
148 signing such bonds had remained in office until their delivery to  
149 the purchaser, or had been in office on the date such bonds may  
150 bear. However, notwithstanding anything herein to the contrary,  
151 such bonds may be issued as provided in the Registered Bond Act of  
152 the State of Mississippi.

153       **SECTION 6.** All bonds and interest coupons issued under the  
154 provisions of this act have all the qualities and incidents of  
155 negotiable instruments under the provisions of the Uniform  
156 Commercial Code, and in exercising the powers granted by this act,  
157 the commission shall not be required to and need not comply with  
158 the provisions of the Uniform Commercial Code.

159       **SECTION 7.** The commission shall act as the issuing agent for  
160 the bonds authorized under this act, prescribe the form of the  
161 bonds, advertise for and accept bids, issue and sell the bonds so  
162 authorized to be sold, pay all fees and costs incurred in such  
163 issuance and sale, and do any and all other things necessary and  
164 advisable in connection with the issuance and sale of such bonds.  
165 The commission is authorized and empowered to pay the costs that  
166 are incident to the sale, issuance and delivery of the bonds  
167 authorized under this act from the proceeds derived from the sale  
168 of such bonds. The commission shall sell such bonds on sealed  
169 bids at public sale, and for such price as it may determine to be  
170 for the best interest of the State of Mississippi, but no such  
171 sale shall be made at a price less than par plus accrued interest  
172 to the date of delivery of the bonds to the purchaser. All  
173 interest accruing on such bonds so issued shall be payable  
174 semiannually or annually; however, the first interest payment may  
175 be for any period of not more than one (1) year.

176       Notice of the sale of any such bonds shall be published at  
177 least one (1) time, not less than ten (10) days before the date of  
178 sale, and shall be so published in one or more newspapers  
179 published or having a general circulation in the City of Jackson,  
180 Mississippi, and in one or more other newspapers or financial  
181 journals with a national circulation, to be selected by the  
182 commission.

183       The commission, when issuing any bonds under the authority of  
184 this act, may provide that bonds, at the option of the State of

Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

**SECTION 8.** The bonds issued under the provisions of this act are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

**SECTION 9.** Upon the issuance and sale of bonds under the provisions of this act, the commission shall transfer the proceeds of any such sale or sales to the special fund created in Section 2 of this act. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

**SECTION 10.** The bonds authorized under this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this act. Any resolution providing for the issuance of bonds under the provisions of this act shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

**SECTION 11.** The bonds authorized under the authority of this act may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the

force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

**SECTION 12.** Any holder of bonds issued under the provisions of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this act, or under such resolution, and may enforce and compel performance of all duties required by this act to be performed, in order to provide for the payment of bonds and interest thereon.

**SECTION 13.** All bonds issued under the provisions of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

**SECTION 14.** Bonds issued under the provisions of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

**SECTION 15.** The proceeds of the bonds issued under this act shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

**SECTION 16.** The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due

249 the principal of, premium, if any, and interest on, or the  
250 accreted value of, all bonds issued under this act; and the State  
251 Treasurer shall forward the necessary amount to the designated  
252 place or places of payment of such bonds in ample time to  
253 discharge such bonds, or the interest thereon, on the due dates  
254 thereof.

255       **SECTION 17.** This act shall be deemed to be full and complete  
256 authority for the exercise of the powers therein granted, but this  
257 act shall not be deemed to repeal or to be in derogation of any  
258 existing law of this state.

259       **SECTION 18.** This act shall take effect and be in force from  
260 and after its passage.
