
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:
SECTION 1. The title of Sections 1 through 7 of this chapter shall be known and may be cited as the "Early Voting Act."

SECTION 2. For purposes of this act, these words shall have the following meanings, unless their context clearly suggests otherwise:

(a) "Election" means the period of time that is available for casting a final vote. References to the time of an election or the duration of the election shall encompass, unless the context clearly indicates otherwise, the six-day period that has been designed for early voting.

(b) "Polling place" or "voting precinct" means any place that a qualified elector votes during the early voting period and on the actual election day.

SECTION 3. During any primary, general, runoff, special or municipal election for public office, any qualified elector may vote:

(a) In the elector's assigned precinct on election day;

(b) In the office of the registrar in which the elector is registered to vote during the times established in Section 4 of this act for early voting; or

(c) By a mail-in absentee ballot.

SECTION 4. (1) The early voting period shall begin six (6) days before the date of each primary, general, runoff, special and municipal election for public office and continue until 12:00 p.m. on Saturday preceding the election day. If the date prescribed
for beginning the early voting period falls on a Sunday or state
holiday, the early voting period shall begin on the next regular
business day.

(2) Early voting shall be conducted in the office of the
appropriate registrar during regular business hours. If the
office space of the registrar is insufficient or inconvenient to
accommodate early voting, the registrar may provide an alternate
location to conduct early voting, and in such case, adequate
notice shall be posted at the registrar's office that informs the
public of the location where early voting is being conducted. The
registrar may conduct early voting at an additional secure polling
place outside his or her office. During the last full week
preceding an election, the office of the appropriate registrar may
extend the office hours to accommodate early voters. All
registrar offices shall remain open from 8:00 a.m. until 12:00
p.m. for the two (2) Saturdays immediately preceding each
election.

(3) Notice of the early voting hours shall be given by the
officials in charge of the election not less than eight (8) days
before the day early voting begins. The notice shall be posted in
three (3) public places within the county or municipality, with
one (1) place being the county courthouse in a county election or
city hall in a municipal election.

SECTION 5. (1) A qualified elector who desires to vote
during the early voting period shall appear at the office of the
appropriate registrar in the county or municipality in which the
elector is registered to vote and shall present an acceptable form
of photo identification. Upon verification of the proper location
and identity, the elector shall sign the appropriate receipt book
and cast his or her vote in the same manner that the vote would be
cast on the day of the election. Except as otherwise provided in
Sections 1 through 7 of this act, the election laws that govern
the procedures for a person who appears to vote on the day of an
election shall apply when a person appears to vote during the
early voting period.

(2) All votes cast during the early voting period shall be final.
(3) The votes cast during the early voting period shall be announced simultaneously with all other votes cast on election
day.
(4) Qualified electors voting during the early voting period
shall be entitled to the same voting assistance that they would be
entitled to on the actual election day.

SECTION 6. Each political party, candidate or any
representative of a political party or candidate pursuant to
Section 23-15-577 shall have the right to be present at the office
of the appropriate registrar when it is open for early voting and
to challenge the qualifications of any person offering to vote in
the same manner as provided by law for challenging qualifications
at the polling place on election day.
SECTION 7. The Secretary of State shall promulgate rules and regulations necessary to effectuate early voting, including measures to inform the public about the availability of early voting.

SECTION 8. Section 23-15-625, Mississippi Code of 1972, is amended as follows:

23-15-625. (1) The registrar shall be responsible for providing applications for absentee voting as provided in this section. At least sixty (60) days before any election in which absentee voting is provided for by law, the registrar shall provide a sufficient number of applications. In the event a special election is called and set at a date which makes it impractical or impossible to prepare applications for absent elector's ballot sixty (60) days before the election, the registrar shall provide applications as soon as practicable after the election is called. The registrar shall fill in the date of the particular election on the application for which the application will be used.

(2) The registrar shall be authorized to disburse applications for absentee ballots to any qualified elector within the county where he or she serves. Any person who presents to the registrar an oral or written request for an absentee ballot application for a voter entitled to vote absentee by mail, other than the elector who seeks to vote by absentee ballot, shall, in the presence of the registrar, sign the application and print on
the application his or her name and address and the name of the
elector for whom the application is being requested in the place
provided for on the application for that purpose. However, if for
any reason such person is unable to write the information
required, then the registrar shall write the information on a
printed form which has been prescribed by the Secretary of State.
The form shall provide a place for such person to place his or her
mark after the form has been filled out by the registrar.

(3) It shall be unlawful for any person to solicit absentee
ballot applications or absentee ballots for persons staying in any
skilled nursing facility as defined in Section 41-7-173 unless the
person soliciting the absentee ballot applications or absentee
ballots is:

(a) A family member of the person staying in the
skilled nursing facility; or

(b) A person designated in writing by the person for
whom the absentee ballot application or absentee ballot is sought,
the registrar or the deputy registrar.

As used in this subsection, "family member" means a spouse,
parent, grandparent, sibling, adult child, grandchild or legal
guardian.

(4) The registrar upon receiving by mail the
envelopes containing the absentee ballots shall keep an accurate
list of all persons preparing such ballots. The list shall be
kept in a conspicuous place accessible to the public near the
entrance to the registrar's office. The registrar shall also furnish to each precinct manager a list of the names of all persons in each respective precinct voting absentee by mail and in person to be posted in a conspicuous place at the polling place for public notice. The application on file with the registrar and the envelopes containing the ballots that voters mailed to the registrar shall be kept by the registrar in his or her office in a secure location. At the time such boxes are delivered to the election commissioners or managers, the registrar shall also turn over a list of all such persons who have voted by absentee ballot and whose mailed ballots are in the registrar's office.

(5) The registrar shall also be authorized to mail one (1) application to any qualified elector of the county, who is eligible to vote by absentee ballot, for use in a particular election.

(6) The registrar shall process all applications for absentee ballots by using the Statewide Election Management System. The registrar shall account for all absentee ballots delivered to and received by mail as well as those who voted absentee in person from qualified voters by processing such ballots using the Statewide Election Management System.

SECTION 9. Section 23-15-627, Mississippi Code of 1972, is amended as follows:

23-15-627. Any elector described in Section 23-15-713 may request an absentee ballot application and vote in person at the
office of the registrar in the county in which he or she resides. The registrar shall be responsible for furnishing an absentee ballot application form to any elector authorized to receive an absentee ballot. Except as otherwise provided in Section 23-15-625, absentee ballot applications shall be furnished to a person only upon the oral or written request of the elector who seeks to vote by absentee ballot; however, the parent, child, spouse, sibling, legal guardian, those empowered with a power of attorney for that elector's affairs or agent of the elector, who is designated in writing and witnessed by a resident of this state who shall write his or her physical address on such designation, may orally request an absentee ballot application on behalf of the elector. The written designation shall be valid for one (1) year after the date of the designation. An absentee ballot application must have the seal of the circuit or municipal clerk affixed to it and be initialed by the registrar or his or her deputy in order to be used to obtain an absentee ballot. A reproduction of an absentee ballot application shall not be valid unless it is a reproduction provided by the office of the registrar of the jurisdiction in which the election is being held and which contains the seal and initials required by this section. Such application shall be substantially in the following form:

SECTION 10. Section 23-15-629, Mississippi Code of 1972, is amended as follows:

23-15-629. (1) The application for an absentee ballot of a person who is permanently or temporarily physically disabled shall be accompanied by a statement signed by such person's physician, or nurse practitioner ____. The statement must show that the person signing the statement is a licensed, practicing ____. physician or nurse practitioner and must indicate that the person applying for the absentee ballot is permanently or temporarily
physically disabled to such a degree that it is difficult for him
or her to vote in person.

(2) An application accompanied by the statement provided for
in subsection (1) of this section shall entitle such permanently
physically disabled person to automatically receive an absentee
ballot for all elections on a continuing basis without the
necessity for reapplication. The application accompanied by the
statement provided in subsection (1) of this section entitles the
temporarily physically disabled person to receive an absentee
ballot by mail for that election and a later corresponding runoff
election.

(3) The registrar of each county shall keep an accurate list
of the names and addresses of all persons whose applications for
absentee ballot are accompanied by the statement set forth in
subsection (1) of this section. Sixty (60) days before each
election, the registrar shall deliver such list to the election
commissioners who shall examine the list and delete from it the
names of all persons listed who are no longer qualified electors
of the county. Upon completion of such examination, the election
commissioners shall return the list to the registrar by no later
than forty-five (45) days before the election.

(4) The registrar shall mail a ballot to all persons who are
determined by the election commissioners to be qualified electors
pursuant to subsection (3) of this section by no later than forty
(40) days before the election.
SECTION 11. Section 23-15-631, Mississippi Code of 1972, is amended as follows:

23-15-631. (1) The registrar shall enclose with each ballot mailed to an absent elector separate printed instructions furnished by the registrar containing the following:

* * *

(* * *a) Upon receipt of the enclosed ballot, you will not mark the ballot except in view or sight of the attesting witness. In the sight or view of the attesting witness, mark the ballot according to instructions.

(* * *b) After marking the ballot, fill out and sign the "ELECTOR'S CERTIFICATE" on the back of the envelope so that the signature is across the flap of the envelope to ensure the integrity of the ballot. All absent electors shall have the attesting witness sign the "ATTESTING WITNESS CERTIFICATE" across the flap on the back of the envelope. Place the necessary postage on the envelope and deposit it in the post office or some government receptacle provided for deposit of mail so that the absent elector's ballot will be postmarked on or before the date of the election and received by the registrar no more than five (5) business days after the election.

Any notary public, United States postmaster, assistant United States postmaster, United States postal supervisor, clerk in charge of a contract postal station, or other officer having authority to administer an oath or take an acknowledgment may be
an attesting witness; provided, however, that in the case of an
absent elector who is temporarily or permanently physically
disabled, the attesting witness may be any person eighteen (18)
years of age or older and such person is not required to have the
authority to administer an oath. If a postmaster, assistant
postmaster, postal supervisor, or clerk in charge of a contract
postal station acts as an attesting witness, his or her signature
on the elector's certificate must be authenticated by the
cancellation stamp of their respective post offices. If an
officer having authority to administer an oath or take an
acknowledgement acts as attesting witness, his or her signature on
the elector's certificate, together with his or her title and
address, but no seal, shall be required. * * *

(* * *c) When the application accompanies the ballot
it shall not be returned in the same envelope as the ballot but
shall be returned in a separate preaddressed envelope provided by
the registrar. However, if time permits, the registrar shall
first send and receive a returned application from the absent
elector before mailing the absentee ballot.

(* * *d) A candidate for public office, or the spouse,
parent or child of a candidate for public office, may not be an
attesting witness for any absentee ballot upon which the
candidate's name appears, unless the voter is related within the
first degree to the candidate or the spouse, parent or child of
the candidate.
( * * * ) Any voter casting an absentee ballot who declares that he or she requires assistance to vote by reason of blindness, temporary or permanent physical disability or inability to read or write, shall be entitled to receive assistance in the marking of his or her absentee ballot and in completing the affidavit on the absentee ballot envelope. The voter may be given assistance by anyone of the voter's choice other than a candidate whose name appears on the absentee ballot being marked, the spouse, parent or child of a candidate whose name appears on the absentee ballot being marked or the voter's employer, an agent of that employer or a union representative; however, a candidate whose name is on the ballot or the spouse, parent or child of such candidate may provide assistance upon request to any voter who is related within the first degree. In order to ensure the integrity of the ballot, any person who provides assistance to an absentee voter shall be required to sign and complete the "Certificate of Person Providing Voter Assistance" on the absentee ballot envelope.

(2) The foregoing instructions required to be provided by the registrar to the elector shall also constitute the substantive law pertaining to the handling of absentee ballots by the elector and registrar.

SECTION 12. Section 23-15-635, Mississippi Code of 1972, is amended as follows:
23-15-635. (1) The form of the elector's certificate, attesting witness certification and certificate of person providing voter assistance on the back of the envelope used by absentee voters who are not absent voters as defined in Section 23-15-673, shall be as follows:

(3) The registrar, or any deputy registrar duly appointed by law, may visit and spend such time as he or she may deem necessary at any location in his or her county, selected by the registrar not less than thirty (30) days before any regularly scheduled primary or general election, for the purpose of registering voters.

It is not the purpose of this section to indicate the decision that should be reached by the election commissioners in certain cases but to define which applicants should receive further examination by providing for an automatic review.

SECTION 26. Section 23-15-47, Mississippi Code of 1972, is amended as follows:

23-15-47. (1) Any person who is qualified to register to vote in the State of Mississippi may register to vote by mail-in application in the manner prescribed in this section.

(2) The following procedure shall be used in the registration of electors by mail:

(a) Any qualified elector may register to vote by mailing or delivering a completed mail-in application to his or her county registrar at least thirty (30) days before any election day; however, if the thirtieth day to register before an election falls on a Sunday or legal holiday, the registration applications submitted on the business day immediately following the Sunday or legal holiday shall be accepted and entered into the Statewide Elections Management System for the purpose of enabling voters to vote in the next election. The postmark date of a mailed application shall be the applicant's date of registration.

(b) Upon receipt of a mail-in application, the county registrar shall stamp the application with the date of receipt, and shall verify the application either by matching the applicant's Mississippi driver's license number through the
Mississippi Department of Public Safety or by matching the applicant's social security number through the American Association of Motor Vehicle Administrators. Within fourteen (14) days of receipt of a mail-in registration application, the county registrar shall complete action on the application, including any attempts to notify the applicant of the status of his or her application.

(c) If the county registrar determines that the applicant is qualified and his or her application is legible and complete, the county registrar shall mail the applicant written notification that the application has been approved, specifying the county voting precinct, municipal voting precinct, if any, polling place and supervisor district in which the person shall vote. This written notification of approval containing the specified information shall be the voter's registration card. The registration card shall be provided by the county registrar to the applicant in accordance with Section 23-15-39. Upon entry of the voter registration information into the Statewide Elections Management System, the system shall assign a voter registration number to the applicant. The assigned voter registration number shall be clearly shown on the written notification of approval. In mailing the written notification, the county registrar shall note the following on the envelope: "DO NOT FORWARD". If any registration notification form is returned as undeliverable, the voter's registration shall be void.
(d) A mail-in application shall be rejected for any of the following reasons:

(i) An incomplete portion of the application makes it impossible for the registrar to determine the eligibility of the applicant to register;

(ii) A portion of the application is illegible in the opinion of the county registrar and makes it impossible to determine the eligibility of the applicant to register;

(iii) The county registrar is unable to determine, from the address and information stated on the application, the precinct in which the voter should be assigned or the supervisor district in which he or she is entitled to vote;

(iv) The applicant is not qualified to register to vote pursuant to Section 23-15-11;

(v) The county registrar determines that the applicant is already registered as a qualified elector of the county;

(vi) The county registrar is unable to verify the application pursuant to subsection (2)(b) of this section.

(e) If the mail-in application of a person is subject to rejection for any of the reasons set forth in paragraph (d)(i) through (iii) of this subsection, and it appears to the county registrar that the defect or omission is of such a minor nature and that any necessary additional information may be supplied by the applicant over the telephone or by further correspondence, the
county registrar may write or call the applicant at the telephone number or address, or both, provided on the application. If the county registrar is able to contact the applicant by mail or telephone, the county registrar shall attempt to ascertain the necessary information, and if this information is sufficient for the registrar to complete the application, the applicant shall be registered. If the necessary information cannot be obtained by mail or telephone, or is not sufficient to complete the application within fourteen (14) days of receipt, the county registrar shall give the applicant written notice of the rejection and provide the reason for the rejection. The county registrar shall further inform the applicant that he or she has a right to attempt to register by appearing in person or by filing another mail-in application.

(f) If a mail-in application is subject to rejection for the reason stated in paragraph (d)(v) of this subsection and the "present home address" portion of the application is different from the residence address for the applicant found in the Statewide Elections Management System, the mail-in application shall be deemed a written request to update the voter's registration pursuant to Section 23-15-13. The county registrar or the election commissioners shall update the voter's residence address in the Statewide Elections Management System and, if necessary, advise the voter of a change in the location of his or
her county or municipal polling place by mailing the voter a new voter registration card.

(3) The instructions and the application form for voter registration by mail shall be in a form established by rule duly adopted by the Secretary of State.

(4) (a) The Secretary of State shall prepare and furnish without charge the necessary forms for application for voter registration by mail to each county registrar, municipal clerk, all public schools, each private school that requests such applications, and all public libraries.

(b) The Secretary of State shall distribute without charge sufficient forms for application for voter registration by mail to the Commissioner of Public Safety, who shall distribute the forms to each driver's license examining and renewal station in the state, and shall ensure that the forms are regularly available to the public at such stations.

(c) Bulk quantities of forms for application for voter registration by mail shall be furnished by the Secretary of State to any person or organization. The Secretary of State shall charge a person or organization the actual cost he or she incurs in providing bulk quantities of forms for application for voter registration to such person or organization.

(5) The originals of completed mail-in applications shall remain on file in the office of the county registrar with copies retained in the Statewide Elections Management System.
(6) If the applicant indicates on the application that he or she resides within the city limits of a city or town in the county of registration, the county registrar shall enter the information into the Statewide Elections Management System.

(7) If the applicant indicates on the application that he or she has previously registered to vote in another county of this state or another state, notice to the voter's previous county of registration in this state shall be provided through the Statewide Elections Management System. If the voter's previous place of registration was in another state, notice shall be provided to the voter's previous state of residence.

(8) Any person who attempts to register to vote by mail shall be subject to the penalties for false registration provided for in Section 23-15-17.

Three (3) election commissioners shall constitute a quorum to do business; but the concurrence of at least three (3) election commissioners shall be necessary in all cases for the rendition of a decision. The election commissioners shall hear
and determine all appeals from the decisions of the registrar of
their county, allowing or refusing the applications of electors to
be registered; and they shall correct illegal or improper
registrations, and shall secure the elective franchise, as
affected by registration, to those who may be illegally or
improperly denied the same.

SECTION 28. Section 23-15-127, Mississippi Code of 1972, is
amended as follows:

23-15-127. (1) It shall be the duty of the registrar of the
county or municipality to prepare and furnish to the appropriate
election commissioner pollbooks for each voting precinct in which

pollbooks for each registrar's office in which early voting is to
be conducted, in which shall be entered the name, residence, date
of birth and date of registration of each person duly registered
in * * * that voting precinct as now provided by law, and which
pollbooks shall be known as "primary election pollbooks" and shall
be used only in holding primary elections.

(2) The election commissioners of the county or municipality
shall revise the primary pollbooks at the time and in the manner
and in accordance with the laws now fixed and in force for
revising pollbooks now provided for under the law, except they
shall not remove from the pollbook any person who is qualified to
participate in primary elections * * *. However, upon the written
request of the municipal election commission, the county election

When properly completed and signed, the certification must be filed with the clerk of the county board of supervisors before any payment may be made. The certification will be a public record available for inspection and reproduction immediately upon the oral or written request of any person.

Any person may contest the accuracy of the certification in any respect by notifying the chair of the commission, any member of the board of supervisors or the clerk of the board of supervisors of the contest at any time before or after payment is made. (11) Any election commissioner who has not received a certificate issued by the Secretary of State pursuant to Section 23-15-211 indicating that the election commissioner has received the required elections seminar instruction and that the election commissioner is fully qualified to conduct an election, shall not receive any compensation authorized by this section or Section 23-15-239.

SECTION 30. Section 23-15-171, Mississippi Code of 1972, is amended as follows:

23-15-171. (1) Except as otherwise provided in Section 4 of this act, municipal primary elections shall be held on the first
Tuesday in April preceding the general municipal election and, in the event a second primary shall be necessary, such second primary shall be held on the fourth Tuesday in April preceding such general municipal election. The candidate receiving a majority of the votes cast in the election shall be the party nominee. If no candidate shall receive a majority vote at the election, the two (2) candidates receiving the highest number of votes shall have their names placed on the ballot for the second primary election. The candidate receiving the most votes cast in the second primary election shall be the party nominee. However, if no candidate shall receive a majority vote at the first primary, and there is a tie in the election of those receiving the next highest vote, those candidates receiving the next highest vote and the candidate receiving the highest vote shall have their names placed on the ballot for the second primary election, and whoever receives the most votes cast in the second primary election shall be the party nominee. At the primary election the municipal executive committee shall perform the same duties as are specified by law and performed by members of the county executive committee with regard to state and county primary elections. Each municipal executive committee shall have as many members as there are elective officers of the municipality, and the members of the municipal executive committee of each political party shall be elected in the primary elections held for the nomination of candidates for municipal offices. The provisions of this section...
shall govern all municipal primary elections as far as applicable, but the officers to prepare the ballots and the poll managers and other officials of the primary election shall be appointed by the municipal executive committee of the party holding the primary, and the returns of such election shall be made to such municipal executive committee. Vacancies in the executive committee shall be filled by it.

(2) Provided, however, that in municipalities operating under a special or private charter which fixes a time for holding elections, other than the time fixed by Chapter 491, Laws of 1950, the first primary election shall be held on the first Tuesday, two (2) months before the time for holding the general election, as fixed by the charter, and the second primary election, where necessary, shall be held three (3) weeks after the first primary election, unless the charter of any such municipality provides otherwise, in which event the provisions of the special or private charter shall prevail as to the time of holding such primary elections.

(3) All primary elections in municipalities shall be held and conducted in the same manner as is provided by law for state and county primary elections.

SECTION 31. Section 23-15-173, Mississippi Code of 1972, is amended as follows:

23-15-173. (1) A general municipal election shall be held in each city, town or village on the first Tuesday after the first
Monday of June 1985, and every four (4) years thereafter, for the
election of all municipal officers elected by the people. **Early**
voting for those general municipal elections shall be conducted as
provided in Sections 1 through 7 of this act.

(2) All municipal general elections shall be held and
conducted in the same manner as is provided by law for state and
county general elections.

(3) The provisions of Sections 23-15-171 and 23-15-173,
which fix the times to hold primary and general elections, shall
not apply to any municipality operating under a special or private
charter where the governing board or authority thereof, on or
before June 25, 1952, shall have adopted and spread upon its
minutes a resolution or ordinance declining to accept the
provisions, in which event the primary and general elections shall
be held at the time fixed by the charter of the municipality.

**SECTION 32.** Section 23-15-191, Mississippi Code of 1972, is
amended as follows:

23-15-191. The first primary shall be held on the first
Tuesday after the first Monday of August preceding any regular or
general election; and the second primary shall be held three (3)
weeks thereafter. **Early voting for the primary election shall be**
conducted as provided for in Sections 1 through 7 of this act.

The candidate that receives a majority of the votes cast in the
election shall be the party nominee. If no candidate receives a
majority vote at the election, then the two (2) candidates who
receive the highest number of votes shall have their names placed on the ballot for the second primary election to be held three (3) weeks later. The candidate who receives the most votes in the second primary election shall be the party nominee. 23-15-309. (1) Nominations for all municipal officers which are elective shall be made * * * during the days for conducting a
primary election, or elections, to be held in the manner prescribed by law. All persons desiring to be candidates for the nomination in the primary elections shall first pay Ten Dollars ($10.00) to the clerk of the municipality, at least sixty (60) days before date the early voting period begins for the first primary election, no later than 5:00 p.m. on such deadline day. 

If the sixtieth day to file the fee and written statement before the date the early voting period begins for an election falls on a Sunday or legal holiday, the fees and written statements submitted on the business day immediately following the Sunday or legal holiday shall be accepted.

(2) The fee paid pursuant to subsection (1) of this section shall be accompanied by a written statement containing the name and address of the candidate, the party with which he or she is affiliated, the email address of the candidate, if any, and the office for which he or she is a candidate.

(3) The clerk shall promptly receipt the payment, stating the office for which the person making the payment is running and the political party with which such person is affiliated. The clerk shall keep an itemized account in detail showing the time and date of the receipt of such payment received by him or her, from whom such payment was received, the party with which such person is affiliated and for what office the person paying the fee is a candidate. No candidate may attempt to qualify with any political party that does not have a duly organized municipal
executive committee, and the municipal clerk shall not accept any
assessments made pursuant to subsection (1) if the municipal clerk
does not have contact information for the secretary of the
municipal executive committee for that political party. The clerk
shall promptly supply all necessary information and pay over all
fees so received to the secretary of the proper municipal
executive committee. The funds may be used and disbursed in the
same manner as is allowed in Section 23-15-299 in regard to other

(4) Upon receipt of the above information, the proper
municipal executive committee shall then determine, at the time of
the qualifying deadline, whether each candidate is a qualified
elector of the municipality, and of the ward if the office sought
is a ward office, shall determine whether each candidate either
meets all other qualifications to hold the office he or she is
seeking or presents absolute proof that he or she will, subject to
no contingencies, meet all qualifications on or before the date of
the general or special election at which he or she could be
elected to office. The executive committee shall determine
whether the candidate has taken the steps necessary to qualify for
more than one (1) office at the election. The committee also
shall determine whether any candidate has been convicted of any
felony in a court of this state, or has been convicted on or after
December 8, 1992, of any offense in another state which is a
felony under the laws of this state, or has been convicted of any
felony in a federal court on or after December 8, 1992. Excepted from the above are convictions of manslaughter and violations of the United States Internal Revenue Code or any violations of the tax laws of this state unless such offense also involved misuse or abuse of his or her office or money coming into his or her hands by virtue of the office. If the proper municipal executive committee finds that a candidate either (a) does not meet all qualifications to hold the office he or she seeks and fails to provide absolute proof, subject to no contingencies, that he or she will meet the qualifications on or before the date the early voting period begins for the general or special election at which he or she could be elected, or (b) has been convicted of a felony as described in this subsection and not pardoned, then the executive committee shall notify the candidate and give the candidate an opportunity to be heard. The executive committee shall mail notice to the candidate at least three (3) business days before the hearing to the address provided by the candidate on the qualifying forms, and the committee shall attempt to contact the candidate by telephone, email and facsimile if the candidate provided this information on the forms. If the candidate fails to appear at the hearing or to prove he or she meets all qualifications to hold the office subject to no contingencies, then the name of such candidate shall not be placed upon the ballot. If the executive committee determines that the candidate has taken the steps necessary to qualify for more than
one (1) office at the election, the action required by Section 23-15-905, shall be taken.

(5) Where there is but one (1) candidate, the proper municipal executive committee when the time has expired within which the names of candidates shall be furnished shall declare such candidate the nominee.

opportunity to be heard. The election commission shall mail
notice to the candidate at least three (3) business days before
the hearing to the address provided by the candidate on the
qualifying forms, and the committee shall attempt to contact the

If the candidate fails to appear at the hearing or to prove that he or she meets all qualifications to hold the office subject to no contingencies, then the name of such candidate shall not be placed upon the ballot. 23-15-363. After the proper officer has knowledge of or has been notified of the nomination, as provided, of any candidate for office, the officer shall not omit his or her name from the ballot, unless upon the written request of the candidate nominated, made at least ten (10) days before the early voting period for the election begins, and in no case after the ballot has been printed; and every ballot shall contain the names of all candidates nominated as specified, and not duly withdrawn.

Nominees of the political parties, qualified to conduct primary elections as defined in Section 23-15-291, shall be listed first alphabetically by the candidate's last name, followed by any other candidates listed alphabetically by last name.

(3) It is the duty of the Secretary of State, with the approval of the Governor, to furnish the designated election commissioner of each county a sample of the official ballot, not less than fifty-five (55) days before the early voting period begins for the election, the general form of which shall be followed as nearly as practicable.

23-15-511. The ballots shall, as far as practicable, be in the same order of arrangement as provided for paper ballots that are to be counted manually, except that the information may be printed in vertical or horizontal rows. Nothing in this chapter shall be construed as prohibiting the information being presented to the voters from being printed on both sides of a single ballot. In those years when a special election shall occur * * * during the same voting period as the general election, the names of candidates in any special election and the general election shall be placed on the same ballot by the election commissioners or officials in charge of the election, but the general election

the same ballot by the officials in charge of the election, but
shall be clearly distinguished as special election candidates or

shall be printed on tinted paper; or the ink used to print the
ballots shall be of a color different from that of the ink used to

candidates so as to indicate clearly the candidates for each

candidates for an office than can be printed in one (1) column,
the ballot shall be clearly marked that the list of candidates is
continued on the following column. The names of candidates for

(2) In case of a vacancy in the office of United States Senator, the Governor may appoint a Senator to fill the vacancy temporarily, and if the United States Senate be in session at the time the vacancy occurs the Governor shall appoint a Senator within ten (10) days after receiving official notice thereof, and the appointed Senator shall serve until a successor is elected and commissioned as provided for in subsection (1) of this section, provided that such unexpired term as he or she may be appointed to fill shall be for a longer time than one (1) year, but if for a shorter time than one (1) year, he or she shall serve for the full time of the unexpired term and no special election shall be called by the Governor but a successor shall be elected at the regular election.

The clerk of the election commission shall then give a certificate of election to the person elected, and return to the Secretary of State a copy of the order of holding the election and runoff election results, certified by the clerk of the governing authority. The person elected shall be commissioned by the Governor.

However, if nineteen (19) days before the early voting period begins for the election only one (1) person shall have qualified as a candidate, the governing authority, or remainder of

After hearing the evidence, the circuit judge shall determine whether the candidate whose qualifications have been challenged is legally qualified to have his or her name placed upon the ballot in question. The circuit judge may, upon disqualification of any such candidate, order that ** the candidate ** bear the court costs of the proceedings.

(8) Within three (3) days after judgment is rendered by the circuit court, the contestant or contestee, or both, may file an appeal in the Supreme Court upon giving a cost bond in the sum of Three Hundred Dollars ($300.00), together with a bill of exceptions that shall state the point or points of law at issue with a sufficient synopsis of the facts to fully disclose the bearing and relevancy of such points of law. The bill of exceptions shall be signed by the trial judge, or in case of his absence, refusal or disability, by two (2) disinterested attorneys, as is provided by law in other cases of bills of exception. The filing of the appeals shall automatically suspend the decision of the circuit court and the appropriate election officials are entitled to proceed based upon their
decision unless and until the Supreme Court, in its discretion, stays further proceedings in the matter. The appeal shall be immediately docketed in the Supreme Court and referred to the court en banc upon briefs without oral argument unless the court shall call for oral argument, and shall be decided at the earliest possible date, as a preference case over all others. The Supreme Court shall have the authority to grant such relief as is appropriate under the circumstances.

(9) The procedure set forth above shall be the * * * only manner in which the qualifications of a candidate seeking public office who qualified pursuant to the provisions of Sections 23-15-359, 23-15-213 and 23-15-361 * * * may be challenged * * * before the time of his or her election. After any such person has been elected to public office, the election may be challenged as otherwise provided by law. After any person assumes an elective office, his or her qualifications to hold that office may be contested as otherwise provided by law.

(4) If only one (1) person files his or her intent to be a candidate for a judicial office and that person later dies, resigns or is otherwise disqualified from holding the judicial office after the deadline provided for in subsection (1) of this section but more than seventy (70) days before the date * * * that early voting begins for the general election, the Governor, upon notification of the death, resignation or disqualification of the person, shall issue a proclamation authorizing candidates to file their intent to be a candidate for that judicial office for a period of not less than seven (7) nor more than ten (10) days from the date of the proclamation.

(5) If only one (1) person qualifies as a candidate for a judicial office and that person later dies, resigns or is otherwise disqualified from holding the judicial office within seventy (70) days before the date * * * that early voting begins for the general election, the judicial office shall be considered vacant for the new term and the vacancy shall be filled as provided in by law.

23-15-1081. the same presidential preference primary.

SECTION 78. Section 23-15-1083, Mississippi Code of 1972, is

the year in which a presidential preference primary may be held
pursuant to Section 23-15-1081. Upon * * * the notification, the
Secretary of State shall issue a proclamation setting every
party's congressional and senatorial primary elections, including
the period for early voting,
which the presidential preference primary is to be held on the

The secretary shall also notify the candidate that he or she
may withdraw his or her name from the ballot by filing with the
Secretary of State an affidavit pursuant to Section 23-15-1095 no

who shall likewise serve as an officer of the municipality.
However, the governing authorities of the municipality shall have the power, by ordinance, to combine the office of clerk or marshal with the office of tax collector and/or tax assessor. * * * The governing authorities shall have the further power to provide that * * * any of * * * those officers, except those of mayor and aldermen, shall be appointive, in which case the marshal or chief of police, the tax collector, the tax assessor, and the city or town clerk, or such of * * * the officers as may be made appointive, shall be appointed by the governing authorities. Any action taken by the governing authorities to make any of * * * the offices appointive shall be by ordinance of * * * the municipality, and no such ordinance shall be adopted within ninety (90) days * * * before the period for early voting begins for any regular general election for the election of municipal officers.

No such ordinance shall become effective during the term of office of any officer whose office shall be affected thereby. If any such office is made appointive, the person appointed thereto shall hold office at the pleasure of the governing authorities and may be discharged by * * * the governing authorities at any time, either with or without cause, and it shall be discretionary with the governing authorities whether or not to require * * * the person appointed thereto to reside within the corporate limits of the municipality in order to hold * * * the office.

Such primary election or elections, shall be held not less than ten (10), nor more than thirty (30) days, before the general or special election, and the primary election or elections shall be held and conducted in the manner as near as may be as is provided by law for state and county primary elections.

SECTION 83. Section 37-5-9, Mississippi Code of 1972, is amended as follows:

37-5-9. The name of any qualified elector who is a candidate for the county board of education shall be placed on the ballot used in the general elections by the county election commissioners, provided that the candidate files with the county election commissioners, not more than ninety (90) days and not less than sixty (60) days before the date early voting begins for the general election, a petition of nomination signed by not less than fifty (50) qualified electors of the county residing within each supervisors district. Where there are less than one hundred (100) qualified electors in the supervisors district, it shall only be required that the petition of nomination be signed by at least twenty percent (20%) of the
qualified electors of such supervisors district. The candidate in
each supervisors district who receives the majority of votes cast
in the district shall be declared elected. If no candidate
receives a majority of the votes cast at the election, a runoff
shall be held between the two (2) candidates receiving the highest
number of votes in the first election. The runoff election, in
the event that such is necessary, shall be held three (3) weeks
after the first election.

When any member of the county board of education is to be
elected from the county at large under the provisions of this
chapter, then the petition required by the preceding paragraph
hereof shall be signed by the required number of qualified
electors residing in any part of the county outside of the
territory embraced within a municipal separate school district or
special municipal separate school district. The candidate who
receives the majority of votes cast in the election shall be
declared elected. If no candidate receives a majority of the
votes cast at the election, a runoff shall be held between the two
(2) candidates receiving the highest number of votes in the first
election. The runoff election, in the event that such is
necessary, shall be held three (3) weeks after the first election.

In no case shall any qualified elector residing within a
municipal separate school district or special municipal separate
school district be eligible to sign a petition of nomination for
any candidate for the county board of education under any of the provisions of this section.

SECTION 84. Section 21-8-7, Mississippi Code of 1972, is amended as follows:

21-8-7. (1) Each municipality operating under the mayor-council form of government shall be governed by an elected council and an elected mayor. Other officers and employees shall be duly appointed pursuant to this chapter, general law or ordinance.

(2) Except as otherwise provided in subsection (4) of this section, the mayor and council members shall be elected by the voters of the municipality at a regular municipal election held on the first Tuesday after the first Monday in June as provided in Section 21-11-7, and shall serve for a term of four (4) years beginning on the first day of July next following the election that is not on a weekend. Votes for mayor and council members may also be cast during the period for early voting as provided for in this act.

(3) The terms of the initial mayor and council members shall commence at the expiration of the terms of office of the elected officials of the municipality serving at the time of adoption of the mayor-council form.

(4) (a) The council shall consist of five (5), seven (7) or nine (9) members. In the event there are five (5) council members, the municipality shall be divided into either five (5) or
four (4) wards. In the event there are seven (7) council members, the municipality shall be divided into either seven (7), six (6) or five (5) wards. In the event there are nine (9) council members, the municipality shall be divided into seven (7) or nine (9) wards. If the municipality is divided into fewer wards than it has council members, the other council member or members shall be elected from the municipality at large. The total number of council members and the number of council members elected from wards shall be established by the petition or petitions presented pursuant to Section 21-8-3. One (1) council member shall be elected from each ward by the voters of that ward. Council members elected to represent wards must be residents of their wards at the time of qualification for election, and any council member who removes the member's residence from the municipality or from the ward from which elected shall vacate that office. However, any candidate for council member who is properly qualified as a candidate under applicable law shall be deemed to be qualified as a candidate in whatever ward the member resides if the ward has changed after the council has redistricted the municipality as provided in paragraph (c)(ii) of this subsection (4), and if the wards have been so changed, any person may qualify as a candidate for council member, using the person's existing residence or by changing the person's residence, not less than fifteen (15) days before the period for early voting begins for the first party primary or special party primary, as the case may
be, notwithstanding any other residency or qualification requirements to the contrary.

(b) The council or board existing at the time of the adoption of the mayor-council form of government shall designate the geographical boundaries of the wards within one hundred twenty (120) days after the election in which the mayor-council form of government is selected. In designating the geographical boundaries of the wards, each ward shall contain, as nearly as possible, the population factor obtained by dividing the municipality's population as shown by the most recent decennial census by the number of wards into which the municipality is to be divided.

(c) (i) It shall be the mandatory duty of the council to redistrict the municipality by ordinance, which ordinance may not be vetoed by the mayor, within six (6) months after the official publication by the United States of the population of the municipality as enumerated in each decennial census, and within six (6) months after the effective date of any expansion of municipal boundaries; however, if the publication of the most recent decennial census or effective date of an expansion of the municipal boundaries occurs six (6) months or more before the first party primary of a general municipal election, then the council shall redistrict the municipality by ordinance not less than sixty (60) days before the period for early voting begins for the first party primary.
(ii) If the publication of the most recent decennial census occurs less than six (6) months before the first primary of a general municipal election, the election shall be held with regard to the existing defined wards; reapportioned wards based on the census shall not serve as the basis for representation until the next regularly scheduled election in which council members shall be elected.

(d) If annexation of additional territory into the municipal corporate limits of the municipality occurs less than six (6) months before the first party primary of a general municipal election, the council shall, by ordinance adopted within three (3) days of the effective date of the annexation, assign the annexed territory to an adjacent ward or wards so as to maintain as nearly as possible substantial equality of population between wards; any subsequent redistricting of the municipality by ordinance as required by this chapter shall not serve as the basis for representation until the next regularly scheduled election for municipal council members.

(5) Vacancies occurring in the council shall be filled as provided in Section 23-15-857.

(6) The mayor shall maintain an office at the city hall. The council members shall not maintain individual offices at the city hall; however, in a municipality having a population of one hundred thousand (100,000) and above according to the latest federal decennial census, council members may have individual
offices in the city hall. Clerical work of council members in the performance of the duties of their office shall be performed by municipal employees or at municipal expense, and council members shall be reimbursed for the reasonable expenses incurred in the performance of the duties of their office.

SECTION 85. Section 9-4-5, Mississippi Code of 1972, is amended as follows:

(b) The laws regulating the general elections shall apply to and govern the elections of judges of the Court of Appeals except as otherwise provided in Sections 23-15-974 through 23-15-985.

(c) In the year ** before the expiration of the term of an incumbent, and likewise each eighth year thereafter, an election shall be held in the manner provided in this section in the district from which the incumbent Court of Appeals judge was elected at which there shall be elected a successor to the incumbent, whose term of office shall thereafter begin on the first Monday of January of the year in which the term of the incumbent he or she succeeds expires.

(3) No person shall be eligible for the office of judge of the Court of Appeals who has not attained the age of thirty (30) years at the time of his or her election and who has not been a practicing attorney and citizen of the state for five (5) years immediately ** before the election.
