on nonconsumable medical cannabis, including, but not limited to, suppositories, ointments, soaps, and lotions or other topical agents.

(11) For purposes of this chapter, total THC is defined as THCA multiplied by .877 plus THC Delta 9 and all other psychoactive forms or isomers of THC added together. A medical cannabis establishment shall not sell cannabis flower or trim that has a potency of greater than thirty percent (30%) total THC. A medical cannabis dispensary shall not sell cannabis tinctures, oils or concentrates that have a potency of greater than sixty percent (60%) total THC. Cannabis products that have a potency of over thirty percent (30%) total THC shall be clearly labeled as "extremely potent." Edible cannabis products, including food or drink products, that have been combined with usable cannabis or cannabis products shall be physically demarked and labeled with a clear determination of how much total THC is in a single-serving size and how much THC is in the entire package.

A medical cannabis product shall contain a notice of harm regarding the use of cannabis products. Edible cannabis products shall be homogenized to ensure uniform disbursement of cannabinoids throughout the product. All molded edible cannabis products shall be presented in the form of geometric shapes and shall not be molded to contain any images or characters designed or likely to appeal to minors, such as cartoons, toys, animals or children.

(12) A dispensary may not dispense more than the allowable amount of cannabis to a registered qualifying patient or a nonresident cardholder, directly or via a registered designated caregiver. Dispensaries shall ensure compliance with this limitation by maintaining internal, confidential records that include records specifying how much medical cannabis is being dispensed to the registered qualifying patient or nonresident cardholder and whether it was dispensed directly to a registered

qualifying patient, nonresident cardholder or to the registered designated caregiver.

(13) A nonresident cardholder shall not obtain more than a total of six (6) MMCEUs of allowable medical cannabis in a week from a dispensary or a combination of dispensaries. A nonresident cardholder shall not obtain more than a total of twelve (12) MMCEUs of allowable cannabis from a dispensary or a combination of dispensaries in a fifteen-day period.

(14) A nonresident may apply to receive a nonresident registry identification card up to thirty (30) days before arriving in Mississippi. A nonresident registry identification card shall be valid for fifteen (15) days. After the expiration of the card, a nonresident may apply for a renewal of the card and may be granted another card which shall be valid for another fifteen-day period. A nonresident registry identification card shall only be valid, at a maximum, for two (2) separate periods of fifteen (15) days in a three-hundred-sixty-five-day period. An

applicant may indicate on his or her application the specific time period that he or she wishes for the card to be valid. The possession limit of the allowable amount of medical cannabis for nonresident cardholders shall be fourteen (14) MMCEUs.

(15) A medical cannabis dispensary agent or employee shall not issue a written certification. Employees and agents of a medical cannabis dispensary shall complete at least eight (8) hours of continuing education in medical cannabis as regulated by the MDOR in order to be certified to work at a medical cannabis dispensary. After the first year of employment, these employees shall complete five (5) hours of continuing education in medical cannabis annually to maintain this certification.

(16) Notwithstanding any other provision to the contrary, a patient with a debilitating medical condition who is between eighteen (18) years to twenty-five (25) years of age is not eligible for a medical cannabis registry identification card unless two (2) practitioners from separate medical practices have

diagnosed the patient as having a debilitating medical condition after an in-person consultation. One (1) of these practitioners must be a physician or doctor of osteopathic medicine.

If one (1) of the recommending practitioners is not the patient's primary care practitioner, the recommending practitioner shall review the records of a diagnosing practitioner. The requirement that the two (2) practitioners be from separate medical practices does not apply if the patient is homebound or if the patient had a registry identification card before the age of eighteen (18).

(17) A medical cannabis establishment shall not allow an individual who is younger than twenty-one (21) years old to enter the premises of the establishment unless the individual possesses a registry identification card and is accompanied by his or her legal guardian.

(18) A medical cannabis establishment shall only purchase, grow, cultivate, and use cannabis that is grown and cultivated in

this state. Any medical cannabis that is grown and cultivated in this state shall not be transported outside of this state.

(19) Employees of all medical cannabis establishments shall apply for a work permit with the MDOH and MDOR, as applicable, before beginning employment with any establishment. The licensing agency for the respective medical cannabis establishment may issue work permits to these individuals. These licensing agencies shall maintain a work registry of all applicants and work permits issued. The fee for a work permit shall be Twenty-five Dollars (\$25.00) and the permit shall be valid for five (5) years. Work permits shall be the property of the employee and shall not be transferable to other employees.

(20) For purposes of this subsection, "plant growth regulator cannabis" shall mean a cannabis plant whose growth and structure has been modified using plant growth hormones. A cannabis cultivation facility shall not cultivate and a cannabis
