section.

(2) There is created in the State Treasury a special fund to

The special fund shall consist of funds required to be deposited

upon appropriation by the Legislature, and shall only be used as
provided in the Coronavirus State Fiscal Recovery Fund in Section

department of finance and administration in administering expenditures from the funds.

(3) Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the Coronavirus State Fiscal Recovery Fund. Any investment earnings or interest earned on amounts in the special fund shall be deposited to the credit of the special fund.

The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund. (7) The department shall have all powers necessary to implement and administer the program. Of the funds appropriated to the department for the program, not more than five percent (5%) may be used by the department to cover the department's costs of administering the program.

(5) The department shall operate and administer the grant
program from funds appropriated by the Legislature from the
Coronavirus State Fiscal Recovery Funds.

(6) The Department of Health shall submit to the Joint
Legislative Budget Committee before October 1 of each year an
