BY: Committee

**Amend by striking all after the enacting clause and inserting
in lieu thereof the following:**

95 **SECTION 1.** Section 3, Chapter 421, Laws of 2019, is amended
96 as follows:

97 Section 3. (1) As used in this section, the following words
98 shall have the meanings ascribed herein unless the context clearly
99 requires otherwise:

100 (a) "Accreted value" of any bonds means, as of any date
101 of computation, an amount equal to the sum of (i) the stated
102 initial value of such bond, plus (ii) the interest accrued thereon
103 from the issue date to the date of computation at the rate,
104 compounded semiannually, that is necessary to produce the

105 approximate yield to maturity shown for bonds of the same
106 maturity.

107 (b) "State" means the State of Mississippi.

108 (c) "Commission" means the State Bond Commission.

109 (2) (a) The Mississippi Development Authority, at one time,
110 or from time to time, may declare by resolution the necessity for
111 issuance of general obligation bonds of the State of Mississippi
112 to provide funds for the program authorized in Section 57-1-16.
113 Upon the adoption of a resolution by the Mississippi Development
114 Authority declaring the necessity for the issuance of any part or
115 all of the general obligation bonds authorized by this subsection,
116 the Mississippi Development Authority shall deliver a certified
117 copy of its resolution or resolutions to the commission. Upon
118 receipt of such resolution, the commission, in its discretion, may
119 act as the issuing agent, prescribe the form of the bonds,
120 determine the appropriate method for sale of the bonds, advertise
121 for and accept bids or negotiate the sale of the bonds, issue and
122 sell the bonds so authorized to be sold, and do any and all other
123 things necessary and advisable in connection with the issuance and
124 sale of such bonds. The total amount of bonds issued under this
125 section shall not exceed * * * Twenty-nine Million Dollars
126 (\$29,000,000.00). No bonds authorized under this section shall be
127 issued after July 1, 2023.

128 (b) The proceeds of bonds issued pursuant to this
129 section shall be deposited into the ACE Fund created pursuant to

130 Section 57-1-16. Any investment earnings on bonds issued pursuant
131 to this section shall be used to pay debt service on bonds issued
132 under this section, in accordance with the proceedings authorizing
133 issuance of such bonds.

134 (3) The principal of and interest on the bonds authorized
135 under this section shall be payable in the manner provided in this
136 subsection. Such bonds shall bear such date or dates, be in such
137 denomination or denominations, bear interest at such rate or rates
138 (not to exceed the limits set forth in Section 75-17-101,
139 Mississippi Code of 1972), be payable at such place or places
140 within or without the State of Mississippi, shall mature
141 absolutely at such time or times not to exceed twenty-five (25)
142 years from date of issue, be redeemable before maturity at such
143 time or times and upon such terms, with or without premium, shall
144 bear such registration privileges, and shall be substantially in
145 such form, all as shall be determined by resolution of the
146 commission.

147 (4) The bonds authorized by this section shall be signed by
148 the chairman of the commission, or by his facsimile signature, and
149 the official seal of the commission shall be affixed thereto,
150 attested by the secretary of the commission. The interest
151 coupons, if any, to be attached to such bonds may be executed by
152 the facsimile signatures of such officers. Whenever any such
153 bonds shall have been signed by the officials designated to sign
154 the bonds who were in office at the time of such signing but who

155 may have ceased to be such officers before the sale and delivery
156 of such bonds, or who may not have been in office on the date such
157 bonds may bear, the signatures of such officers upon such bonds
158 and coupons shall nevertheless be valid and sufficient for all
159 purposes and have the same effect as if the person so officially
160 signing such bonds had remained in office until their delivery to
161 the purchaser, or had been in office on the date such bonds may
162 bear. However, notwithstanding anything herein to the contrary,
163 such bonds may be issued as provided in the Registered Bond Act of
164 the State of Mississippi.

165 (5) All bonds and interest coupons issued under the
166 provisions of this section have all the qualities and incidents of
167 negotiable instruments under the provisions of the Uniform
168 Commercial Code, and in exercising the powers granted by this
169 section, the commission shall not be required to and need not
170 comply with the provisions of the Uniform Commercial Code.

171 (6) The commission shall act as the issuing agent for the
172 bonds authorized under this section, prescribe the form of the
173 bonds, determine the appropriate method for sale of the bonds,
174 advertise for and accept bids or negotiate the sale of the bonds,
175 issue and sell the bonds so authorized to be sold, pay all fees
176 and costs incurred in such issuance and sale, and do any and all
177 other things necessary and advisable in connection with the
178 issuance and sale of such bonds. The commission is authorized and
179 empowered to pay the costs that are incident to the sale, issuance

180 and delivery of the bonds authorized under this section from the
181 proceeds derived from the sale of such bonds. The commission
182 shall sell such bonds on sealed bids at public sale or may
183 negotiate the sale of the bonds for such price as it may determine
184 to be for the best interest of the State of Mississippi. All
185 interest accruing on such bonds so issued shall be payable
186 semiannually or annually.

187 If the bonds are to be sold on sealed bids at public sale,
188 notice of the sale of any such bonds shall be published at least
189 one time, not less than ten (10) days before the date of sale, and
190 shall be so published in one or more newspapers published or
191 having a general circulation in the City of Jackson, Mississippi,
192 selected by the commission.

193 The commission, when issuing any bonds under the authority of
194 this section, may provide that bonds, at the option of the State
195 of Mississippi, may be called in for payment and redemption at the
196 call price named therein and accrued interest on such date or
197 dates named therein.

198 (7) The bonds issued under the provisions of this section
199 are general obligations of the State of Mississippi, and for the
200 payment thereof the full faith and credit of the State of
201 Mississippi is irrevocably pledged. If the funds appropriated by
202 the Legislature are insufficient to pay the principal of and the
203 interest on such bonds as they become due, then the deficiency
204 shall be paid by the State Treasurer from any funds in the State

205 Treasury not otherwise appropriated. All such bonds shall contain
206 recitals on their faces substantially covering the provisions of
207 this subsection.

208 (8) Upon the issuance and sale of bonds under the provisions
209 of this section, the commission shall transfer the proceeds of any
210 such sale or sales to the ACE Fund created in Section 57-1-16.
211 The proceeds of such bonds shall be disbursed solely upon the
212 order of the Mississippi Development Authority under such
213 restrictions, if any, as may be contained in the resolution
214 providing for the issuance of the bonds.

215 (9) The bonds authorized under this section may be issued
216 without any other proceedings or the happening of any other
217 conditions or things other than those proceedings, conditions and
218 things which are specified or required by this section. Any
219 resolution providing for the issuance of bonds under the
220 provisions of this section shall become effective immediately upon
221 its adoption by the commission, and any such resolution may be
222 adopted at any regular or special meeting of the commission by a
223 majority of its members.

224 (10) The bonds authorized under the authority of this
225 section may be validated in the Chancery Court of the First
226 Judicial District of Hinds County, Mississippi, in the manner and
227 with the force and effect provided by Chapter 13, Title 31,
228 Mississippi Code of 1972, for the validation of county, municipal,
229 school district and other bonds. The notice to taxpayers required

230 by such statutes shall be published in a newspaper published or
231 having a general circulation in the City of Jackson, Mississippi.

232 (11) Any holder of bonds issued under the provisions of this
233 section or of any of the interest coupons pertaining thereto may,
234 either at law or in equity, by suit, action, mandamus or other
235 proceeding, protect and enforce any and all rights granted under
236 this section, or under such resolution, and may enforce and compel
237 performance of all duties required by this section to be
238 performed, in order to provide for the payment of bonds and
239 interest thereon.

240 (12) All bonds issued under the provisions of this section
241 shall be legal investments for trustees and other fiduciaries, and
242 for savings banks, trust companies and insurance companies
243 organized under the laws of the State of Mississippi, and such
244 bonds shall be legal securities which may be deposited with and
245 shall be received by all public officers and bodies of this state
246 and all municipalities and political subdivisions for the purpose
247 of securing the deposit of public funds.

248 (13) Bonds issued under the provisions of this section and
249 income therefrom shall be exempt from all taxation in the State of
250 Mississippi.

251 (14) The proceeds of the bonds issued under this section
252 shall be used solely for the purposes therein provided, including
253 the costs incident to the issuance and sale of such bonds.

254 (15) The State Treasurer is authorized, without further
255 process of law, to certify to the Department of Finance and
256 Administration the necessity for warrants, and the Department of
257 Finance and Administration is authorized and directed to issue
258 such warrants, in such amounts as may be necessary to pay when due
259 the principal of, premium, if any, and interest on, or the
260 accreted value of, all bonds issued under this section; and the
261 State Treasurer shall forward the necessary amount to the
262 designated place or places of payment of such bonds in ample time
263 to discharge such bonds, or the interest thereon, on the due dates
264 thereof.

265 (16) This section shall be deemed to be full and complete
266 authority for the exercise of the powers therein granted, but this
267 section shall not be deemed to repeal or to be in derogation of
268 any existing law of this state.

269 **SECTION 2.** Section 6, Chapter 492, Laws of 2020, which
270 authorizes the issuance of state general obligation bonds in the
271 amount of Ten Million Dollars (\$10,000,000.00) for the ACE Fund
272 created in Section 57-1-16, is repealed.

273 **SECTION 3.** There is created in the State Treasury a special
274 fund designated as the "2023 ACE Fund Supplementary Fund." The
275 fund shall be maintained by the State Treasurer as a separate and
276 special fund, apart from the State General Fund. Unexpended
277 amounts remaining in the fund at the end of a fiscal year shall
278 not lapse into the State General Fund, and any interest earned or

279 investment earnings on amounts in the fund shall be deposited to
280 the credit of the special fund. Monies deposited into the fund
281 shall be used for supplementing the ACE Fund created in Section
282 57-1-16 to reimburse reasonable actual and necessary costs
283 incurred by the Mississippi Development Authority for the
284 administration of the various grant, loan and financial incentive
285 programs it administers.

286 **SECTION 4.** Upon the effective date of this act, the State
287 Fiscal Officer shall transfer the sum of Thirty-one Million

474 (b) (i) Amounts deposited into such special fund shall
 475 be disbursed to pay the costs of projects described in paragraph
 476 (a) of this subsection. If any monies in such special fund are
 477 not used within four (4) years after the date the proceeds of the
 478 bonds authorized under this section are deposited into the special

479 fund, then the institution of higher learning for which any unused
480 monies are allocated under paragraph (a) of this subsection shall
481 provide an accounting of such unused monies to the commission.
482 Promptly after the commission has certified, by resolution duly
483 adopted, that the projects described in paragraph (a) of this
484 subsection shall have been completed, abandoned, or cannot be
485 completed in a timely fashion, any amounts remaining in such
486 special fund shall be applied to pay debt service on the bonds
487 issued under this section, in accordance with the proceedings
488 authorizing the issuance of such bonds and as directed by the
489 commission.

490 (ii) Monies in the special fund may be used to

506 Management, is expressly authorized and empowered to receive and
507 expend any local or other source funds in connection with the

509 expenditure of monies deposited into the special fund shall be
510 under the direction of the Department of Finance and
511 Administration, and such funds shall be paid by the State
512 Treasurer upon warrants issued by such department, which warrants
513 shall be issued upon requisitions signed by the Executive Director
514 of the Department of Finance and Administration, or his designee.

515 (d) Any amounts allocated to an institution of higher
516 learning that are in excess of that needed to complete the
517 projects at such institution of higher learning that are described
518 in paragraph (a) of this subsection may be used for general
519 repairs and renovations at the institution of higher learning.

520 (3) (a) The commission, at one time, or from time to time,
521 may declare by resolution the necessity for issuance of general
522 obligation bonds of the State of Mississippi to provide funds for
523 all costs incurred or to be incurred for the purposes described in
524 subsection (2) of this section. Upon the adoption of a resolution
525 by the Department of Finance and Administration declaring the
526 necessity for the issuance of any part or all of the general
527 obligation bonds authorized by this section, the Department of
528 Finance and Administration shall deliver a certified copy of its

529 resolution or resolutions to the commission. Upon receipt of such
530 resolution, the commission, in its discretion, may act as issuing
531 agent, prescribe the form of the bonds, determine the appropriate
532 method for sale of the bonds, advertise for and accept bids or
533 negotiate the sale of the bonds, issue and sell the bonds so
534 authorized to be sold, and do any and all other things necessary
535 and advisable in connection with the issuance and sale of such
536 bonds. The total amount of bonds issued under this section shall
537 not exceed * * * Eighty-five Million Three Hundred Eighty Thousand
538 Dollars (\$85,380,000.00). No bonds shall be issued under this
539 section after July 1, 2023.

540 (b) Any investment earnings on amounts deposited into
541 the special fund created in subsection (2) of this section shall
542 be used to pay debt service on bonds issued under this section, in
543 accordance with the proceedings authorizing issuance of such
544 bonds.

545 (4) The principal of and interest on the bonds authorized
546 under this section shall be payable in the manner provided in this
547 subsection. Such bonds shall bear such date or dates, be in such
548 denomination or denominations, bear interest at such rate or rates
549 (not to exceed the limits set forth in Section 75-17-101,
550 Mississippi Code of 1972), be payable at such place or places
551 within or without the State of Mississippi, shall mature
552 absolutely at such time or times not to exceed twenty-five (25)
553 years from date of issue, be redeemable before maturity at such

554 time or times and upon such terms, with or without premium, shall
555 bear such registration privileges, and shall be substantially in
556 such form, all as shall be determined by resolution of the
557 commission.

558 (5) The bonds authorized by this section shall be signed by
559 the chairman of the commission, or by his facsimile signature, and
560 the official seal of the commission shall be affixed thereto,
561 attested by the secretary of the commission. The interest
562 coupons, if any, to be attached to such bonds may be executed by
563 the facsimile signatures of such officers. Whenever any such
564 bonds shall have been signed by the officials designated to sign
565 the bonds who were in office at the time of such signing but who
566 may have ceased to be such officers before the sale and delivery
567 of such bonds, or who may not have been in office on the date such
568 bonds may bear, the signatures of such officers upon such bonds
569 and coupons shall nevertheless be valid and sufficient for all
570 purposes and have the same effect as if the person so officially
571 signing such bonds had remained in office until their delivery to
572 the purchaser, or had been in office on the date such bonds may
573 bear. However, notwithstanding anything herein to the contrary,
574 such bonds may be issued as provided in the Registered Bond Act of
575 the State of Mississippi.

576 (6) All bonds and interest coupons issued under the
577 provisions of this section have all the qualities and incidents of
578 negotiable instruments under the provisions of the Uniform

579 Commercial Code, and in exercising the powers granted by this
580 section, the commission shall not be required to and need not
581 comply with the provisions of the Uniform Commercial Code.

582 (7) The commission shall act as issuing agent for the bonds
583 authorized under this section, prescribe the form of the bonds,
584 determine the appropriate method for sale of the bonds, advertise
585 for and accept bids or negotiate the sale of the bonds, issue and
586 sell the bonds, pay all fees and costs incurred in such issuance
587 and sale, and do any and all other things necessary and advisable
588 in connection with the issuance and sale of such bonds. The
589 commission is authorized and empowered to pay the costs that are
590 incident to the sale, issuance and delivery of the bonds
591 authorized under this section from the proceeds derived from the
592 sale of such bonds. The commission may sell such bonds on sealed
593 bids at public sale or may negotiate the sale of the bonds for
594 such price as it may determine to be for the best interest of the
595 State of Mississippi. All interest accruing on such bonds so
596 issued shall be payable semiannually or annually.

597 If such bonds are sold by sealed bids at public sale, notice
598 of the sale shall be published at least one time, not less than
599 ten (10) days before the date of sale, and shall be so published
600 in one or more newspapers published or having a general
601 circulation in the City of Jackson, Mississippi, selected by the
602 commission.

603 The commission, when issuing any bonds under the authority of
604 this section, may provide that bonds, at the option of the State
605 of Mississippi, may be called in for payment and redemption at the
606 call price named therein and accrued interest on such date or
607 dates named therein.

608 (8) The bonds issued under the provisions of this section
609 are general obligations of the State of Mississippi, and for the
610 payment thereof the full faith and credit of the State of
611 Mississippi is irrevocably pledged. If the funds appropriated by
612 the Legislature are insufficient to pay the principal of and the
613 interest on such bonds as they become due, then the deficiency
614 shall be paid by the State Treasurer from any funds in the State
615 Treasury not otherwise appropriated. All such bonds shall contain
616 recitals on their faces substantially covering the provisions of
617 this subsection.

618 (9) Upon the issuance and sale of bonds under the provisions
619 of this section, the commission shall transfer the proceeds of any
620 such sale or sales to the special funds created in subsection (2)
621 of this section. The proceeds of such bonds shall be disbursed
622 solely upon the order of the Department of Finance and
623 Administration under such restrictions, if any, as may be
624 contained in the resolution providing for the issuance of the
625 bonds.

626 (10) The bonds authorized under this section may be issued
627 without any other proceedings or the happening of any other

628 conditions or things other than those proceedings, conditions and
629 things which are specified or required by this section. Any
630 resolution providing for the issuance of bonds under the
631 provisions of this section shall become effective immediately upon
632 its adoption by the commission, and any such resolution may be
633 adopted at any regular or special meeting of the commission by a
634 majority of its members.

635 (11) The bonds authorized under the authority of this
636 section may be validated in the Chancery Court of the First
637 Judicial District of Hinds County, Mississippi, in the manner and
638 with the force and effect provided by Chapter 13, Title 31,
639 Mississippi Code of 1972, for the validation of county, municipal,
640 school district and other bonds. The notice to taxpayers required
641 by such statutes shall be published in a newspaper published or
642 having a general circulation in the City of Jackson, Mississippi.

643 (12) Any holder of bonds issued under the provisions of this
644 section or of any of the interest coupons pertaining thereto may,
645 either at law or in equity, by suit, action, mandamus or other
646 proceeding, protect and enforce any and all rights granted under
647 this section, or under such resolution, and may enforce and compel
648 performance of all duties required by this section to be
649 performed, in order to provide for the payment of bonds and
650 interest thereon.

651 (13) All bonds issued under the provisions of this section
652 shall be legal investments for trustees and other fiduciaries, and

653 for savings banks, trust companies and insurance companies
654 organized under the laws of the State of Mississippi, and such
655 bonds shall be legal securities which may be deposited with and
656 shall be received by all public officers and bodies of this state
657 and all municipalities and political subdivisions for the purpose
658 of securing the deposit of public funds.

659 (14) Bonds issued under the provisions of this section and
660 income therefrom shall be exempt from all taxation in the State of
661 Mississippi.

662 (15) The proceeds of the bonds issued under this section
663 shall be used solely for the purposes herein provided, including
664 the costs incident to the issuance and sale of such bonds.

665 (16) The State Treasurer is authorized, without further
666 process of law, to certify to the Department of Finance and
667 Administration the necessity for warrants, and the Department of
668 Finance and Administration is authorized and directed to issue
669 such warrants, in such amounts as may be necessary to pay when due
670 the principal of, premium, if any, and interest on, or the
671 accreted value of, all bonds issued under this section; and the
672 State Treasurer shall forward the necessary amount to the
673 designated place or places of payment of such bonds in ample time
674 to discharge such bonds, or the interest thereon, on the due dates
675 thereof.

676 (17) This section shall be deemed to be full and complete
677 authority for the exercise of the powers herein granted, but this

678 section shall not be deemed to repeal or to be in derogation of
679 any existing law of this state.

813 (b) (i) Amounts deposited into such special fund shall
814 be disbursed to pay the costs of projects described in paragraph
815 (a) of this subsection. If any monies in such special fund are
816 not used within four (4) years after the date the proceeds of the
817 bonds authorized under this section are deposited into the special
818 fund, then the institution of higher learning for which any unused
819 monies are allocated under paragraph (a) of this subsection shall
820 provide an accounting of such unused monies to the commission.
821 Promptly after the commission has certified, by resolution duly
822 adopted, that the projects described in paragraph (a) of this
823 subsection shall have been completed, abandoned, or cannot be
824 completed in a timely fashion, any amounts remaining in such
825 special fund shall be applied to pay debt service on the bonds
826 issued under this section, in accordance with the proceedings

827 authorizing the issuance of such bonds and as directed by the
828 commission.

829 (ii) Monies in the special fund may be used to
830 reimburse reasonable actual and necessary costs incurred by the
831 Department of Finance and Administration, acting through the
832 Bureau of Building, Grounds and Real Property Management, in
833 administering or providing assistance directly related to a
834 project described in paragraph (a) of this subsection. An
835 accounting of actual costs incurred for which reimbursement is
836 sought shall be maintained for each project by the Department of
837 Finance and Administration, Bureau of Building, Grounds and Real
838 Property Management. Reimbursement of reasonable actual and
839 necessary costs for a project shall not exceed two percent (2%) of
840 the proceeds of bonds issued for such project. Monies authorized
841 for a particular project may not be used to reimburse
842 administrative costs for unrelated projects.

843 (c) The Department of Finance and Administration,
844 acting through the Bureau of Building, Grounds and Real Property
845 Management, is expressly authorized and empowered to receive and
846 expend any local or other source funds in connection with the
847 expenditure of funds provided for in this subsection. The
848 expenditure of monies deposited into the special fund shall be
849 under the direction of the Department of Finance and
850 Administration, and such funds shall be paid by the State
851 Treasurer upon warrants issued by such department, which warrants

852 shall be issued upon requisitions signed by the Executive Director
853 of the Department of Finance and Administration, or his designee.

854 (d) Any amounts allocated to an institution of higher
855 learning that are in excess of that needed to complete the
856 projects at such institution of higher learning that are described
857 in paragraph (a) of this subsection may be used for general
858 repairs and renovations at the institution of higher learning.

859 (3) (a) The commission, at one time, or from time to time,
860 may declare by resolution the necessity for issuance of general
861 obligation bonds of the State of Mississippi to provide funds for
862 all costs incurred or to be incurred for the purposes described in
863 subsection (2) of this section. Upon the adoption of a resolution
864 by the Department of Finance and Administration declaring the
865 necessity for the issuance of any part or all of the general
866 obligation bonds authorized by this section, the Department of
867 Finance and Administration shall deliver a certified copy of its
868 resolution or resolutions to the commission. Upon receipt of such
869 resolution, the commission, in its discretion, may act as issuing
870 agent, prescribe the form of the bonds, determine the appropriate
871 method for sale of the bonds, advertise for and accept bids or
872 negotiate the sale of the bonds, issue and sell the bonds so
873 authorized to be sold, and do any and all other things necessary
874 and advisable in connection with the issuance and sale of such
875 bonds. The total amount of bonds issued under this section shall
876 not exceed * * * Seventy-six Million Seven Hundred Twenty-five

877 Thousand Dollars (\$76,725,000.00). No bonds shall be issued under
878 this section after July 1, 2024.

879 (b) Any investment earnings on amounts deposited into
880 the special fund created in subsection (2) of this section shall
881 be used to pay debt service on bonds issued under this section, in
882 accordance with the proceedings authorizing issuance of such
883 bonds.

884 (4) The principal of and interest on the bonds authorized
885 under this section shall be payable in the manner provided in this
886 subsection. Such bonds shall bear such date or dates, be in such
887 denomination or denominations, bear interest at such rate or rates
888 (not to exceed the limits set forth in Section 75-17-101,
889 Mississippi Code of 1972), be payable at such place or places
890 within or without the State of Mississippi, shall mature
891 absolutely at such time or times not to exceed twenty-five (25)
892 years from date of issue, be redeemable before maturity at such
893 time or times and upon such terms, with or without premium, shall
894 bear such registration privileges, and shall be substantially in
895 such form, all as shall be determined by resolution of the
896 commission.

897 (5) The bonds authorized by this section shall be signed by
898 the chairman of the commission, or by his facsimile signature, and
899 the official seal of the commission shall be affixed thereto,
900 attested by the secretary of the commission. The interest
901 coupons, if any, to be attached to such bonds may be executed by

902 the facsimile signatures of such officers. Whenever any such
903 bonds shall have been signed by the officials designated to sign
904 the bonds who were in office at the time of such signing but who
905 may have ceased to be such officers before the sale and delivery
906 of such bonds, or who may not have been in office on the date such
907 bonds may bear, the signatures of such officers upon such bonds
908 and coupons shall nevertheless be valid and sufficient for all
909 purposes and have the same effect as if the person so officially
910 signing such bonds had remained in office until their delivery to
911 the purchaser, or had been in office on the date such bonds may
912 bear. However, notwithstanding anything herein to the contrary,
913 such bonds may be issued as provided in the Registered Bond Act of
914 the State of Mississippi.

915 (6) All bonds and interest coupons issued under the
916 provisions of this section have all the qualities and incidents of
917 negotiable instruments under the provisions of the Uniform
918 Commercial Code, and in exercising the powers granted by this
919 section, the commission shall not be required to and need not
920 comply with the provisions of the Uniform Commercial Code.

921 (7) The commission shall act as issuing agent for the bonds
922 authorized under this section, prescribe the form of the bonds,
923 determine the appropriate method for sale of the bonds, advertise
924 for and accept bids or negotiate the sale of the bonds, issue and
925 sell the bonds, pay all fees and costs incurred in such issuance
926 and sale, and do any and all other things necessary and advisable

927 in connection with the issuance and sale of such bonds. The
928 commission is authorized and empowered to pay the costs that are
929 incident to the sale, issuance and delivery of the bonds
930 authorized under this section from the proceeds derived from the
931 sale of such bonds. The commission may sell such bonds on sealed
932 bids at public sale or may negotiate the sale of the bonds for
933 such price as it may determine to be for the best interest of the
934 State of Mississippi. All interest accruing on such bonds so
935 issued shall be payable semiannually or annually.

936 If such bonds are sold by sealed bids at public sale, notice
937 of the sale shall be published at least one time, not less than
938 ten (10) days before the date of sale, and shall be so published
939 in one or more newspapers published or having a general
940 circulation in the City of Jackson, Mississippi, selected by the
941 commission.

942 The commission, when issuing any bonds under the authority of
943 this section, may provide that bonds, at the option of the State
944 of Mississippi, may be called in for payment and redemption at the
945 call price named therein and accrued interest on such date or
946 dates named therein.

947 (8) The bonds issued under the provisions of this section
948 are general obligations of the State of Mississippi, and for the
949 payment thereof the full faith and credit of the State of
950 Mississippi is irrevocably pledged. If the funds appropriated by
951 the Legislature are insufficient to pay the principal of and the

952 interest on such bonds as they become due, then the deficiency
953 shall be paid by the State Treasurer from any funds in the State
954 Treasury not otherwise appropriated. All such bonds shall contain
955 recitals on their faces substantially covering the provisions of
956 this subsection.

957 (9) Upon the issuance and sale of bonds under the provisions
958 of this section, the commission shall transfer the proceeds of any
959 such sale or sales to the special funds created in subsection (2)
960 of this section. The proceeds of such bonds shall be disbursed
961 solely upon the order of the Department of Finance and
962 Administration under such restrictions, if any, as may be
963 contained in the resolution providing for the issuance of the
964 bonds.

965 (10) The bonds authorized under this section may be issued
966 without any other proceedings or the happening of any other
967 conditions or things other than those proceedings, conditions and
968 things which are specified or required by this section. Any
969 resolution providing for the issuance of bonds under the
970 provisions of this section shall become effective immediately upon
971 its adoption by the commission, and any such resolution may be
972 adopted at any regular or special meeting of the commission by a
973 majority of its members.

974 (11) The bonds authorized under the authority of this
975 section may be validated in the Chancery Court of the First
976 Judicial District of Hinds County, Mississippi, in the manner and

977 with the force and effect provided by Title 31, Chapter 13,
978 Mississippi Code of 1972, for the validation of county, municipal,
979 school district and other bonds. The notice to taxpayers required
980 by such statutes shall be published in a newspaper published or
981 having a general circulation in the City of Jackson, Mississippi.

982 (12) Any holder of bonds issued under the provisions of this
983 section or of any of the interest coupons pertaining thereto may,
984 either at law or in equity, by suit, action, mandamus or other
985 proceeding, protect and enforce any and all rights granted under
986 this section, or under such resolution, and may enforce and compel
987 performance of all duties required by this section to be
988 performed, in order to provide for the payment of bonds and
989 interest thereon.

990 (13) All bonds issued under the provisions of this section
991 shall be legal investments for trustees and other fiduciaries, and
992 for savings banks, trust companies and insurance companies
993 organized under the laws of the State of Mississippi, and such
994 bonds shall be legal securities which may be deposited with and
995 shall be received by all public officers and bodies of this state
996 and all municipalities and political subdivisions for the purpose
997 of securing the deposit of public funds.

998 (14) Bonds issued under the provisions of this section and
999 income therefrom shall be exempt from all taxation in the State of
1000 Mississippi.

1001 (15) The proceeds of the bonds issued under this section
1002 shall be used solely for the purposes herein provided, including
1003 the costs incident to the issuance and sale of such bonds.

1004 (16) The State Treasurer is authorized, without further
1005 process of law, to certify to the Department of Finance and
1006 Administration the necessity for warrants, and the Department of
1007 Finance and Administration is authorized and directed to issue
1008 such warrants, in such amounts as may be necessary to pay when due
1009 the principal of, premium, if any, and interest on, or the
1010 accreted value of, all bonds issued under this section; and the
1011 State Treasurer shall forward the necessary amount to the
1012 designated place or places of payment of such bonds in ample time
1013 to discharge such bonds, or the interest thereon, on the due dates
1014 thereof.

1015 (17) This section shall be deemed to be full and complete
1016 authority for the exercise of the powers herein granted, but this
1017 section shall not be deemed to repeal or to be in derogation of
1018 any existing law of this state.

1153 (b) (i) Amounts deposited into such special fund shall
1154 be disbursed to pay the costs of projects described in paragraph
1155 (a) of this subsection. If any monies in such special fund are
1156 not used within four (4) years after the date the proceeds of the
1157 bonds authorized under this section are deposited into the special
1158 fund, then the institution of higher learning for which any unused
1159 monies are allocated under paragraph (a) of this subsection shall
1160 provide an accounting of such unused monies to the commission.
1161 Promptly after the commission has certified, by resolution duly
1162 adopted, that the projects described in paragraph (a) of this
1163 subsection shall have been completed, abandoned, or cannot be
1164 completed in a timely fashion, any amounts remaining in such
1165 special fund shall be applied to pay debt service on the bonds
1166 issued under this section, in accordance with the proceedings
1167 authorizing the issuance of such bonds and as directed by the
1168 commission.

1169 (ii) Monies in the special fund may be used to
1170 reimburse reasonable actual and necessary costs incurred by the
1171 Department of Finance and Administration, acting through the
1172 Bureau of Building, Grounds and Real Property Management, in
1173 administering or providing assistance directly related to a
1174 project described in paragraph (a) of this subsection. An
1175 accounting of actual costs incurred for which reimbursement is

1176 sought shall be maintained for each project by the Department of
1177 Finance and Administration, Bureau of Building, Grounds and Real
1178 Property Management. Reimbursement of reasonable actual and
1179 necessary costs for a project shall not exceed two percent (2%) of
1180 the proceeds of bonds issued for such project. Monies authorized
1181 for a particular project may not be used to reimburse
1182 administrative costs for unrelated projects.

1183 (c) The Department of Finance and Administration,
1184 acting through the Bureau of Building, Grounds and Real Property
1185 Management, is expressly authorized and empowered to receive and
1186 expend any local or other source funds in connection with the
1187 expenditure of funds provided for in this subsection. The
1188 expenditure of monies deposited into the special fund shall be
1189 under the direction of the Department of Finance and
1190 Administration, and such funds shall be paid by the State
1191 Treasurer upon warrants issued by such department, which warrants
1192 shall be issued upon requisitions signed by the Executive Director
1193 of the Department of Finance and Administration, or his designee.

1194 (d) Any amounts allocated to an institution of higher
1195 learning that are in excess of that needed to complete the
1196 projects at such institution of higher learning that are described
1197 in paragraph (a) of this subsection may be used for general
1198 repairs and renovations at the institution of higher learning.

1199 (3) (a) The commission, at one time, or from time to time,
1200 may declare by resolution the necessity for issuance of general

1201 obligation bonds of the State of Mississippi to provide funds for
1202 all costs incurred or to be incurred for the purposes described in
1203 subsection (2) of this section. Upon the adoption of a resolution
1204 by the Department of Finance and Administration declaring the
1205 necessity for the issuance of any part or all of the general
1206 obligation bonds authorized by this section, the Department of
1207 Finance and Administration shall deliver a certified copy of its
1208 resolution or resolutions to the commission. Upon receipt of such
1209 resolution, the commission, in its discretion, may act as issuing
1210 agent, prescribe the form of the bonds, determine the appropriate
1211 method for sale of the bonds, advertise for and accept bids or
1212 negotiate the sale of the bonds, issue and sell the bonds so
1213 authorized to be sold, and do any and all other things necessary
1214 and advisable in connection with the issuance and sale of such
1215 bonds. The total amount of bonds issued under this section shall
1216 not exceed * * * Sixty-five Million Four Hundred Ninety-five
1217 Thousand Dollars (\$65,495,000.00). No bonds shall be issued under
1218 this section after July 1, 2025.

1219 (b) Any investment earnings on amounts deposited into
1220 the special fund created in subsection (2) of this section shall
1221 be used to pay debt service on bonds issued under this section, in
1222 accordance with the proceedings authorizing issuance of such
1223 bonds.

1224 (4) The principal of and interest on the bonds authorized
1225 under this section shall be payable in the manner provided in this

1226 subsection. Such bonds shall bear such date or dates, be in such
1227 denomination or denominations, bear interest at such rate or rates
1228 (not to exceed the limits set forth in Section 75-17-101,
1229 Mississippi Code of 1972), be payable at such place or places
1230 within or without the State of Mississippi, shall mature
1231 absolutely at such time or times not to exceed twenty-five (25)
1232 years from date of issue, be redeemable before maturity at such
1233 time or times and upon such terms, with or without premium, shall
1234 bear such registration privileges, and shall be substantially in
1235 such form, all as shall be determined by resolution of the
1236 commission.

1237 (5) The bonds authorized by this section shall be signed by
1238 the chairman of the commission, or by his facsimile signature, and
1239 the official seal of the commission shall be affixed thereto,
1240 attested by the secretary of the commission. The interest
1241 coupons, if any, to be attached to such bonds may be executed by
1242 the facsimile signatures of such officers. Whenever any such
1243 bonds shall have been signed by the officials designated to sign
1244 the bonds who were in office at the time of such signing but who
1245 may have ceased to be such officers before the sale and delivery
1246 of such bonds, or who may not have been in office on the date such
1247 bonds may bear, the signatures of such officers upon such bonds
1248 and coupons shall nevertheless be valid and sufficient for all
1249 purposes and have the same effect as if the person so officially
1250 signing such bonds had remained in office until their delivery to

1251 the purchaser, or had been in office on the date such bonds may
1252 bear. However, notwithstanding anything herein to the contrary,
1253 such bonds may be issued as provided in the Registered Bond Act of
1254 the State of Mississippi.

1255 (6) All bonds and interest coupons issued under the
1256 provisions of this section have all the qualities and incidents of
1257 negotiable instruments under the provisions of the Uniform
1258 Commercial Code, and in exercising the powers granted by this
1259 section, the commission shall not be required to and need not
1260 comply with the provisions of the Uniform Commercial Code.

1261 (7) The commission shall act as issuing agent for the bonds
1262 authorized under this section, prescribe the form of the bonds,
1263 determine the appropriate method for sale of the bonds, advertise
1264 for and accept bids or negotiate the sale of the bonds, issue and
1265 sell the bonds, pay all fees and costs incurred in such issuance
1266 and sale, and do any and all other things necessary and advisable
1267 in connection with the issuance and sale of such bonds. The
1268 commission is authorized and empowered to pay the costs that are
1269 incident to the sale, issuance and delivery of the bonds
1270 authorized under this section from the proceeds derived from the
1271 sale of such bonds. The commission may sell such bonds on sealed
1272 bids at public sale or may negotiate the sale of the bonds for
1273 such price as it may determine to be for the best interest of the
1274 State of Mississippi. All interest accruing on such bonds so
1275 issued shall be payable semiannually or annually.

1276 If such bonds are sold by sealed bids at public sale, notice
1277 of the sale shall be published at least one time, not less than
1278 ten (10) days before the date of sale, and shall be so published
1279 in one or more newspapers published or having a general
1280 circulation in the City of Jackson, Mississippi, selected by the
1281 commission.

1282 The commission, when issuing any bonds under the authority of
1283 this section, may provide that bonds, at the option of the State
1284 of Mississippi, may be called in for payment and redemption at the
1285 call price named therein and accrued interest on such date or
1286 dates named therein.

1287 (8) The bonds issued under the provisions of this section
1288 are general obligations of the State of Mississippi, and for the
1289 payment thereof the full faith and credit of the State of
1290 Mississippi is irrevocably pledged. If the funds appropriated by
1291 the Legislature are insufficient to pay the principal of and the
1292 interest on such bonds as they become due, then the deficiency
1293 shall be paid by the State Treasurer from any funds in the State
1294 Treasury not otherwise appropriated. All such bonds shall contain
1295 recitals on their faces substantially covering the provisions of
1296 this subsection.

1297 (9) Upon the issuance and sale of bonds under the provisions
1298 of this section, the commission shall transfer the proceeds of any
1299 such sale or sales to the special funds created in subsection (2)
1300 of this section. The proceeds of such bonds shall be disbursed

1301 solely upon the order of the Department of Finance and
1302 Administration under such restrictions, if any, as may be
1303 contained in the resolution providing for the issuance of the
1304 bonds.

1305 (10) The bonds authorized under this section may be issued
1306 without any other proceedings or the happening of any other
1307 conditions or things other than those proceedings, conditions and
1308 things which are specified or required by this section. Any
1309 resolution providing for the issuance of bonds under the
1310 provisions of this section shall become effective immediately upon
1311 its adoption by the commission, and any such resolution may be
1312 adopted at any regular or special meeting of the commission by a
1313 majority of its members.

1314 (11) The bonds authorized under the authority of this
1315 section may be validated in the Chancery Court of the First
1316 Judicial District of Hinds County, Mississippi, in the manner and
1317 with the force and effect provided by Title 31, Chapter 13,
1318 Mississippi Code of 1972, for the validation of county, municipal,
1319 school district and other bonds. The notice to taxpayers required
1320 by such statutes shall be published in a newspaper published or
1321 having a general circulation in the City of Jackson, Mississippi.

1322 (12) Any holder of bonds issued under the provisions of this
1323 section or of any of the interest coupons pertaining thereto may,
1324 either at law or in equity, by suit, action, mandamus or other
1325 proceeding, protect and enforce any and all rights granted under

1326 this section, or under such resolution, and may enforce and compel
1327 performance of all duties required by this section to be
1328 performed, in order to provide for the payment of bonds and
1329 interest thereon.

1330 (13) All bonds issued under the provisions of this section
1331 shall be legal investments for trustees and other fiduciaries, and
1332 for savings banks, trust companies and insurance companies
1333 organized under the laws of the State of Mississippi, and such
1334 bonds shall be legal securities which may be deposited with and
1335 shall be received by all public officers and bodies of this state
1336 and all municipalities and political subdivisions for the purpose
1337 of securing the deposit of public funds.

1338 (14) Bonds issued under the provisions of this section and
1339 income therefrom shall be exempt from all taxation in the State of
1340 Mississippi.

1341 (15) The proceeds of the bonds issued under this section
1342 shall be used solely for the purposes herein provided, including
1343 the costs incident to the issuance and sale of such bonds.

1344 (16) The State Treasurer is authorized, without further
1345 process of law, to certify to the Department of Finance and
1346 Administration the necessity for warrants, and the Department of
1347 Finance and Administration is authorized and directed to issue
1348 such warrants, in such amounts as may be necessary to pay when due
1349 the principal of, premium, if any, and interest on, or the
1350 accreted value of, all bonds issued under this section; and the

1351 State Treasurer shall forward the necessary amount to the
1352 designated place or places of payment of such bonds in ample time
1353 to discharge such bonds, or the interest thereon, on the due dates
1354 thereof.

1355 (17) This section shall be deemed to be full and complete
1356 authority for the exercise of the powers herein granted, but this
1357 section shall not be deemed to repeal or to be in derogation of
1358 any existing law of this state.

1359 **SECTION 9.** There is created in the State Treasury a special
1360 fund designated as the "2023 IHL Capital Projects Fund." The fund
1361 shall be maintained by the State Treasurer as a separate and
1362 special fund, apart from the State General Fund. Unexpended
1363 amounts remaining in the fund at the end of a fiscal year shall

1522 shall be issued upon requisitions signed by the Executive Director
1523 of the Department of Finance and Administration, or his designee.

1524 (3) (a) The commission, at one time, or from time to time,
1525 may declare by resolution the necessity for issuance of general
1526 obligation bonds of the State of Mississippi to provide funds for
1527 all costs incurred or to be incurred for the purposes described in
1528 subsection (2) of this section. Upon the adoption of a resolution
1529 by the Department of Finance and Administration declaring the
1530 necessity for the issuance of any part or all of the general
1531 obligation bonds authorized by this section, the Department of
1532 Finance and Administration shall deliver a certified copy of its
1533 resolution or resolutions to the commission. Upon receipt of such
1534 resolution, the commission, in its discretion, may act as issuing
1535 agent, prescribe the form of the bonds, determine the appropriate
1536 method for sale of the bonds, advertise for and accept bids or
1537 negotiate the sale of the bonds, issue and sell the bonds so
1538 authorized to be sold, and do any and all other things necessary
1539 and advisable in connection with the issuance and sale of such
1540 bonds. The total amount of bonds issued under this section shall
1541 not exceed * * * Thirty-one Million One Hundred Fifty-five
1542 Thousand Dollars (\$31,155,000.00). No bonds shall be issued under
1543 this section after July 1, 2024.

1544 (b) Any investment earnings on amounts deposited into
1545 the special funds created in subsection (2) of this section shall
1546 be used to pay debt service on bonds issued under this section, in
1547 accordance with the proceedings authorizing issuance of such
1548 bonds.

1549 (4) The principal of and interest on the bonds authorized
1550 under this section shall be payable in the manner provided in this
1551 subsection. Such bonds shall bear such date or dates, be in such
1552 denomination or denominations, bear interest at such rate or rates
1553 (not to exceed the limits set forth in Section 75-17-101,
1554 Mississippi Code of 1972), be payable at such place or places
1555 within or without the State of Mississippi, shall mature
1556 absolutely at such time or times not to exceed twenty-five (25)
1557 years from date of issue, be redeemable before maturity at such
1558 time or times and upon such terms, with or without premium, shall
1559 bear such registration privileges, and shall be substantially in
1560 such form, all as shall be determined by resolution of the
1561 commission.

1562 (5) The bonds authorized by this section shall be signed by
1563 the chairman of the commission, or by his facsimile signature, and
1564 the official seal of the commission shall be affixed thereto,
1565 attested by the secretary of the commission. The interest
1566 coupons, if any, to be attached to such bonds may be executed by
1567 the facsimile signatures of such officers. Whenever any such
1568 bonds shall have been signed by the officials designated to sign
1569 the bonds who were in office at the time of such signing but who
1570 may have ceased to be such officers before the sale and delivery
1571 of such bonds, or who may not have been in office on the date such
1572 bonds may bear, the signatures of such officers upon such bonds
1573 and coupons shall nevertheless be valid and sufficient for all

1574 purposes and have the same effect as if the person so officially
1575 signing such bonds had remained in office until their delivery to
1576 the purchaser, or had been in office on the date such bonds may
1577 bear. However, notwithstanding anything herein to the contrary,
1578 such bonds may be issued as provided in the Registered Bond Act of
1579 the State of Mississippi.

1580 (6) All bonds and interest coupons issued under the
1581 provisions of this section have all the qualities and incidents of
1582 negotiable instruments under the provisions of the Uniform
1583 Commercial Code, and in exercising the powers granted by this
1584 section, the commission shall not be required to and need not

1586 (7) The commission shall act as issuing agent for the bonds
1587 authorized under this section, prescribe the form of the bonds,
1588 determine the appropriate method for sale of the bonds, advertise
1589 for and accept bids or negotiate the sale of the bonds, issue and
1590 sell the bonds, pay all fees and costs incurred in such issuance
1591 and sale, and do any and all other things necessary and advisable
1592 in connection with the issuance and sale of such bonds. The
1593 commission is authorized and empowered to pay the costs that are
1594 incident to the sale, issuance and delivery of the bonds
1595 authorized under this section from the proceeds derived from the
1596 sale of such bonds. The commission may sell such bonds on sealed
1597 bids at public sale or may negotiate the sale of the bonds for
1598 such price as it may determine to be for the best interest of the

1599 State of Mississippi. All interest accruing on such bonds so
1600 issued shall be payable semiannually or annually.

1601 If such bonds are sold by sealed bids at public sale, notice
1602 of the sale shall be published at least one time, not less than
1603 ten (10) days before the date of sale, and shall be so published
1604 in one or more newspapers published or having a general
1605 circulation in the City of Jackson, Mississippi, selected by the
1606 commission.

1607 The commission, when issuing any bonds under the authority of
1608 this section, may provide that bonds, at the option of the State
1609 of Mississippi, may be called in for payment and redemption at the
1610 call price named therein and accrued interest on such date or
1611 dates named therein.

1612 (8) The bonds issued under the provisions of this section
1613 are general obligations of the State of Mississippi, and for the
1614 payment thereof the full faith and credit of the State of
1615 Mississippi is irrevocably pledged. If the funds appropriated by
1616 the Legislature are insufficient to pay the principal of and the
1617 interest on such bonds as they become due, then the deficiency
1618 shall be paid by the State Treasurer from any funds in the State
1619 Treasury not otherwise appropriated. All such bonds shall contain
1620 recitals on their faces substantially covering the provisions of
1621 this subsection.

1622 (9) Upon the issuance and sale of bonds under the provisions
1623 of this section, the commission shall transfer the proceeds of any

1624 such sale or sales to the special fund created in subsection (2)
1625 of this section. The proceeds of such bonds shall be disbursed
1626 solely upon the order of the Department of Finance and
1627 Administration under such restrictions, if any, as may be
1628 contained in the resolution providing for the issuance of the
1629 bonds.

1630 (10) The bonds authorized under this section may be issued
1631 without any other proceedings or the happening of any other
1632 conditions or things other than those proceedings, conditions and
1633 things which are specified or required by this section. Any
1634 resolution providing for the issuance of bonds under the
1635 provisions of this section shall become effective immediately upon
1636 its adoption by the commission, and any such resolution may be
1637 adopted at any regular or special meeting of the commission by a
1638 majority of its members.

1639 (11) The bonds authorized under the authority of this
1640 section may be validated in the Chancery Court of the First
1641 Judicial District of Hinds County, Mississippi, in the manner and
1642 with the force and effect provided by Title 31, Chapter 13,
1643 Mississippi Code of 1972, for the validation of county, municipal,
1644 school district and other bonds. The notice to taxpayers required
1645 by such statutes shall be published in a newspaper published or
1646 having a general circulation in the City of Jackson, Mississippi.

1647 (12) Any holder of bonds issued under the provisions of this
1648 section or of any of the interest coupons pertaining thereto may,

1649 either at law or in equity, by suit, action, mandamus or other
1650 proceeding, protect and enforce any and all rights granted under
1651 this section, or under such resolution, and may enforce and compel
1652 performance of all duties required by this section to be
1653 performed, in order to provide for the payment of bonds and
1654 interest thereon.

1655 (13) All bonds issued under the provisions of this section
1656 shall be legal investments for trustees and other fiduciaries, and
1657 for savings banks, trust companies and insurance companies
1658 organized under the laws of the State of Mississippi, and such
1659 bonds shall be legal securities which may be deposited with and
1660 shall be received by all public officers and bodies of this state
1661 and all municipalities and political subdivisions for the purpose
1662 of securing the deposit of public funds.

1663 (14) Bonds issued under the provisions of this section and
1664 income therefrom shall be exempt from all taxation in the State of
1665 Mississippi.

1666 (15) The proceeds of the bonds issued under this section
1667 shall be used solely for the purposes herein provided, including
1668 the costs incident to the issuance and sale of such bonds.

1669 (16) The State Treasurer is authorized, without further
1670 process of law, to certify to the Department of Finance and
1671 Administration the necessity for warrants, and the Department of
1672 Finance and Administration is authorized and directed to issue
1673 such warrants, in such amounts as may be necessary to pay when due

1674 the principal of, premium, if any, and interest on, or the
1675 accreted value of, all bonds issued under this section; and the
1676 State Treasurer shall forward the necessary amount to the
1677 designated place or places of payment of such bonds in ample time
1678 to discharge such bonds, or the interest thereon, on the due dates
1679 thereof.

1680 (17) This section shall be deemed to be full and complete
1681 authority for the exercise of the powers herein granted, but this
1682 section shall not be deemed to repeal or to be in derogation of
1683 any existing law of this state.

1906 (16) The State Treasurer is authorized, without further
1907 process of law, to certify to the Department of Finance and

3304 (12) Any holder of bonds issued under the provisions of this
3305 section or of any of the interest coupons pertaining thereto may,
3306 either at law or in equity, by suit, action, mandamus or other
