

**Tabled  
AMENDMENT NO 2 PROPOSED TO**

**House Bill No. 774**

**BY: Representative Johnson**

1           **AMEND** on line 186 by inserting "(1)" after "Section 5" and  
2 before the word "Gross".

3           **AMEND FURTHER** by inserting the following after line 189:

4           "(2) (a) The gross revenue derived from any wager placed  
5 for an online sports pool and/or online racebook shall be  
6 considered gross revenue for the licensed gaming establishment  
7 located forty (40) miles or less from the location in which the  
8 wager was placed for purposes of any fee imposed and/or authorized  
9 under Section 75-76-177 and/or Section 75-76-195 and any fee  
10 authorized under the authority of a local and private law under  
11 the State of Mississippi. If more than one (1) licensed gaming  
12 establishment is located within a forty (40) mile distance, then  
13 the revenue shall be considered gross revenue of the licensed

14 gaming establishment that is located nearest the location in which  
15 the wager was placed.

16 (b) A platform, on behalf of the holder of a gaming license  
17 in this state, shall use the geofencing or geolocation services  
18 required by this act to determine the location in which the wager  
19 is being placed."
