

**Adopted
COMMITTEE AMENDMENT NO 1 PROPOSED TO**

Senate Bill No. 2699

BY: Committee

**Amend by striking all after the enacting clause and inserting
in lieu thereof the following:**

23 **SECTION 1.** Section 31-7-13, Mississippi Code of 1972, is
24 amended as follows:

25 31-7-13. All agencies and governing authorities shall
26 purchase their commodities and printing; contract for garbage
27 collection or disposal; contract for solid waste collection or
28 disposal; contract for sewage collection or disposal; contract for
29 public construction; and contract for rentals as herein provided.

30 (a) **Bidding procedure for purchases not over * * ***
31 **\$10,000.00.** Purchases which do not involve an expenditure of more
32 than * * * Ten Thousand Dollars (\$10,000.00), exclusive of freight

33 or shipping charges, may be made without advertising or otherwise
34 requesting competitive bids. However, nothing contained in this
35 paragraph (a) shall be construed to prohibit any agency or
36 governing authority from establishing procedures which require
37 competitive bids on purchases of * * * Ten Thousand Dollars
38 (\$10,000.00) or less.

39 (b) **Bidding procedure for purchases over * * ***
40 **\$10,000.00 but not over \$75,000.00.** Purchases which involve an
41 expenditure of more than * * * Ten Thousand Dollars (\$10,000.00)
42 but not more than Seventy-five Thousand Dollars (\$75,000.00),
43 exclusive of freight and shipping charges, may be made from the
44 lowest and best bidder without publishing or posting advertisement
45 for bids, provided at least two (2) competitive written bids have
46 been obtained. Any state agency or community or junior college
47 purchasing commodities or procuring construction pursuant to this
48 paragraph (b) may authorize its purchasing agent, or his designee,
49 to accept the lowest competitive written bid under Seventy-five
50 Thousand Dollars (\$75,000.00). Any governing authority purchasing
51 commodities pursuant to this paragraph (b) may authorize its
52 purchasing agent, or his designee, with regard to governing
53 authorities other than counties, or its purchase clerk, or his
54 designee, with regard to counties, to accept the lowest and best
55 competitive written bid. Such authorization shall be made in
56 writing by the governing authority and shall be maintained on file
57 in the primary office of the agency and recorded in the official

58 minutes of the governing authority, as appropriate. The
59 purchasing agent or the purchase clerk, or his designee, as the
60 case may be, and not the governing authority, shall be liable for
61 any penalties and/or damages as may be imposed by law for any act
62 or omission of the purchasing agent or purchase clerk, or his
63 designee, constituting a violation of law in accepting any bid
64 without approval by the governing authority. The term
65 "competitive written bid" shall mean a bid submitted on a bid form
66 furnished by the buying agency or governing authority and signed
67 by authorized personnel representing the vendor, or a bid
68 submitted on a vendor's letterhead or identifiable bid form and
69 signed by authorized personnel representing the vendor.
70 "Competitive" shall mean that the bids are developed based upon
71 comparable identification of the needs and are developed
72 independently and without knowledge of other bids or prospective
73 bids. Any bid item for construction in excess of * * * Ten
74 Thousand Dollars (\$10,000.00) shall be broken down by components
75 to provide detail of component description and pricing. These
76 details shall be submitted with the written bids and become part
77 of the bid evaluation criteria. Bids may be submitted by
78 facsimile, electronic mail or other generally accepted method of
79 information distribution. Bids submitted by electronic
80 transmission shall not require the signature of the vendor's
81 representative unless required by agencies or governing
82 authorities.

83 (c) **Bidding procedure for purchases over \$75,000.00.**

84 (i) **Publication requirement.**

85 1. Purchases which involve an expenditure of
86 more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of
87 freight and shipping charges, may be made from the lowest and best
88 bidder after advertising for competitive bids once each week for
89 two (2) consecutive weeks in a regular newspaper published in the
90 county or municipality in which such agency or governing authority
91 is located. However, all American Recovery and Reinvestment Act
92 projects in excess of Twenty-five Thousand Dollars (\$25,000.00)
93 shall be bid. All references to American Recovery and
94 Reinvestment Act projects in this section shall not apply to
95 programs identified in Division B of the American Recovery and
96 Reinvestment Act.

97 2. Reverse auctions shall be the primary
98 method for receiving bids during the bidding process. If * * * an
99 agency or governing authority determines that a reverse auction is
100 not in the best interest of the * * * agency or governing
101 authority, then with respect to the agency, that determination
102 must be approved by the Public Procurement Review Board, and with
103 respect to the governing authority, that determination must be
104 approved by the governing body of the governing authority. * * *
105 An agency shall submit a detailed explanation of why a reverse
106 auction would not be in the best interest of the * * * agency and
107 present an alternative process to be approved by the Public

108 Procurement Review Board. A governing authority shall make
109 findings in its minutes of why a reverse auction would not be in
110 the best interest of the governing authority. If as to an agency,
111 the Public Procurement Review Board authorizes the purchasing
112 entity to solicit bids with a method other than reverse auction,
113 or if as to a governing authority, the governing board thereof
114 authorizes the purchasing entity to solicit bids with a method
115 other than reverse auction, then the purchasing entity may
116 designate the other methods by which the bids will be received,
117 including, but not limited to, bids sealed in an envelope, bids
118 received electronically in a secure system, or bids received by
119 any other method that promotes open competition and has been
120 approved by the Office of Purchasing and Travel. However, reverse
121 auction shall not be used for any public contract for design,
122 construction, improvement, repair or remodeling of any public
123 facilities, including the purchase of materials, supplies,
124 equipment or goods for same and including buildings, roads and
125 bridges. As to an agency, the Public Procurement Review Board
126 must approve any contract entered into by alternative process.
127 The provisions of this item 2 shall not apply to the individual
128 state institutions of higher learning. The provisions of this
129 item 2 requiring reverse auction as the primary method of
130 receiving bids shall not apply to term contract purchases as
131 provided in paragraph (n) of this section; however, a purchasing
132 entity may, in its discretion, utilize reverse auction for such

133 purchases. The provisions of this item 2 shall not apply to
134 individual public schools, including public charter schools and
135 public school districts, only when purchasing copyrighted
136 educational supplemental materials and software as a service
137 product. For such purchases, a local school board may authorize a
138 purchasing entity in its jurisdiction to use a Request for
139 Qualifications which promotes open competition and meets the
140 requirements of the Office of Purchasing and Travel.

141 3. The date as published for the bid opening
142 shall not be less than seven (7) working days after the last
143 published notice; however, if the purchase involves a construction
144 project in which the estimated cost is in excess of Seventy-five
145 Thousand Dollars (\$75,000.00), such bids shall not be opened in
146 less than fifteen (15) working days after the last notice is
147 published and the notice for the purchase of such construction
148 shall be published once each week for two (2) consecutive weeks.
149 However, all American Recovery and Reinvestment Act projects in
150 excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid.
151 For any projects in excess of Twenty-five Thousand Dollars
152 (\$25,000.00) under the American Recovery and Reinvestment Act,
153 publication shall be made one (1) time and the bid opening for
154 construction projects shall not be less than ten (10) working days
155 after the date of the published notice. The notice of intention
156 to let contracts or purchase equipment shall state the time and
157 place at which bids shall be received, list the contracts to be

158 made or types of equipment or supplies to be purchased, and, if
159 all plans and/or specifications are not published, refer to the
160 plans and/or specifications on file. If there is no newspaper
161 published in the county or municipality, then such notice shall be
162 given by posting same at the courthouse, or for municipalities at
163 the city hall, and at two (2) other public places in the county or
164 municipality, and also by publication once each week for two (2)
165 consecutive weeks in some newspaper having a general circulation
166 in the county or municipality in the above-provided manner. On
167 the same date that the notice is submitted to the newspaper for
168 publication, the agency or governing authority involved shall mail
169 written notice to, or provide electronic notification to the main
170 office of the Mississippi Procurement Technical Assistance Program
171 under the Mississippi Development Authority that contains the same
172 information as that in the published notice. Submissions received
173 by the Mississippi Procurement Technical Assistance Program for
174 projects funded by the American Recovery and Reinvestment Act
175 shall be displayed on a separate and unique Internet web page
176 accessible to the public and maintained by the Mississippi
177 Development Authority for the Mississippi Procurement Technical
178 Assistance Program. Those American Recovery and Reinvestment Act
179 related submissions shall be publicly posted within twenty-four
180 (24) hours of receipt by the Mississippi Development Authority and
181 the bid opening shall not occur until the submission has been
182 posted for ten (10) consecutive days. The Department of Finance

183 and Administration shall maintain information regarding contracts
184 and other expenditures from the American Recovery and Reinvestment
185 Act, on a unique Internet web page accessible to the public. The
186 Department of Finance and Administration shall promulgate rules
187 regarding format, content and deadlines, unless otherwise
188 specified by law, of the posting of award notices, contract
189 execution and subsequent amendments, links to the contract
190 documents, expenditures against the awarded contracts and general
191 expenditures of funds from the American Recovery and Reinvestment
192 Act. Within one (1) working day of the contract award, the agency
193 or governing authority shall post to the designated web page
194 maintained by the Department of Finance and Administration, notice
195 of the award, including the award recipient, the contract amount,
196 and a brief summary of the contract in accordance with rules
197 promulgated by the department. Within one (1) working day of the
198 contract execution, the agency or governing authority shall post
199 to the designated web page maintained by the Department of Finance
200 and Administration a summary of the executed contract and make a
201 copy of the appropriately redacted contract documents available
202 for linking to the designated web page in accordance with the
203 rules promulgated by the department. The information provided by
204 the agency or governing authority shall be posted to the web page
205 for the duration of the American Recovery and Reinvestment Act
206 funding or until the project is completed, whichever is longer.

207 (ii) **Bidding process amendment procedure.** If all
208 plans and/or specifications are published in the notification,
209 then the plans and/or specifications may not be amended. If all
210 plans and/or specifications are not published in the notification,
211 then amendments to the plans/specifications, bid opening date, bid
212 opening time and place may be made, provided that the agency or
213 governing authority maintains a list of all prospective bidders
214 who are known to have received a copy of the bid documents and all
215 such prospective bidders are sent copies of all amendments. This
216 notification of amendments may be made via mail, facsimile,
217 electronic mail or other generally accepted method of information
218 distribution. No addendum to bid specifications may be issued
219 within two (2) working days of the time established for the
220 receipt of bids unless such addendum also amends the bid opening
221 to a date not less than five (5) working days after the date of
222 the addendum.

223 (iii) **Filing requirement.** In all cases involving
224 governing authorities, before the notice shall be published or
225 posted, the plans or specifications for the construction or
226 equipment being sought shall be filed with the clerk of the board
227 of the governing authority. In addition to these requirements, a
228 bid file shall be established which shall indicate those vendors
229 to whom such solicitations and specifications were issued, and
230 such file shall also contain such information as is pertinent to
231 the bid.

232 (iv) **Specification restrictions.**

233 1. Specifications pertinent to such bidding
234 shall be written so as not to exclude comparable equipment of
235 domestic manufacture. However, if valid justification is
236 presented, the Department of Finance and Administration or the
237 board of a governing authority may approve a request for specific
238 equipment necessary to perform a specific job. Further, such
239 justification, when placed on the minutes of the board of a
240 governing authority, may serve as authority for that governing
241 authority to write specifications to require a specific item of
242 equipment needed to perform a specific job. In addition to these
243 requirements, from and after July 1, 1990, vendors of relocatable
244 classrooms and the specifications for the purchase of such
245 relocatable classrooms published by local school boards shall meet
246 all pertinent regulations of the State Board of Education,
247 including prior approval of such bid by the State Department of
248 Education.

249 2. Specifications for construction projects
250 may include an allowance for commodities, equipment, furniture,
251 construction materials or systems in which prospective bidders are
252 instructed to include in their bids specified amounts for such
253 items so long as the allowance items are acquired by the vendor in
254 a commercially reasonable manner and approved by the
255 agency/governing authority. Such acquisitions shall not be made
256 to circumvent the public purchasing laws.

257 (v) **Electronic bids.** Agencies and governing
258 authorities shall provide a secure electronic interactive system
259 for the submittal of bids requiring competitive bidding that shall
260 be an additional bidding option for those bidders who choose to
261 submit their bids electronically. The Department of Finance and
262 Administration shall provide, by regulation, the standards that
263 agencies must follow when receiving electronic bids. Agencies and
264 governing authorities shall make the appropriate provisions
265 necessary to accept electronic bids from those bidders who choose
266 to submit their bids electronically for all purchases requiring
267 competitive bidding under this section. Any special condition or
268 requirement for the electronic bid submission shall be specified
269 in the advertisement for bids required by this section. Agencies
270 or governing authorities that are currently without available high
271 speed Internet access shall be exempt from the requirement of this
272 subparagraph (v) until such time that high speed Internet access
273 becomes available. Any county having a population of less than
274 twenty thousand (20,000) shall be exempt from the provisions of
275 this subparagraph (v). Any municipality having a population of
276 less than ten thousand (10,000) shall be exempt from the
277 provisions of this subparagraph (v). The provisions of this
278 subparagraph (v) shall not require any bidder to submit bids
279 electronically. When construction bids are submitted
280 electronically, the requirement for including a certificate of
281 responsibility, or a statement that the bid enclosed does not

282 exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the
283 bid envelope as indicated in Section 31-3-21(1) and (2) shall be
284 deemed in compliance with by including same as an attachment with
285 the electronic bid submittal.

286 (d) **Lowest and best bid decision procedure.**

287 (i) **Decision procedure.** Purchases may be made
288 from the lowest and best bidder. In determining the lowest and
289 best bid, freight and shipping charges shall be included.
290 Life-cycle costing, total cost bids, warranties, guaranteed
291 buy-back provisions and other relevant provisions may be included
292 in the best bid calculation. All best bid procedures for state
293 agencies must be in compliance with regulations established by the
294 Department of Finance and Administration. If any governing
295 authority accepts a bid other than the lowest bid actually
296 submitted, it shall place on its minutes detailed calculations and
297 narrative summary showing that the accepted bid was determined to
298 be the lowest and best bid, including the dollar amount of the
299 accepted bid and the dollar amount of the lowest bid. No agency
300 or governing authority shall accept a bid based on items not
301 included in the specifications.

302 (ii) **Decision procedure for Certified Purchasing**
303 **Offices.** In addition to the decision procedure set forth in
304 subparagraph (i) of this paragraph (d), Certified Purchasing
305 Offices may also use the following procedure: Purchases may be
306 made from the bidder offering the best value. In determining the

307 best value bid, freight and shipping charges shall be included.
308 Life-cycle costing, total cost bids, warranties, guaranteed
309 buy-back provisions, documented previous experience, training
310 costs and other relevant provisions, including, but not limited
311 to, a bidder having a local office and inventory located within
312 the jurisdiction of the governing authority, may be included in
313 the best value calculation. This provision shall authorize
314 Certified Purchasing Offices to utilize a Request For Proposals
315 (RFP) process when purchasing commodities. All best value
316 procedures for state agencies must be in compliance with
317 regulations established by the Department of Finance and
318 Administration. No agency or governing authority shall accept a
319 bid based on items or criteria not included in the specifications.

320 (iii) **Decision procedure for Mississippi**

321 **Landmarks.** In addition to the decision procedure set forth in
322 subparagraph (i) of this paragraph (d), where purchase involves
323 renovation, restoration, or both, of the State Capitol Building or
324 any other historical building designated for at least five (5)
325 years as a Mississippi Landmark by the Board of Trustees of the
326 Department of Archives and History under the authority of Sections
327 39-7-7 and 39-7-11, the agency or governing authority may use the
328 following procedure: Purchases may be made from the lowest and
329 best prequalified bidder. Prequalification of bidders shall be
330 determined not less than fifteen (15) working days before the
331 first published notice of bid opening. Prequalification criteria

332 shall be limited to bidder's knowledge and experience in
333 historical restoration, preservation and renovation. In
334 determining the lowest and best bid, freight and shipping charges
335 shall be included. Life-cycle costing, total cost bids,
336 warranties, guaranteed buy-back provisions and other relevant
337 provisions may be included in the best bid calculation. All best
338 bid and prequalification procedures for state agencies must be in
339 compliance with regulations established by the Department of
340 Finance and Administration. If any governing authority accepts a
341 bid other than the lowest bid actually submitted, it shall place
342 on its minutes detailed calculations and narrative summary showing
343 that the accepted bid was determined to be the lowest and best
344 bid, including the dollar amount of the accepted bid and the
345 dollar amount of the lowest bid. No agency or governing authority
346 shall accept a bid based on items not included in the
347 specifications.

348 (iv) **Construction project negotiations authority.**

349 If the lowest and best bid is not more than ten percent (10%)
350 above the amount of funds allocated for a public construction or
351 renovation project, then the agency or governing authority shall
352 be permitted to negotiate with the lowest bidder in order to enter
353 into a contract for an amount not to exceed the funds allocated.

354 (e) **Lease-purchase authorization.** For the purposes of
355 this section, the term "equipment" shall mean equipment, furniture
356 and, if applicable, associated software and other applicable

357 direct costs associated with the acquisition. Any lease-purchase
358 of equipment which an agency is not required to lease-purchase
359 under the master lease-purchase program pursuant to Section
360 31-7-10 and any lease-purchase of equipment which a governing
361 authority elects to lease-purchase may be acquired by a
362 lease-purchase agreement under this paragraph (e). Lease-purchase
363 financing may also be obtained from the vendor or from a
364 third-party source after having solicited and obtained at least
365 two (2) written competitive bids, as defined in paragraph (b) of
366 this section, for such financing without advertising for such
367 bids. Solicitation for the bids for financing may occur before or
368 after acceptance of bids for the purchase of such equipment or,
369 where no such bids for purchase are required, at any time before
370 the purchase thereof. No such lease-purchase agreement shall be
371 for an annual rate of interest which is greater than the overall
372 maximum interest rate to maturity on general obligation
373 indebtedness permitted under Section 75-17-101, and the term of
374 such lease-purchase agreement shall not exceed the useful life of
375 equipment covered thereby as determined according to the upper
376 limit of the asset depreciation range (ADR) guidelines for the
377 Class Life Asset Depreciation Range System established by the
378 Internal Revenue Service pursuant to the United States Internal
379 Revenue Code and regulations thereunder as in effect on December
380 31, 1980, or comparable depreciation guidelines with respect to
381 any equipment not covered by ADR guidelines. Any lease-purchase

382 agreement entered into pursuant to this paragraph (e) may contain
383 any of the terms and conditions which a master lease-purchase
384 agreement may contain under the provisions of Section 31-7-10(5),
385 and shall contain an annual allocation dependency clause
386 substantially similar to that set forth in Section 31-7-10(8).
387 Each agency or governing authority entering into a lease-purchase
388 transaction pursuant to this paragraph (e) shall maintain with
389 respect to each such lease-purchase transaction the same
390 information as required to be maintained by the Department of
391 Finance and Administration pursuant to Section 31-7-10(13).
392 However, nothing contained in this section shall be construed to
393 permit agencies to acquire items of equipment with a total
394 acquisition cost in the aggregate of less than Ten Thousand
395 Dollars (\$10,000.00) by a single lease-purchase transaction. All
396 equipment, and the purchase thereof by any lessor, acquired by
397 lease-purchase under this paragraph and all lease-purchase
398 payments with respect thereto shall be exempt from all Mississippi
399 sales, use and ad valorem taxes. Interest paid on any
400 lease-purchase agreement under this section shall be exempt from
401 State of Mississippi income taxation.

402 (f) **Alternate bid authorization.** When necessary to
403 ensure ready availability of commodities for public works and the
404 timely completion of public projects, no more than two (2)
405 alternate bids may be accepted by a governing authority for
406 commodities. No purchases may be made through use of such

407 alternate bids procedure unless the lowest and best bidder cannot
408 deliver the commodities contained in his bid. In that event,
409 purchases of such commodities may be made from one (1) of the
410 bidders whose bid was accepted as an alternate.

411 (g) **Construction contract change authorization.** In the
412 event a determination is made by an agency or governing authority
413 after a construction contract is let that changes or modifications
414 to the original contract are necessary or would better serve the
415 purpose of the agency or the governing authority, such agency or
416 governing authority may, in its discretion, order such changes
417 pertaining to the construction that are necessary under the
418 circumstances without the necessity of further public bids;
419 provided that such change shall be made in a commercially
420 reasonable manner and shall not be made to circumvent the public
421 purchasing statutes. In addition to any other authorized person,
422 the architect or engineer hired by an agency or governing
423 authority with respect to any public construction contract shall
424 have the authority, when granted by an agency or governing
425 authority, to authorize changes or modifications to the original
426 contract without the necessity of prior approval of the agency or
427 governing authority when any such change or modification is less
428 than one percent (1%) of the total contract amount. The agency or
429 governing authority may limit the number, manner or frequency of
430 such emergency changes or modifications.

431 (h) **Petroleum purchase alternative.** In addition to
432 other methods of purchasing authorized in this chapter, when any
433 agency or governing authority shall have a need for gas, diesel
434 fuel, oils and/or other petroleum products in excess of the amount
435 set forth in paragraph (a) of this section, such agency or
436 governing authority may purchase the commodity after having
437 solicited and obtained at least two (2) competitive written bids,
438 as defined in paragraph (b) of this section. If two (2)
439 competitive written bids are not obtained, the entity shall comply
440 with the procedures set forth in paragraph (c) of this section.
441 In the event any agency or governing authority shall have
442 advertised for bids for the purchase of gas, diesel fuel, oils and
443 other petroleum products and coal and no acceptable bids can be
444 obtained, such agency or governing authority is authorized and
445 directed to enter into any negotiations necessary to secure the
446 lowest and best contract available for the purchase of such
447 commodities.

448 (i) **Road construction petroleum products price**
449 **adjustment clause authorization.** Any agency or governing
450 authority authorized to enter into contracts for the construction,
451 maintenance, surfacing or repair of highways, roads or streets,
452 may include in its bid proposal and contract documents a price
453 adjustment clause with relation to the cost to the contractor,
454 including taxes, based upon an industry-wide cost index, of
455 petroleum products including asphalt used in the performance or

456 execution of the contract or in the production or manufacture of
457 materials for use in such performance. Such industry-wide index
458 shall be established and published monthly by the Mississippi
459 Department of Transportation with a copy thereof to be mailed,
460 upon request, to the clerks of the governing authority of each
461 municipality and the clerks of each board of supervisors
462 throughout the state. The price adjustment clause shall be based
463 on the cost of such petroleum products only and shall not include
464 any additional profit or overhead as part of the adjustment. The
465 bid proposals or document contract shall contain the basis and
466 methods of adjusting unit prices for the change in the cost of
467 such petroleum products.

468 (j) **State agency emergency purchase procedure.** If the
469 governing board or the executive head, or his designees, of any
470 agency of the state shall determine that an emergency exists in
471 regard to the purchase of any commodities or repair contracts, so
472 that the delay incident to giving opportunity for competitive
473 bidding would be detrimental to the interests of the state, then
474 the head of such agency, or his designees, shall file with the
475 Department of Finance and Administration (i) a statement
476 explaining the conditions and circumstances of the emergency,
477 which shall include a detailed description of the events leading
478 up to the situation and the negative impact to the entity if the
479 purchase is made following the statutory requirements set forth in
480 paragraph (a), (b) or (c) of this section, and (ii) a certified

481 copy of the appropriate minutes of the board of such agency
482 requesting the emergency purchase, if applicable. Upon receipt of
483 the statement and applicable board certification, the State Fiscal
484 Officer, or his designees, may, in writing, authorize the purchase
485 or repair without having to comply with competitive bidding
486 requirements.

487 If the governing board or the executive head, or his
488 designees, of any agency determines that an emergency exists in
489 regard to the purchase of any commodities or repair contracts, so
490 that the delay incident to giving opportunity for competitive
491 bidding would threaten the health or safety of any person, or the
492 preservation or protection of property, then the provisions in
493 this section for competitive bidding shall not apply, and any
494 officer or agent of the agency having general or specific
495 authority for making the purchase or repair contract shall approve
496 the bill presented for payment, and he shall certify in writing
497 from whom the purchase was made, or with whom the repair contract
498 was made.

499 Total purchases made under this paragraph (j) shall only be
500 for the purpose of meeting needs created by the emergency
501 situation. Following the emergency purchase, documentation of the
502 purchase, including a description of the commodity purchased, the
503 purchase price thereof and the nature of the emergency shall be
504 filed with the Department of Finance and Administration. Any

505 contract awarded pursuant to this paragraph (j) shall not exceed a
506 term of one (1) year.

507 Purchases under the grant program established under Section
508 37-68-7 in response to COVID-19 and the directive that school
509 districts create a distance learning plan and fulfill technology
510 needs expeditiously shall be deemed an emergency purchase for
511 purposes of this paragraph (j).

512 (k) **Governing authority emergency purchase procedure.**

513 If the governing authority, or the governing authority acting
514 through its designee, shall determine that an emergency exists in
515 regard to the purchase of any commodities or repair contracts, so
516 that the delay incident to giving opportunity for competitive
517 bidding would be detrimental to the interest of the governing
518 authority, then the provisions herein for competitive bidding
519 shall not apply and any officer or agent of such governing
520 authority having general or special authority therefor in making
521 such purchase or repair shall approve the bill presented therefor,
522 and he shall certify in writing thereon from whom such purchase
523 was made, or with whom such a repair contract was made. At the
524 board meeting next following the emergency purchase or repair
525 contract, documentation of the purchase or repair contract,
526 including a description of the commodity purchased, the price
527 thereof and the nature of the emergency shall be presented to the
528 board and shall be placed on the minutes of the board of such
529 governing authority. Purchases under the grant program

530 established under Section 37-68-7 in response to COVID-19 and the
531 directive that school districts create a distance learning plan
532 and fulfill technology needs expeditiously shall be deemed an
533 emergency purchase for purposes of this paragraph (k).

534 (1) **Hospital purchase, lease-purchase and lease**
535 **authorization.**

536 (i) The commissioners or board of trustees of any
537 public hospital may contract with such lowest and best bidder for
538 the purchase or lease-purchase of any commodity under a contract
539 of purchase or lease-purchase agreement whose obligatory payment
540 terms do not exceed five (5) years.

541 (ii) In addition to the authority granted in
542 subparagraph (i) of this paragraph (1), the commissioners or board
543 of trustees is authorized to enter into contracts for the lease of
544 equipment or services, or both, which it considers necessary for
545 the proper care of patients if, in its opinion, it is not
546 financially feasible to purchase the necessary equipment or
547 services. Any such contract for the lease of equipment or
548 services executed by the commissioners or board shall not exceed a
549 maximum of five (5) years' duration and shall include a
550 cancellation clause based on unavailability of funds. If such
551 cancellation clause is exercised, there shall be no further
552 liability on the part of the lessee. Any such contract for the
553 lease of equipment or services executed on behalf of the
554 commissioners or board that complies with the provisions of this

555 subparagraph (ii) shall be excepted from the bid requirements set
556 forth in this section.

557 (m) **Exceptions from bidding requirements.** Excepted
558 from bid requirements are:

559 (i) **Purchasing agreements approved by department.**

560 Purchasing agreements, contracts and maximum price regulations
561 executed or approved by the Department of Finance and
562 Administration.

563 (ii) **Outside equipment repairs.** Repairs to
564 equipment, when such repairs are made by repair facilities in the
565 private sector; however, engines, transmissions, rear axles and/or
566 other such components shall not be included in this exemption when
567 replaced as a complete unit instead of being repaired and the need
568 for such total component replacement is known before disassembly
569 of the component; however, invoices identifying the equipment,
570 specific repairs made, parts identified by number and name,
571 supplies used in such repairs, and the number of hours of labor
572 and costs therefor shall be required for the payment for such
573 repairs.

574 (iii) **In-house equipment repairs.** Purchases of
575 parts for repairs to equipment, when such repairs are made by
576 personnel of the agency or governing authority; however, entire
577 assemblies, such as engines or transmissions, shall not be
578 included in this exemption when the entire assembly is being
579 replaced instead of being repaired.

587 of another state at a public auction held for the purpose of
588 disposing of such vehicles or other equipment. Any purchase by a
589 governing authority under the exemption authorized by this
590 subparagraph (v) shall require advance authorization spread upon
591 the minutes of the governing authority to include the listing of
592 the item or items authorized to be purchased and the maximum bid
593 authorized to be paid for each item or items.

594 (vi) **Intergovernmental sales and transfers.**

598 negotiation, from any federal agency or authority, another
599 governing authority or state agency of the State of Mississippi,
600 or any state agency or governing authority of another state.
601 Nothing in this section shall permit such purchases through public
602 auction except as provided for in subparagraph (v) of this
603 paragraph (m). It is the intent of this section to allow
604 governmental entities to dispose of and/or purchase commodities

605 from other governmental entities at a price that is agreed to by
606 both parties. This shall allow for purchases and/or sales at
607 prices which may be determined to be below the market value if the
608 selling entity determines that the sale at below market value is
609 in the best interest of the taxpayers of the state. Governing
610 authorities shall place the terms of the agreement and any
611 justification on the minutes, and state agencies shall obtain

621 source, a certification of the conditions and circumstances
622 requiring the purchase shall be filed by the agency with the
623 Department of Finance and Administration and by the governing
624 authority with the board of the governing authority. Upon receipt
625 of that certification the Department of Finance and Administration
626 or the board of the governing authority, as the case may be, may,
627 in writing, authorize the purchase, which authority shall be noted
628 on the minutes of the body at the next regular meeting thereafter.
629 In those situations, a governing authority is not required to

630 obtain the approval of the Department of Finance and
631 Administration. Following the purchase, the executive head of the
632 state agency, or his designees, shall file with the Department of
633 Finance and Administration, documentation of the purchase,

635 price thereof and the source from whom it was purchased.

642 shall publicly issue requests for proposals, advertised for in the
643 same manner as provided herein for seeking bids for public
644 construction projects, concerning the design, construction,
645 ownership, operation and/or maintenance of such facilities,

653 proposal or proposals on the basis of price, technology and other
