JOINT RESOLUTION NO. 1

1 A JOINT RESOLUTION TO AMEND CHAPTER 2149, LAWS OF 2022, TO
2 REVISE THE COMPOSITION OF MISSISSIPPI HOUSE OF REPRESENTATIVE
3 DISTRICTS 16, 22, 36, 39 AND 41.

4 WHEREAS, in its July 2, 2024, opinion the United States
5 District Court for the Southern District of Mississippi, in the
6 case styled, *Mississippi State Conf. of the NAACP v. State Bd. of*
7 *Election Comm'rs.*, No. 3:22-CV-734, concluded that the Plaintiffs
8 had shown violations of Section 2 of the Voting Rights Act.

9 Specifically, the court found the Plaintiffs had shown one House
10 district that did not satisfy the *Thornburg v. Gingles*, 478 U.S.
11 30 (1986) framework; and

12 WHEREAS, to remedy this violation, the court recognized that
13 redistricting is primarily the duty and responsibility of the
14 State through its Legislature or other body, rather than a federal
15 court, and further stated that the Mississippi Legislature would
16 be given an opportunity to create new districts, and ultimately
17 new elections would be needed in all reformed districts; and

18 WHEREAS, on July 18, 2024, after considering options, the
19 court gave the Mississippi Legislature until the conclusion of the
20 2025 Regular Session to develop a remedial plan; and

21 WHEREAS, the Mississippi Legislature has reviewed the orders
22 of the court in the above-styled case, and prepared amendments to
23 the Mississippi State House of Representatives Redistricting plan
24 adopted in 2022, which creates a new House District wherein
25 minorities will have an opportunity to elect a candidate of their
26 choice while limiting the ripple effect to existing districts as
27 much as reasonably possible:

28 NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF THE
29 STATE OF MISSISSIPPI, That Chapter 2149, Laws of 2022, is amended
30 as follows:

817 BE IT FURTHER RESOLVED, That partial or split precincts are
818 identified in this joint resolution by an asterisk that precedes
819 its designation within the description of a district. The
820 Chairman and Vice Chairman of the Standing Joint Legislative
821 Committee on Reapportionment shall file with the Secretary of
822 State of Mississippi the Split Precinct Block List developed in
823 conjunction with the plan contained in this joint resolution that
824 details the portions of the partial or split precincts that are
825 contained within a district by census block number, and such
826 document duly filed with the Secretary of State is hereby
827 incorporated into and shall be construed to be an integral part of
828 this joint resolution.

829 BE IT FURTHER RESOLVED, That the boundaries of the House of
830 Representatives districts described above shall be:

831 (a) The boundaries of the counties listed above as such
832 boundaries existed as of January 1, 2022; and

833 (b) The precinct boundaries along such House of
834 Representative district boundaries as the precinct boundaries are
835 contained in Census Bureau's Public Law 94-171 geographic support
836 products provided for use with the September 16 data deliveries
837 officially called the "2020 Census State Redistricting Data
838 (Public Law 94-171) Summary Files."

839 BE IT FURTHER RESOLVED, (1) That this resolution shall be
840 liberally construed to effectuate the purposes hereof and to
841 redistrict the House of Representatives districts of this state in
842 compliance with constitutional requirements. It is intended that
843 this resolution and the districts described herein completely
844 encompass all the area within the state. It is also intended that
845 such districts contain all the inhabitants in this state. It is
846 further intended that the redistricting provided for in this
847 resolution result in the creation of districts that are as close
848 to equal in population as permissible under the law. It is also
849 intended that no district shall include any of the area included
850 within the description of any other district.

851 (2) If the districts described in this resolution do not
852 carry out the purposes hereof because of: unintentional
853 omissions; duplications; overlapping areas; erroneous
854 nomenclature; lack of adequate maps or descriptions of political
855 subdivisions, wards or other divisions thereof, or of their
856 boundary lines; then the Secretary of State, at the request of the
857 Chairman or Vice Chairman of the Standing Joint Legislative

858 Committee on Reapportionment shall, by order, correct such
859 omissions, overlaps, erroneous nomenclature or other defects in
860 the description of districts so as to accomplish the purposes and
861 objectives of this resolution.

862 (3) In promulgating such orders, the Secretary of State, in
863 addition to achieving equality in the population of districts as
864 permissible under law and ensuring that all areas of the state
865 are completely and accurately encompassed in such districts, shall
866 be guided by the following standards:

867 (a) In any instance in which there is a conflict
868 between the description of a district as provided in this joint
869 resolution and the map of the House of Representative districts
870 developed by the Standing Joint Legislative Committee on
871 Reapportionment in conjunction with the adopted redistricting
872 plan, the map shall control; however, in instances in which the
873 map is inconclusive, the criteria provided in paragraphs (b)
874 through (f) of this subsection shall control any dispute or issue
875 regarding the composition of any House of Representative district;

876 (b) Gaps in the description of a district shall be
877 completed in a manner that results in a total description of the
878 district that is consonant with the description of adjacent
879 districts and results in complete contiguity of districts;

880 (c) Areas of the state included within the descriptions
881 of more than one (1) district shall be allocated to the district
882 having the lowest population;

883 (d) Areas of the state not included within the
884 descriptions of any district shall be allocated to the adjacent
885 district having the lowest population;

886 (e) In the event that the area subject to corrected
887 description or allocation as provided in paragraphs (b), (c) and
888 (d) of this subsection is of such size or contains such population
889 that its inclusion as a unit in any district would result in
890 substantial disparity in the size, shape or population of the
891 district, then the Secretary of State may allocate portions of the
892 area to two (2) or more districts; and

893 (f) In any allocation of area or correction of
894 descriptions made pursuant to this joint resolution, the Secretary
895 of State shall, consistent with the foregoing standards, preserve
896 the contiguity and compactness of districts and avoid the
897 unnecessary division of political subdivisions.

898 (4) Copies of such orders shall be filed by the Secretary of
899 State in his office and in the offices of the affected election
900 commissioners and registrars. The Secretary of State may adopt
901 reasonable rules regulating the procedure for applications for
902 orders under this resolution in the manner of serving and filing a
903 notice or copy of orders relating thereto. Upon the filing of an
904 order, the description of any affected district shall be deemed to
905 have been corrected in the manner provided in such order to the
