Except when introduced into evidence in a hearing before the board to determine licensure, no such information or records related thereto shall, except with the written consent of the applicant or by order of a court of competent jurisdiction, be released or otherwise disclosed by the board to any other person or agency.

(c) The board shall provide to the department the fingerprints of the applicant, any additional information that may be required by the department, and a form signed by the applicant

This is subject to investigation by the board and excludes grandfathering by other states.

(2) If an individual who is licensed in another state that has licensing standards substantially equivalent to the standards under this chapter applies for licensure, the board may issue a provisional permit authorizing the applicant to practice massage therapy pending completion of documentation that the applicant meets the requirements for licensure under this chapter. The provisional permit may reflect statutory limitations on the scope of practice. The provisional permit shall not be issued until an

applicant has successfully passed the Mississippi State Law Examination.

(3) A current massage therapy license issued by the board shall at all times be prominently displayed in any place where massage therapy is being practiced.
