643 (e) Have paid all fees specified by the board for
644 licensure.

645 (2) No applicant shall be eligible for licensure by

671 to fund a program to aid impaired pharmacists or pharmacy
672 students. Any pharmacist license renewal received postmarked

695 reinstate his license to practice pharmacy upon payment of all
696 renewal fees in arrears.

697 (3) Each application or filing made under this section shall
698 include the social security number(s) of the applicant in

73-21-97. (1) The board may refuse to issue or renew, or may suspend, reprimand, revoke or restrict the license, registration or permit of any person, or may impose a monetary penalty, upon one or more of the following grounds:

(a) Unprofessional conduct as defined by the rules and regulations of the board;

(c) Being found guilty by a court of competent jurisdiction of one or more of the following:

(i) A felony;

733 (ii) Any act involving moral turpitude or gross
734 immorality; or

736 state or rules or regulations pertaining thereto, or of statutes,
737 rules or regulations of any other state or the federal government;

738 (d) Fraud or intentional misrepresentation by a
739 licensee, registrant or permit holder in securing the issuance or

750 substances;

751 (j) Misappropriation of any prescription drug;

752 (k) Being found guilty by the licensing agency in
753 another state of violating the statutes, rules or regulations of
754 that jurisdiction;

(n) Failure to obtain the license, registration or permit required by this chapter; or

(o) Violation(s) of the provisions of Sections 41-121-1 through 41-121-9 relating to deceptive advertisement by health care practitioners. * * *

(2) In lieu of suspension, revocation or restriction of a license, registration or permit as provided for above, the board may warn * * *, reprimand or issue a citation to the offending * * * licensee, registrant or permit holder.

(3) In addition to the grounds specified in subsection (1) of this section, the board shall be authorized to suspend the license, registration or permit of any person for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license, registration or permit for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license, registration or permit suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license, registration or permit suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section

93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 14. Section 73-21-99, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-99. (1) Disciplinary action by the board against a licensee, registrant or permit holder, or license, registration or permit shall require the following:

(a) A sworn affidavit filed with the board charging a licensee, registrant or permit holder with an act which is grounds for disciplinary action as provided in Section 73-21-97; and

(b) An order of the Investigations Review Committee of the board which shall cause the executive director of the board to fix a time and place for a hearing by the board. The executive director shall cause a written notice specifying the offense or offenses for which the licensee, registrant or permit holder is charged and notice of the time and place of the hearing to be served upon the licensee, registrant or permit holder at least thirty (30) days prior to the hearing date. Such notice may be served by mailing a copy thereof by certified mail, postage prepaid, to the last-known residence or business address of the licensee, registrant or permit holder.

(2) The board shall designate two (2) of its members to serve on a rotating, no longer than three-consecutive-month basis, with the executive director and legal counsel serving in an

807 advisory role, for the board as an Investigations Review
808 Committee, and the board's investigators shall provide status
809 reports solely to the Investigations Review Committee during * * *
810 meetings of the * * * committee. Such reports shall be made on
811 all on-going investigations, and shall apply to any routine
812 inspections which may give rise to the filing of a
813 complaint. * * * If any complaint on a licensee, registrant or
814 permit holder comes before the board for possible disciplinary
815 action, the members of the board serving on the Investigations
816 Review Committee which reviewed the investigation of such
817 complaint shall recuse themselves and not participate in the
818 disciplinary proceeding. All meetings of the Investigations
819 Review Committee shall be exempt from the Open Meetings Act, and
820 minutes of the meetings of the Investigations Review Committee
821 shall be exempt from the Public Records Act.

822 (3) The * * * Investigation Review Committee may, if deemed
823 necessary, issue a letter of reprimand to any licensee, registrant
824 or permit holder in lieu of formal action by the board.

825 (4) For the purpose of conducting investigations, the board,
826 through its executive director, may issue subpoenas to any
827 individual, clinic, hospital, pharmacy, any other facility
828 permitted by the board, or other entity having in its possession
829 papers, documents, prescriptions or any other records deemed
830 relevant to an investigation. Investigatory subpoenas, as
831 provided in this section, may be served either by registered mail

832 or by any person designated by the board for such service, and
833 upon service shall command production of the papers and documents
834 to the board at the time and place so specified. The board shall
835 be entitled to the assistance of the chancery court or the
836 chancellor in vacation, which, on petition by the board, shall
837 issue ancillary subpoenas and petitions and may punish as for
838 contempt of court in the event of noncompliance with the subpoenas
839 or petitions.

840 (5) All records of investigation, including complaints filed
841 with the board, shall be kept confidential and shall not be
842 subject to discovery or subpoena. If no disciplinary proceedings
843 are initiated within a period of five (5) years after the
844 determination of insufficient cause, then the board may destroy
845 all records obtained pursuant to this section.

846 (* * * 6) The board, acting by and through its executive
847 director, is * * * authorized and empowered to issue subpoenas for
848 the attendance of witnesses and the production of books and papers
849 at such hearing. * * * Subpoenas issued by the board through its
850 executive director as provided in this section shall extend to all
851 parts of the state and shall be served by registered mail or by
852 any person designated by the board for such service.

853 (* * * 7) The accused shall have the right to appear either
854 personally or by counsel, or both, to produce witnesses or
855 evidence in his behalf, to cross-examine witnesses, and to have
856 subpoenas issued by the board.

857 (* * *8) At the hearing, the board shall administer oaths
858 as may be necessary for the proper conduct of the hearing. All
859 hearings shall be conducted by the board, which shall not be bound
860 by strict rules of procedure or by the laws of evidence in the
861 conduct of its proceedings, but the determination shall be based
862 upon sufficient evidence to sustain it.

863 (* * *9) Where, in any proceeding before the board, any
864 witness fails or refuses to attend upon a subpoena issued by the
865 board, refuses to testify, or refuses to produce any books and
866 papers the production of which is called for by a subpoena, the
867 attendance of such witness, the giving of his testimony or the
868 production of the books and papers shall be enforced by any court
869 of competent jurisdiction of this state in the manner provided for
870 the enforcement of attendance and testimony of witnesses in civil
871 cases in the courts of this state.

872 (* * *10) The board shall, within thirty (30) days after
873 conclusion of the hearing, reduce its decision to writing and
874 forward an attested true copy thereof to the last-known residence
875 or business address of such licensee or permit holder by way of
876 United States first-class, certified mail, postage prepaid.

877 (11) If the board determines that evidence in its possession
878 indicates that there is an immediate danger to the public, the
879 board, acting by and through its executive director, may order
880 summary suspension of an individual's license or registration or a
881 permit of a facility without a hearing simultaneously with the

filing of a formal complaint and notice for a hearing proceeding
before the board. However, in the event of such summary
suspension, a hearing must be held within twenty (20) days of such
action.

SECTION 15. Section 73-21-101, Mississippi Code of 1972, is
reenacted and amended as follows:

73-21-101. (1) The right to appeal from the action of the
board in denying, revoking, suspending or refusing to renew any
license, registration or permit issued by the board, or fining or
otherwise disciplining any person is hereby granted. Such appeal
shall be to the chancery court of the county of the residence of
the licensee or permit holder on the record made, including a
verbatim transcript of the testimony at the hearing. The appeal
shall be taken within thirty (30) days after notice of the action
of the board in denying, revoking, suspending or refusing to renew
the license or permit, or fining or otherwise disciplining the
person. The appeal shall be perfected upon filing notice of the
appeal and by the prepayment of all costs, including the cost of
the preparation of the record of the proceedings by the board, and
the filing of a bond in the sum of Two Hundred Dollars (\$200.00),
conditioned that if the action of the board in denying, revoking,
suspending or refusing to renew the license or permit, or fining
or otherwise disciplining the person, be affirmed by the chancery
court, the licensee or permit holder will pay the costs of the
appeal and the action in the chancery court.

907 (2) If there is an appeal, such appeal shall act as a
908 supersedeas as to any monetary penalty imposed by the board;
909 however, no such person shall be allowed to practice pharmacy or
910 conduct any activities regulated under this chapter in violation
911 of any disciplinary order or action of the board while any such
912 appeal is pending. The chancery court shall dispose of the appeal
913 and enter its decision promptly. The hearing on the appeal may,
914 in the discretion of the chancellor, be tried in vacation. The
915 scope of review of the chancery court shall be limited to a review
916 of the record made before the board to determine if the action of
917 the board is unlawful for the reason that it was (a) not supported
918 by substantial evidence, (b) arbitrary or capricious, (c) beyond
919 the power of the board to make, or (d) in violation of some
920 statutory or constitutional right of the appellant. The decision
921 of the chancery court may be appealed to the Supreme Court in the
922 manner provided by law.

923 (3) Actions taken by the board in suspending a license,
924 registration or permit when required by Section 93-11-157 or
925 93-11-163 are not actions from which an appeal may be taken under
926 this section. Any appeal of a suspension of a license,
927 registration or permit that is required by Section 93-11-157 or
928 93-11-163 shall be taken in accordance with the appeal procedure
929 specified in Section 93-11-157 or 93-11-163, as the case may be,
930 rather than the procedure specified in this section.

931 **SECTION 16.** Section 73-21-103, Mississippi Code of 1972, is
932 reenacted and amended as follows:

933 73-21-103. (1) Upon the finding of the existence of grounds
934 for action against any permitted facility or discipline of any
935 person holding a license, registration or permit, seeking a
936 license, registration or permit, seeking to renew a license or
937 permit under the provisions of this chapter, or practicing or
938 doing business without a license, registration or permit, the
939 board may impose one or more of the following penalties:

940 (a) Suspension of the offender's license, registration
941 and/or permit for a term to be determined by the board;

942 (b) Revocation of the offender's license, registration
943 and/or permit;

944 (c) Restriction of the offender's license, registration
945 and/or permit to prohibit the offender from performing certain
946 acts or from engaging in the practice of pharmacy in a particular
947 manner for a term to be determined by the board;

948 (d) Imposition of a monetary penalty as follows:

949 (i) For the first violation, a monetary penalty of
950 not * * * more than One Thousand Dollars (\$1,000.00) for each
951 violation;

952 (ii) For the second violation and subsequent
953 violations, a monetary penalty of not * * * more than Five
954 Thousand Dollars (\$5,000.00) for each violation.

955 Money collected by the board under paragraph (d)(i), (ii) and
956 (iv) of this section shall be deposited to the credit of the State
957 General Fund of the State Treasury;

958 (iii) The board may assess a monetary penalty for
959 those reasonable costs that are expended by the board in the
960 investigation and conduct of a proceeding for licensure
961 revocation, suspension or restriction, including, but not limited
962 to, the cost of process service, court reporters, expert witnesses
963 and investigators.

964 Money collected by the board under paragraph (d)(iii) of this
965 section, shall be deposited to the credit of the Special Fund of
966 the Pharmacy Board;

967 (iv) The board may impose a monetary penalty for
968 those facilities/businesses registered with the * * * board * * *
969 of not * * * more than Fifty Thousand Dollars (\$50,000.00) per
970 violation;

971 (v) The board may impose a monetary penalty for
972 any dispenser, pharmacist or practitioner licensed to dispense
973 controlled substance and specified noncontrolled substance drugs,
974 who knowingly fails to submit drug monitoring information or
975 knowingly submits incorrect dispensing information of not more
976 than Ten Thousand Dollars (\$10,000.00) per violation. Any penalty
977 collected under this subparagraph (v) shall be deposited into the
978 special fund of the State Pharmacy Board to support the operations
979 of the Prescription Monitoring Program (PMP);

(vi) The board may impose a monetary penalty for any person who obtains prescription information and who knowingly discloses this information for misuse or purposely alters the reporting information, or uses the PMP in any manner other than for which it was intended, of not more than Fifty Thousand Dollars (\$50,000.00) per violation. Any penalty collected under this subparagraph (vi) shall be deposited into the special fund of the State Board of Pharmacy and used to support the operations of the Prescription Monitoring Program;

(vii) The board may impose a monetary penalty of not more than One Thousand Dollars (\$1,000.00) per day upon any person or business that practices or does business without the license, registration or permit required by this chapter. The violation may be assessed beginning with the date that the offender first conducted business in the state.

(e) Refusal to renew offender's license, registration and/or permit;

(f) Placement of the offender on probation and supervision by the board for a period to be determined by the board;

(g) Public or private reprimand.

Whenever the board imposes any penalty under this subsection, the board may require rehabilitation and/or additional education as the board may deem proper under the circumstances, in addition to the penalty imposed.

1005 (2) Any person whose license, registration and/or permit has
1006 been suspended, revoked or restricted pursuant to this chapter,
1007 whether voluntarily or by action of the board, shall have the
1008 right to petition the board at reasonable intervals for
1009 reinstatement of such license, registration and/or permit. Such
1010 petition shall be made in writing and in the form prescribed by
1011 the board. Upon investigation and hearing, the board may, in its
1012 discretion, grant or deny such petition, or it may modify its
1013 original finding to reflect any circumstances which have changed
1014 sufficiently to warrant such modifications. The procedure for the
1015 reinstatement of a license, registration or permit that is
1016 suspended for being out of compliance with an order for support,
1017 as defined in Section 93-11-153, shall be governed by Section
1018 93-11-157 or 93-11-163, as the case may be.

1019 (3) Nothing herein shall be construed as barring criminal
1020 prosecutions for violation of this chapter where such violations
1021 are deemed as criminal offenses in other statutes of this state or
1022 of the United States.

1023 (4) A monetary penalty assessed and levied under this
1024 section shall be paid to the board by the licensee, registrant or
1025 permit holder upon the expiration of the period allowed for appeal
1026 of such penalties under Section 73-21-101, or may be paid sooner
1027 if the licensee, registrant or permit holder elects.

1028 (5) When payment of a monetary penalty assessed and levied
1029 by the board against a licensee, registrant or permit holder in

1030 accordance with this section is not paid by the licensee,
1031 registrant or permit holder when due under this section, the board
1032 shall have the power to institute and maintain proceedings in its
1033 name for enforcement of payment in the chancery court of the
1034 county and judicial district of residence of the licensee,
1035 registrant or permit holder, or if the licensee, registrant or
1036 permit holder is a nonresident of the State of Mississippi, in the
1037 Chancery Court of the First Judicial District of Hinds County,
1038 Mississippi. When such proceedings are instituted, the board
1039 shall certify the record of its proceedings, together with all
1040 documents and evidence, to the chancery court and the matter shall
1041 thereupon be heard in due course by the court, which shall review
1042 the record and make its determination thereon. The hearing on the
1043 matter may, in the discretion of the chancellor, be tried in
1044 vacation.

1045 (6) The board shall develop and implement a uniform penalty
1046 policy which shall set the minimum and maximum penalty for any
1047 given violation of board regulations and laws governing the
1048 practice of pharmacy. The board shall adhere to its uniform
1049 penalty policy except in such cases where the board specifically
1050 finds, by majority vote, that a penalty in excess of, or less
1051 than, the uniform penalty is appropriate. Such vote shall be
1052 reflected in the minutes of the board and shall not be imposed
1053 unless such appears as having been adopted by the board.

1054 **SECTION 17.** Section 73-21-105, Mississippi Code of 1972, is
1055 reenacted and amended as follows:

1056 73-21-105. (1) Every * * * manufacturer, manufacturer
1057 affiliate, packager, repackager, third-party logistic provider,
1058 wholesale distributor, reverse distributor or any other entity
1059 identified in the supply chain of prescription drugs * * * and/or
1060 devices that are sold or shipped into or out of this state shall
1061 register triennially, biennially or annually, to be determined by
1062 the board, with the * * * board * * * by applying for a permit on
1063 a form supplied by the board and accompanied by a fee as set by
1064 subsection (4) of this section. The Pharmacy Board shall by
1065 regulation determine the classification of permit(s) that shall be
1066 required.

1067 (2) Every business/facility/pharmacy located in this state
1068 that engages in or proposes to engage in the * * * practice of
1069 pharmacy to consumers or to a business/entity/pharmacy of the
1070 state shall register with the Mississippi State Board of Pharmacy
1071 by applying for a permit on a form supplied by the board and
1072 accompanied by a fee as set by subsection (4) of this section.
1073 The Pharmacy Board shall by regulation determine the
1074 classification of permit(s) that shall be required.

1075 (3) The board shall establish by rule or regulation the
1076 criteria which each business shall meet to qualify for a permit in
1077 each classification. The board shall issue a permit to any
1078 applicant who meets the criteria as established. The board may

1079 issue various types of permits with varying restrictions to
1080 businesses where the board deems it necessary by reason of the
1081 type of activities conducted by the business requesting a permit.

1082 (4) The board shall specify by rule or regulation the
1083 registration procedures to be followed, including, but not limited
1084 to, specification of forms for use in applying for such permits
1085 and times, places and fees for filing such applications.

1086 However, * * * permits may be issued for up to a triennial period
1087 for an original or renewal permit * * * with a fee not to
1088 exceed * * * One Thousand Five Hundred Dollars (\$1,500.00).

1089 (5) Applications for permits shall include the following
1090 information about the proposed business:

1091 (a) Ownership;

1092 (b) Location;

1093 (c) Identity of the responsible person or pharmacist
1094 licensed to practice in the state, who shall be the pharmacist in
1095 charge of the pharmacy, where one is required by this chapter, and
1096 such further information as the board may deem necessary.

1097 (6) Permits issued by the board pursuant to this section
1098 shall not be transferable or assignable.

1099 (7) The board shall specify by rule or regulation minimum
1100 standards for the responsibility in the conduct of any
1101 business/facility and/or pharmacy that has been issued a permit.
1102 The board is specifically authorized to require that the portion
1103 of the facility located in this state to which a pharmacy permit

1104 applies be operated only under the direct supervision of no less
1105 than one (1) pharmacist licensed to practice in this state, and to
1106 provide such other special requirements as deemed necessary.
1107 Nothing in this subsection shall be construed to prevent any
1108 person from owning a pharmacy.

1109 (8) All businesses permitted by the board shall report to
1110 the board the occurrence of any of the following changes:

1111 (a) Permanent closing;

1112 (b) Change of ownership, management, location or
1113 pharmacist in charge;

73-21-106. (1) Any pharmacy located outside this state that * * * performs any services included in the definition of the practice of pharmacy for residents or to a business/entity/pharmacy of this state shall be considered a nonresident pharmacy and shall be permitted by the board. The board shall establish by rule or regulation the criteria that each nonresident pharmacy must meet to qualify for a nonresident permit. After a permit has been issued, it may not be amended, transferred or reassigned. The nonresident pharmacy shall maintain at all times a valid unexpired license, permit or registration to conduct the pharmacy in compliance with the laws of the state in which it is a resident. As a

1154 prerequisite to being permitted by the board, the nonresident
1155 pharmacy shall submit a copy of the most recent inspection report
1156 resulting from an inspection conducted by the regulatory or

1163 (c) Certify that it understands Mississippi pharmacy
1164 laws and regulations and agrees to comply with those laws and
1165 regulations and any other state or federal laws that apply to the
1166 practice of pharmacy. The pharmacist-in-charge must hold a
1167 Mississippi pharmacist license, be licensed to practice pharmacy
1168 in the state of residence of the nonresident pharmacy, and be
1169 current and in good standing with the licensing boards of both
1170 states.

1171 (3) Any pharmacy subject to this section shall provide
1172 during its regular hours of operation, but not less than six (6)
1173 days per week and for a minimum of forty (40) hours per week, a
1174 toll-free telephone service to facilitate communication between

1177 disclosed on a label affixed to each container of drugs dispensed
1178 to patients in this state.

1181 (5) The permit requirements of this section shall apply to
1182 any nonresident pharmacy that dispenses, distributes, ships, mails
1183 or delivers controlled substances or prescription or legend drugs
1184 and devices into this state directly to a consumer.

1185 (6) The board may deny, revoke or suspend a nonresident

1193 licensing agency fails to initiate an investigation within
1194 forty-five (45) days of the referral; or

1195 (c) Violation of the Uniform Controlled Substances Law.

1196 (7) It is unlawful for any nonresident pharmacy that is not
1197 permitted under this section to advertise its services in this
1198 state, or for any person who is a resident of this state to
1199 advertise the pharmacy services of a nonresident pharmacy that is
1200 not permitted with the board, with the knowledge that the
1201 advertisement will or is likely to induce members of the public in
1202 this state to use the pharmacy to fill prescriptions.

1203 (8) When requested to do so by the board or the Mississippi
1204 Bureau of Narcotics, each nonresident pharmacy shall supply any
1205 inspection reports, controlled substances dispensing records,
1206 warning notices, notice of deficiency reports or any other related

1594 organization approved by the board to aid pharmacists or pharmacy
1595 students impaired by chemical abuse, where such records relate to
1596 the impairment, shall be confidential and are not considered open

1606 **SECTION 28.** Section 73-21-123, Mississippi Code of 1972, is
1607 reenacted as follows:

1608 73-21-123. Nothing in this chapter shall be construed to
1609 prevent, or in any manner interfere with, or to require a permit
1610 for the sale of nonnarcotic nonprescription drugs which may be
1611 lawfully sold under the United States Food, Drug and Cosmetic Act
1612 (21 USCS 301 et seq. as now or hereafter amended) without a
1613 prescription, nor shall any rule or regulation be adopted by the
1614 board under the provisions of this chapter which shall require the
1615 sale of nonprescription drugs by a licensed pharmacist in a
1616 pharmacy or otherwise apply to or interfere with the sale or
1617 distribution of such drugs.

1618 **SECTION 29.** Section 73-21-124, Mississippi Code of 1972, as
1619 amended by House Bill No. 1463, 2025 Regular Session, is reenacted
1620 and amended as follows:

1621 73-21-124. (1) (a) It is lawful for a pharmacy registered
1622 under Section 73-21-105 to sell or distribute to a person, without
1623 a prescription, products containing not more than three and six
1624 tenths (3.6) grams per day and not more than seven and two tenths
1625 (7.2) grams per thirty-day period of pseudoephedrine or ephedrine,
1626 and it is lawful for a person to purchase products containing
1627 those ingredients from a registered pharmacy without a
1628 prescription.

1629 (b) All products authorized under this subsection (1)
1630 must be stored by a pharmacy by placing the products behind a
1631 counter in an area within the pharmacy where the public is not
1632 permitted.

1633 (c) Any products authorized under this subsection (1)
1634 sold by a pharmacy must be sold by an individual licensed as a
1635 pharmacist or by an employee of the pharmacy under the direct
1636 supervision and control of a licensed pharmacist.

1637 (d) No pharmacy may sell or distribute, and no person
1638 may purchase, more products than allowed under this section unless
1639 by valid prescription. It is not a defense in a prosecution under
1640 this section that no money was exchanged during a transaction that
1641 would otherwise be unlawful under this section.

1642 (2) A pharmacy selling products in a manner authorized under
1643 subsection (1) of this section must:

1644 (a) Use the National Precursor Log Exchange (NPLEx)
1645 system administered by the National Association of Drug Diversion

1646 Investigators, or its successor, provided that the system is
1647 available to pharmacies or retailers in the state without a charge
1648 to the pharmacy or retailer for accessing the NPLeX system, before
1649 completing the over-the-counter sale of each product authorized
1650 under subsection (1) of this section. Before completing a sale of
1651 an over-the-counter material, compound, mixture, or preparation
1652 containing any detectable quantity of pseudoephedrine or
1653 ephedrine, its salts or optical isomers, or salts of optical
1654 isomers a pharmacy or retailer shall electronically submit the
1655 information required under * * * paragraph (b) of this subsection
1656 (2) to the NPLeX system. The pharmacy or retailer shall not
1657 complete the sale if the NPLeX system generates a stop-sale alert.
1658 The system shall contain an override function that may be used by
1659 an agent of a retail establishment who is dispensing the drug
1660 product, and who has a reasonable fear of imminent bodily harm if
1661 the transaction is not completed. The system shall create a
1662 record of each use of the override mechanism.

1663 (b) Maintain an electronic log of required information
1664 for each transaction, and require the purchaser of the package to
1665 be at least eighteen (18) years of age and provide a valid,
1666 unsuspended driver's license or nondriver identification card
1667 issued by this state or another state, a United States Uniformed
1668 Services Privilege and Identification Card, or a United States or
1669 foreign passport, and to sign a written or electronic log
1670 attesting to the validity of the information provided for each

transaction. The record of each transaction must include the information from the identification card as well as the type of and government entity issuing the identification card used, the name, date of birth, and current address of the purchaser, the date and time of the sale, the name of the compound, mixture, or preparation being sold, and the total amount, in grams or milligrams, of pseudoephedrine or ephedrine being sold.

(c) Maintain a written log or an alternative electronic recordkeeping mechanism if a pharmacy or retailer experiences mechanical or electronic failure of the required electronic tracking system until such time as the pharmacy or retailer is able to comply with the electronic sales-tracking requirement. No person shall purchase, receive or otherwise acquire more than three and six-tenths (3.6) grams per day or seven and two-tenths (7.2) grams of pseudoephedrine or ephedrine within any thirty-day period.

(3) The National Association of Drug Diversion Investigators shall provide real-time access to the NPLeX information through the NPLeX online portal to law enforcement in the state.

(4) (a) Beginning on October 1, 2025, a manufacturer of a product authorized under subsection (1) of this section which is sold in or into the state must pay, on a monthly basis, fees to the National Association of Drug Diversion Investigators to support the administration of the NPLeX.

1695 (b) The National Association of Drug Diversion
1696 Investigators is responsible for setting fee levels for the fees
1697 required under this subsection (4).

1698 (c) At the request of the State Board of Pharmacy, each
1699 manufacturer required to pay fees under this subsection (4) shall
1700 provide written documentation demonstrating that the manufacturer
1701 has paid the required fees.

1702 (5) (a) Pseudoephedrine and ephedrine products dispensed
1703 pursuant to a legitimate prescription are exempt from this
1704 section.

1705 (b) The amounts of pseudoephedrine and ephedrine
1706 products dispensed to a person pursuant to a legitimate
1707 prescription shall not be considered under subsection (1)(a) of
1708 this section.

1709 (6) A violation of this section is a misdemeanor and is
1710 punishable as follows:

1711 (a) For a first offense, by a fine not to exceed One
1712 Thousand Dollars (\$1,000.00).

1713 (b) For a second or subsequent offense, by a fine not
1714 to exceed Ten Thousand Dollars (\$10,000.00).

1715 (7) A pharmacist who is the general owner or operator of an
1716 establishment where pseudoephedrine and ephedrine products are
1717 available for sale shall not be penalized under this section for
1718 the conduct of an employee if the retailer documents that an
1719 employee training program approved by the Mississippi Board of

1720 Pharmacy was conducted by the pharmacist. The Mississippi Board
1721 of Pharmacy shall develop or approve all training programs for
1722 pharmacy employees.

1723 (8) A person who resides in a state that requires a
1724 prescription for the purchase of pseudoephedrine or ephedrine, or
1725 who presents identification from a state that requires a
1726 prescription for the purchase of pseudoephedrine or ephedrine, may
1727 purchase those products only upon presentation of a valid
1728 prescription for the pseudoephedrine or ephedrine.

1729 **SECTION 30.** Section 73-21-125, Mississippi Code of 1972, is
1730 reenacted and amended as follows:

1731 73-21-125. (1) Any * * * charity pharmacy, including a
1732 faith-based * * * charity pharmacy, or any licensed pharmacist who
1733 voluntarily provides charitable services in a * * * charity
1734 pharmacy, or any other person who serves as a volunteer in a * * *
1735 charity pharmacy, shall be immune from liability for any civil
1736 action arising out of supplying pharmaceutical products in the
1737 course of providing such charitable or gratuitous pharmaceutical
1738 products. This section shall not extend immunity to acts of gross
1739 negligence or willful or wanton misconduct or to the manufacturer
1740 or designer of products provided.

1741 (2) Any * * * charity pharmacy seeking immunity under this
1742 section shall post a notice, in a conspicuous place adjacent to
1743 the area where prescriptions are picked up by consumers, reading
1744 substantially as follows: "NOTICE: If you are harmed by

medication that you receive here, you do not have the same legal recourse as you have against other pharmacies." Failure to post the notice negates the immunity from liability provided under this section. The notice shall be no less than eleven (11) by fourteen (14) inches in size, and the type used shall be no smaller than thirty-six (36) point and surrounded by a one-inch solid black border.

(3) For purposes of this section, " * * * charity pharmacy" means a pharmacy operated solely for charitable purposes, whose only function is to supply gratuitous pharmaceutical products, and which is operated by a nonprofit organization qualified or eligible for qualification as a tax-exempt organization under 26 USCS Section 501.

SECTION 31. Section 73-21-126, Mississippi Code of 1972, is reenacted and amended as follows:

73-21-126. (1) The State Board of Pharmacy shall promulgate rules regarding the issuance and renewal of licenses and permits for new or renewal application requirements for both in- and out-of-state * * * persons, businesses and entities owning or shipping into, within or out of Mississippi. Requirements for new and/or renewal applications, if information has not been previously provided to the board, will include, but not be limited to, the following:

(a) Type of ownership (individual, partnership or corporation);

1770 (b) Names of principal owners or officers and social
1771 security numbers;

1772 (c) Names of designated representatives and social
1773 security numbers;

1774 (d) Criminal background checks of applicants and
1775 designated representatives as required by rule;

1776 (e) Copy of license in home state;

1777 (f) Bond requirements.

1778 (2) To ensure that all applicants are of good moral
1779 character, the board shall conduct a criminal history records
1780 check on all applicants for a license. In order to determine the
1781 applicant's suitability for licensing, the applicant shall be
1782 fingerprinted. The board shall submit the fingerprints to the
1783 Department of Public Safety for a check of the state criminal
1784 records and forward to the Federal Bureau of Investigation for a
1785 check of the national criminal records. The Department of Public
1786 Safety shall disseminate the results of the state check and the
1787 national check to the board for a suitability determination. The
1788 board shall be authorized to collect from the applicant the amount
1789 of the fee that the Department of Public Safety charges the board
1790 for the fingerprinting, whether manual or electronic, and the
1791 state and national criminal history records checks.

1792 * * *

1793 (* * *3) The board is authorized to use an outside agency
1794 to accredit * * * all persons, businesses and facilities licensed

or permitted with the board, including the National Association of
Boards of Pharmacy's (NABP) * * * Drug Distributor Accreditation.

reenacted and amended as follows:

73-21-127. (1) The Board of Pharmacy shall develop and
implement a computerized program to track prescriptions for
controlled substances and to report suspected abuse and misuse of
controlled substances in compliance with the federal regulations
promulgated under authority of the National All Schedules
Prescription Electronic Reporting Act of 2005 and in compliance
with the federal HIPAA law, under the following conditions:

(a) Submission or reporting of dispensing information
shall be mandatory and required by the State Board of Pharmacy for
any entity dispensing controlled substances in or into the State
of Mississippi, except for the dispensing of controlled substance
drugs by a veterinarian residing in the State of Mississippi.

(b) The prescriptions tracked shall be prescriptions
for controlled substances listed in Schedule II, III, IV or V and
specified noncontrolled substances identified by the State Board
of Pharmacy that are dispensed to residents in the State of
Mississippi by licensed pharmacies, nonresident pharmacies,
institutions and dispensing practitioners, regardless of dispenser
location.

1819 (c) The Board of Pharmacy shall report any activity it
1820 reasonably suspects may be fraudulent or illegal to the
1821 appropriate law enforcement agency or occupational licensing board
1822 and provide them with the relevant information obtained for
1823 further investigation.

1824 (d) * * * The specific purposes of the program shall be
1825 to: be proactive in safeguarding public health and safety;
1826 support the legitimate use of controlled substances; facilitate
1827 and encourage the identification, intervention with and treatment
1828 of individuals addicted to controlled substances and specified
1829 noncontrolled drugs; identify and prevent drug diversion; provide
1830 assistance to those state and federal law enforcement and
1831 regulatory agencies investigating cases of drug diversion or other
1832 misuse; * * * inform the public and health care professionals of
1833 the use and abuse trends related to controlled substance and
1834 specified noncontrolled drugs; and prevent the inappropriate or
1835 illegal use of these controlled substances.

1836 (e) (i) Access to collected data shall be confidential
1837 and not subject to the provisions of the federal Freedom of
1838 Information Act or the Mississippi Public Records Act. Upon
1839 request, the State Board of Pharmacy shall provide collected
1840 information to: pharmacists or practitioners who are properly
1841 registered with the State Board of Pharmacy and are authorized to
1842 prescribe or dispense controlled substances for the purpose of
1843 providing medical and pharmaceutical care for their patients;

1844 local, state and federal law enforcement officials engaged in the
1845 administration, investigation or enforcement of the laws governing
1846 illicit drug use; regulatory and licensing boards in this state;

1856 the potential illegal acquisition, distribution, dispensing,
1857 prescribing or administering of the controlled and noncontrolled
1858 substances monitored by the program, subject to all legal
1859 restrictions on further dissemination of the information obtained.

1860 (iii) The State Board of Pharmacy may also provide
1861 statistical data for research or educational purposes if the board
1862 determines the use of the data to be of significant benefit to
1863 public health and safety. The board maintains the right to refuse
1864 any request for PMP data.

1865 (iv) A pharmacist licensed by the Mississippi
1866 Board of Pharmacy must be a registered user of the PMP. Failure
1867 of a pharmacist licensed by the Mississippi Board of Pharmacy to

1868 register as a user of the PMP is grounds for disciplinary action
1869 by the board.

1870 (v) All licensed practitioners as defined under
1871 Section 73-21-73 * * * holding an active DEA number shall register
1872 as users of the PMP.

1873 (f) The Prescription Monitoring Program through the
1874 Board of Pharmacy may:

1875 (i) Establish the cost of administration,
1876 maintenance, and operation of the program and charge to like
1877 agencies a fee based on a formula to be determined by the board
1878 with collaboration and input from participating agencies; and

1879 (ii) Assess charges for information and/or
1880 statistical data provided to agencies, institutions and
1881 individuals. The amounts of those fees shall be set by the
1882 Executive Director of the Board of Pharmacy based on the
1883 recommendation of the Director of the PMP.

1884 All such fees collected shall be deposited into the special
1885 fund of the State Board of Pharmacy and used to support the
1886 operations of the PMP.

1887 (g) A dispenser pharmacist or practitioner licensed to
1888 dispense controlled substances and specified noncontrolled
1889 substance drugs who knowingly fails to submit drug-monitoring
1890 information or knowingly submits incorrect dispensing information
1891 shall be subject to actions against the pharmacist's or
1892 practitioner's license, registrations or permit and/or an

1893 administrative penalty as provided in Sections 73-21-97 and
1894 73-21-103. Any misuse of the PMP is subject to penalties as
1895 provided in Sections 73-21-97 and 73-21-103.

1903 substance, as defined under Section 41-29-105 * * *, and any
1904 person defined as a "practitioner" under Section 73-21-73 * * *.

1906 Legislature, the State Board of Pharmacy may apply for any
1907 available grants and accept any gifts, grants or donations to
1908 assist in future development or in maintaining the program.

1911 this section, the State Board of Pharmacy shall receive and
1912 maintain in the Prescription Monitoring Program (a) the medical
1913 cannabis dispensing information that medical cannabis dispensaries
1914 under the Mississippi Medical Cannabis Act are required to report
1915 to the PMP under Section 41-137-33, and (b) any other medical
1916 cannabis dispensing information that dispensaries are required to
1917 report to the PMP. The medical cannabis dispensing information

reported by medical cannabis dispensaries under Section 41-137-33 shall not be considered to be a prescription for the purposes of the Mississippi Pharmacy Practice Act or the Uniform Controlled Substances Law.

SECTION 33. Section 73-21-127.1, Mississippi Code of 1972, is amended as follows:

73-21-127.1. The Prescription Monitoring Program shall * * * provide, upon request, a report * * * to the Legislature that indicates the number of opioid prescriptions that were provided to patients during that year.

(2) * * * Any entity assisting with the return of outdated drugs to a manufacturer on behalf of a pharmacy shall register with the board and have a permit under Section 73-21-105 and shall implement and shall administer the return policies established by the manufacturer.

(3) If the board receives information that a manufacturer has failed to comply with this section, the board shall investigate the matter and present any evidence of the manufacturer's failure to comply to * * * the Investigations Review Committee and follow the procedures outlined in Section 73-21-99. The board may discipline the manufacturer by providing that the manufacturer's products shall be ineligible for use in product selection in any state drug assistance programs, in addition to any other penalties authorized under this chapter.

(4) A pharmacist may not dispense a prescription drug or controlled drug unless the pharmacist has satisfactory evidence that the manufacturer of the drug has a procedure for the return of expired drugs.

* * *

(* * *5) As used in this section, the term "biological drug" or "biological product" means a virus, therapeutic serum, toxin, antitoxin, vaccine, blood, blood component or derivative, allergenic product or analogous product, or arsphenamine or derivative of arsphenamine or any other trivalent organic arsenic compound, applicable to the prevention, treatment or cure of a disease or condition of human beings.

SECTION 35. Section 73-21-89, Mississippi Code of 1972, which provided that a license to practice pharmacy would be issued to persons presenting proof of graduation from the University of Mississippi School of Pharmacy before a certain date, and Section
