

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1201: Income tax and ad valorem tax; create incentives for developers to improve tax forfeited, blighted properties in MS.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

30 **SECTION 1.** (1) As used in this section, the following words
31 and phrases have the meanings ascribed in this subsection unless
32 the context clearly requires otherwise:

33 (a) "Blighted" means a property located in Mississippi
34 that is declared by the governing authorities of the municipality
35 or county in which the property is located to be unsafe, due to
36 the physical condition of the property, to an extent that the
37 property is an economic burden on the community that cannot be
38 expected to be reversed absent redevelopment. Blighted property
39 includes, but is not limited to: buildings in which it is unsafe
40 or unhealthy for persons to live or work; conditions that prevent
41 or substantially hinder the viable use or capacity of buildings or
42 lots; and depreciated or stagnant property value.

43 (b) "Eligible property" means property located in
44 Mississippi that is tax forfeited property certified to the state,
45 has been declared as blighted, and will be offered or used for
46 residential or business purposes.

47 (c) "Department" means the Mississippi Department of
48 Revenue.

49 (d) "Developer" means a person, firm, corporation,
50 authority, partnership or other entity who constructs, repairs,
51 renovates, and/or procures the construction, repair or renovation
52 of property such as buildings and other facilities, but who was
53 not the owner of the property when it was sold for taxes.

54 (e) "Secretary" means the Mississippi Secretary of
55 State's Office.

56 (2) (a) The secretary, in conjunction with the department,
57 shall establish a program to provide tax incentives for developers
58 to develop eligible and blighted property such as buildings and
59 other facilities and to place that developed property into use,
60 either as an owner-occupied dwelling or a commercial building.

61 (b) A developer desiring to participate in the
62 incentive program established under this section must submit an
63 application to the secretary. The application must contain a
64 development plan that provides a description of:

65 (i) The property to be developed that meets the
66 requirements of this program;

67 (ii) Evidence that the property has been declared
68 blighted;

69 (iii) The type of work the developer will perform
70 as part of development of the property and the purpose or purposes
71 for which the property will be placed into use after development;

72 (iv) The budget to perform the development; and

73 (v) Any other information requested by the
74 secretary.

75 (c) A taxpayer incurring costs and expenses for the
76 rehabilitation of eligible property is entitled to a rebate or
77 credit against the taxes imposed pursuant to this chapter in an
78 amount equal to twenty-five percent (25%) of the total costs and
79 expenses of rehabilitation incurred after January 1, 2026, subject
80 to the following conditions being met, as evidenced by
81 documentation submitted by the developer:

82 (i) The costs and expenses associated with
83 rehabilitation exceed:

84 1. Fifty Thousand Dollars (\$50,000.00), for
85 an owner-occupied dwelling; or

86 2. One Hundred Thousand Dollars
87 (\$100,000.00), for a commercial structure;

88 (ii) The actual expenses incurred in
89 rehabilitating the building site are between eighty percent (80%)
90 and one hundred twenty-five percent (125%) of the initial
91 estimated expenses approved by the secretary;

92 (iii) The project costs were certified by a
93 licensed third party;

94 (iv) The project was completed within thirty-six
95 (36) months of the application submission; and

96 (v) The property was purchased by an
97 owner-occupant who is not the developer, in the case of a
98 single-family dwelling, or sold or leased to a commercial tenant
99 that is not the developer, in the case of a commercial building.

100 (d) The secretary shall issue a certificate evidencing
101 the date of the rebate or credit and amount of eligible rebate or
102 credit if the taxpayer is found to be eligible for the tax rebate
103 or credit. The taxpayer shall attach the certificate to all
104 income tax returns on which the credit is claimed.

105 (e) The department shall award the credit or rebate
106 authorized by this section for any eligible taxpayer after it
107 receives final certification of project completion by the
108 secretary.

109 (3) (a) (i) If the amount of the tax credit established by
110 this section exceeds the total state income tax liability for the
111 credit year, the amount that exceeds the total state income tax
112 liability may be carried forward for the ten (10) succeeding tax
113 years.

114 (ii) In lieu of claiming a tax credit, the
115 taxpayer may elect to claim a rebate in the amount of seventy-five
116 percent (75%) of the amount that would be eligible to claim as a

117 credit. The election may be made at any time after the
118 certification of the rebate. If the taxpayer has utilized a tax
119 credit on an income tax return before making an election to claim
120 a rebate, then the available rebate will be reduced by the amount
121 of credit utilized. If claiming a credit instead of a rebate, the
122 taxpayer shall claim the credit on the income tax return for the
123 tax year for which the credit is certified.

124 (iii) Rebate requests must be submitted to the
125 department on forms prescribed by the department. The department
126 then will provide the taxpayer with a voucher for the approved
127 amount. Within twelve (12) months of the issuance of the voucher
128 by the department, the taxpayer may submit the voucher to the
129 department to receive payment. Rebates shall be made from current
130 tax collections.

131 (b) Credits granted to a partnership, a limited
132 liability company taxed as a partnership or multiple owners of
133 property shall be passed through to the partners, members or
134 owners on a pro rata basis or pursuant to an executed agreement
135 among the partners, members or owners documenting an alternative
136 distribution method. Partners, members or other owners of a
137 pass-through entity are not eligible to elect a refund of excess
138 credit in lieu of a carryforward of the credit. However, a
139 partnership or limited liability company taxed as a partnership
140 may elect to claim a rebate at the entity level on a form
141 prescribed by the department.

142 (4) (a) The maximum aggregate amount of rebates and credits
143 awarded under the program shall not exceed Two Million Dollars
144 (\$2,000,000.00) in any one (1) calendar year.

145 (b) The department shall award the rebate or credit
146 based on the date of project completion. However, if the eligible
147 rebate or credit exceeds the available limit in the year in which
148 the project is completed, the rebate or credit shall be awarded in
149 the first calendar year in which the requested rebate or credit
150 would not exceed the calendar year limit.

151 (c) The aggregate amount of tax rebates or credits that
152 may be awarded under this section may not exceed Ten Million
153 Dollars (\$10,000,000.00).

154 (5) (a) The rebate or credit received by a taxpayer
155 pursuant to this section is subject to recapture if:

156 (i) The property is not sold or otherwise put back
157 into productive use with an owner/occupier that is not the
158 developer in the case of a single-family dwelling or sold or
159 leased to a commercial tenant that is not the developer in the
160 case of a commercial building; or

161 (ii) The property is declared blighted by an
162 appropriate governing authority within three (3) years of
163 certification of completion.

164 (b) The taxpayer shall notify the secretary and the
165 department if any of the situations that subject the credit to
166 recapture occur.

167 (6) This section applies only to taxpayers:

168 (a) Who have been issued a certificate evidencing the
169 eligible credit before December 31, 2030; or

170 (b) Who, before December 31, 2030, have received a
171 determination in writing from the secretary that it meets the
172 conditions of this program, or will meet the standards if certain
173 specified conditions are met, and who are issued a certificate
174 evidencing the eligible credit on or after December 31, 2030.

175 (7) The secretary and the department shall have all powers
176 necessary to implement and administer the program established
177 under this section, and the secretary shall promulgate rules and
178 regulations, in accordance with the Mississippi Administrative
179 Procedures Law, necessary for the implementation of this section.

180 **SECTION 2.** (1) As used in this section, the following words
181 and phrases have the meanings ascribed in this subsection unless
182 the context clearly requires otherwise:

183 (a) "Blighted" means a property located in Mississippi
184 that is declared by the governing authorities of the municipality
185 or county in which the property is located to be unsafe, due to
186 the physical condition of the property, to an extent that the
187 property is an economic burden on the community that cannot be
188 expected to be reversed absent redevelopment. Blighted property
189 includes, but is not limited to: buildings in which it is unsafe
190 or unhealthy for persons to live or work; conditions that prevent

191 or substantially hinder the viable use or capacity of buildings or
192 lots; and depreciated or stagnant property value.

193 (b) "Clerk" means the municipal clerk or county
194 chancery clerk, as the case may be.

195 (c) "Department" means the Mississippi Department of
196 Revenue.

197 (d) "Developer" means any person, firm, corporation,
198 authority, partnership or other entity who constructs, repairs,
199 renovates, and/or procures the construction, repair, or renovation
200 of property such as buildings and other facilities, but who was
201 not the owner of the property when it was sold for taxes.

202 (e) "Eligible property" means tax forfeited property
203 located in Mississippi that has been certified to the state, has
204 been declared as blighted, and will be offered or used for
205 residential or business purposes.

206 (f) "Secretary" means the Mississippi Secretary of
207 State's Office.

208 (g) "Tax assessor" means the tax assessor of the county
209 in which the eligible property is located.

210 (2) (a) The secretary, in conjunction with the department,
211 shall establish a program to provide incentive payments for
212 developers to develop eligible property such as buildings and
213 other facilities and to place such developed property into use,
214 which will increase the value of the property and promote economic
215 development and the public interest.

216 (b) A developer desiring to participate in the
217 incentive program established under this section must submit an
218 application to the secretary. The application must contain a
219 development plan that provides:

220 (i) A description of:

221 1. The property to be developed;

222 2. The purpose or purposes for which the
223 property is being used at the time the application is submitted;

224 3. Evidence that the property has been
225 declared blighted;

226 4. The type of work the developer will
227 perform as part of development of the property, the purpose or
228 purposes for which the property will be placed into use after
229 development, and whether the development of such property will be
230 complete before being placed into use, or developed in phases and
231 placed in use in phases before development is complete;

232 5. The budget to perform the development; and

233 (ii) Any other information requested by the
234 secretary.

235 (c) The secretary shall review an application and
236 determine whether the developer is eligible to participate in the
237 incentive program. If the secretary approves the developer for
238 participation in the program, the secretary shall issue a
239 certificate of participation to the developer for the development

240 plan. The secretary also shall provide a copy of the
241 certification of participation and development plan to the clerk.

242 (d) After receipt of a certificate of participation and
243 development plan under paragraph (c) of this subsection, the tax
244 assessor shall certify the assessed value of the property to be
245 developed under the development plan according to its most
246 recently determined assessed value. For purposes of this section,
247 the assessed value is the original assessed value of the property.
248 Each year thereafter, the tax assessor shall certify the assessed
249 value of the property described in the development plan, and for
250 purposes of this section, this assessed value shall be known as
251 the current assessed value of the property.

252 (3) (a) Beginning with the first year that property in a
253 development plan is developed and placed into use for which it is
254 developed, whether completely or in phases, and subject to ad
255 valorem taxation based on such use, any amount by which the
256 current assessed value of the property exceeds the original
257 assessed value shall be known as the enhanced assessed value of
258 the property for the purposes of this section.

259 (b) For property in a development plan for which
260 development is complete when the property is first placed into use
261 after development, the tax assessor shall certify annually the
262 amount of the enhanced assessed value of the property to the
263 municipality and county for the first year that the property is
264 placed into use and subject to ad valorem tax based on that use

265 and for each of the next succeeding four (4) years. For each year
266 of these years, the clerk shall remit annually to the secretary an
267 amount equal to the revenue derived from the ad valorem tax levied
268 for general fund purposes by the municipality or county, as the
269 case may be, on the enhanced assessed value of the property.

270 (c) For property in a development plan that is
271 developed in phases and placed into use in phases:

272 (i) 1. The tax assessor shall certify annually
273 the amount of the enhanced assessed value of the property to the
274 municipality and county for the first year of those years that the
275 property is placed into use and subject to ad valorem tax based on
276 that use and for each of the next succeeding years that the
277 property is developed and placed into use in phases until the
278 development is complete and the property is placed into use for
279 which it was developed; and

280 2. The clerk shall:

281 a. For the first year of the years
282 described in item 1 of this subparagraph (i), remit to the
283 secretary an amount equal to the revenue derived from the ad
284 valorem tax levied for general fund purposes by the municipality
285 or county, as the case may be, on the enhanced assessed value of
286 the property for such year; and

287 b. For each year of the succeeding years
288 after the first year described in item 1 of this subparagraph (i)
289 through the first year after the development of the property is

290 complete and the property is subject to ad valorem tax based on
291 the use for which it was developed, remit to the secretary an
292 amount equal to the revenue derived from the ad valorem tax levied
293 for general fund purposes by the municipality or county, as the
294 case may be, on the amount of any increase of the enhanced
295 assessed value of the property for the applicable year from the
296 enhanced assessed value of the property for the immediately
297 preceding year.

298 (ii) After such property has completed development
299 according to a development plan and has been placed into use for
300 which it was developed, the tax assessor shall certify annually
301 the amount of the enhanced assessed value of the property to the
302 municipality and county for the first year that the property is
303 placed into use and subject to ad valorem tax based on that use
304 and for each of the next succeeding four (4) years. For each of
305 those years, the clerk shall remit annually to the secretary an
306 amount equal to the revenue derived from the ad valorem tax levied
307 by the municipality or county, as the case may be, for general
308 fund purposes on the enhanced assessed value of the property.

309 (d) The secretary shall deposit the funds received from
310 the clerk under this subsection (3) into the special fund created
311 in subsection (4) of this section.

312 (4) (a) There is created a special fund in the State
313 Treasury. The fund shall be maintained by the State Treasurer as
314 a separate and special fund, separate and apart from the General

315 Fund of the state. The fund shall consist of those monies
316 deposited under subsection (3) of this section and monies from any
317 other source designated for deposit into the fund. Monies in the
318 fund may be expended by the secretary, upon appropriation by the
319 Legislature, to provide incentive payments to developers as
320 authorized in this section. Unexpended amounts remaining in the
321 fund at the end of a fiscal year may not lapse into the State
322 General Fund, and any interest earned or investment earnings on
323 amounts in the fund must be deposited to the credit of the fund.

324 (b) The secretary shall allocate and distribute monies
325 in the special fund which are derived from payments made by a
326 clerk related to a certificate of approval for property that is
327 developed according to a development plan and placed into use
328 after development. The secretary shall use monies in the special
329 fund for the purpose of making incentive payments as follows:

330 (i) For property that has completed development
331 according to a plan and the property is purchased by an
332 owner/occupier that is not the developer in the case of a
333 single-family dwelling or is sold or leased to a commercial tenant
334 that is not the developer in the case of a commercial building,
335 the secretary shall disburse to the developer an incentive payment
336 for an amount equal to the amount remitted to the secretary under
337 subsection (3) (b) of this section in each year that the
338 remittances are made, not to exceed an aggregate of twenty-five
339 percent (25%) of the approved budget for the project.

340 (ii) For property that is developed according to a
341 plan in phases and placed into use in phases:

342 1. The secretary shall disburse to the
343 developer for each applicable year an amount equal to the amount
344 remitted to the secretary under subsection (3)(c)(i) of this
345 section; and

346 2. After such property has completed
347 development according to the plan and has been placed into use,
348 the secretary shall deposit an amount equal to the amount remitted
349 to the secretary under subsection (3)(c)(ii) of this section in
350 each year that the remittances are made, not to exceed an
351 aggregate of twenty-five percent (25%) of the approved budget for
352 the project.

353 (5) The secretary and the department shall have all powers
354 necessary to implement and administer the program established
355 under this section, and the secretary shall promulgate rules and
356 regulations, in accordance with the Mississippi Administrative
357 Procedures Law, necessary for the implementation of this section.

358 **SECTION 3.** Nothing in this act shall affect or defeat any
359 claim, assessment, appeal, suit, right or cause of action for
360 taxes due or accrued under the income tax laws before the date on
361 which this act becomes effective, whether such claims,
362 assessments, appeals, suits or actions have been begun before the
363 date on which this act becomes effective or are begun thereafter;
364 and the provisions of the income tax laws are expressly continued

365 in full force, effect and operation for the purpose of the
366 assessment, collection and enrollment of liens for any taxes due
367 or accrued and the execution of any warrant under such laws before
368 the date on which this act becomes effective, and for the
369 imposition of any penalties, forfeitures or claims for failure to
370 comply with such laws.

371 **SECTION 4.** Section 1 of this act shall be codified in
372 Chapter 7, Title 27, Mississippi Code of 1972.

373 **SECTION 5.** Section 1 of this act shall take effect and be in
374 force from and after January 1, 2025. The remaining sections of
375 this act shall take effect and be in force from and after July 1,
376 2025.

**Further, amend by striking the title in its entirety and
inserting in lieu thereof the following:**

1 AN ACT TO REQUIRE THE SECRETARY OF STATE, IN CONJUNCTION WITH
2 THE DEPARTMENT OF REVENUE, TO ESTABLISH A PROGRAM TO PROVIDE AN
3 INCOME TAX CREDIT FOR TAXPAYERS WHO DEVELOP BLIGHTED PROPERTY IN
